A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Robert Edwin Davies was born in Mount Forest, Ontario, October 5, 1931. Here he received his elementary and secondary school education. Always a good scholar and a fine athlete, he was the recipient of several academic and athletic awards and trophies. His extracurricular activities as President of the student council and quarterback of the football team attest to his leadership ability even at this early age.

In 1948, during his final school year, owing to the sudden illness and subsequent passing of his father, he took over the family retail business and has operated it most successfully ever since.

In 1954 he married Annabelle Christie of Hopeville and the Davies now have three children, the eldest, Kathy, a graduate of the University of Waterloo—now enrolled at the Ontario Teacher Education College, Hamilton; Robert, presently at home in the family business; and the youngest, Lynn, a student at the Mount Forest District High School.

He is a member of the United Church and over the years has served on many committees and boards, both in the Church and also in the Sunday School.

Always interested in his community, your Grand Master is a past director of the Mount Forest Boy Scout Group, past director of the Mount Forest Louise Marshall Hospital Board, former member of the Mount Forest Cameron Highlanders Pipe Band, and past President of the Mount Forest Investment Club. His many hobbies include all sports, and amateur radio where he is the holder of an Advanced Amateur Radio License and can be identified around the world by the call sign VE3ERD.

Being initiated, passed and raised in St. Alban's Lodge, No. 200, in 1952, he became Worshipful Master in 1960, and in 1961 was elected District Deputy Grand Master of Grey District. March 1964 saw him appointed the Representative of the Grand Lodge of Louisiana which Grand Lodge conferred upon him the rank of Past Junior Grand Warden. In July of the same year he was appointed a member of the Board of General Purposes of our Grand Lodge, a position to which he has been subsequently elected for five successive two-year terms. Chairman of the Committee on Fraternal Dead in 1971 and 1972, he was then appointed for 1973 and 1974 Chairman of Benevolence, a committee with which he had been closely associated during his entire tenure as a member of the Board of General Purposes. He was elected Deputy Grand Master in July 1975 and Grand Master in July 1977.

Our Grand Master is a member of the Royal City Lodge of Perfection; Past Most Wise Sovereign of the Guelph Chapter Rose Croix; member of the Moore Sovereign Consistory; Ancient and Accepted Scottish Rite of Canada; a member of the Ancient and Arabic Order Nobles of the Mystic Shrine, Mocha Temple, London; the Royal Order of Scotland and was coroneted Honorary Inspector-General, 33°, at the Annual Meeting of the Supreme Council, A. & A.S.R. of Canada, in Hamilton, September 1977.

In 1961, Robert E. Davies was the youngest District Deputy Grand Master in the Jurisdiction and now at 45 years of age becomes one of the youngest to be elected Grand Master of the Grand Lodge of Canada in the Province of Ontario.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful
Grand Lodge, A.F. & A.M. of Canada, in the Province
of Ontario.

My Brethren:

“I among all men am most richly Blessed”

These words penned by an unknown author ring loud and clear this morning as I begin my address. The Most High has blessed your Grand Master by giving to me the strength and wisdom required to serve this Jurisdiction. The strength necessary to cope with the physical demands of the office of Grand Master is only surpassed by the wisdom necessary to administer the affairs which demand all the talents available to any Grand Master.

Before you this morning stands a very humble and thankful Grand Master: humble when I consider the many blessings that have been mine to enjoy and indeed profoundly thankful to Almighty God for his Divine guidance.

WELCOME

Welcome to the 123rd Annual Communication of the Most Worshipful Grand Lodge A.F. & A.M. of Canada in the Province of Ontario. To those who are attending for the first time, I extend a particular welcome. Some of our guests have journeyed great distances to be here. I or my representative have received the gracious hospitality of many of our distinguished guests and now it is our pleasure to reciprocate.

I trust that our guests will enjoy their visit to this Jurisdiction and that they may safely return to their homes, enriched by the time spent with their Brethren here in our Grand Lodge.

NECROLOGY

Several great servants of the Craft have been lost during the past year. This loss is felt by all and our prayers and thoughts are with their loved ones in their time of sorrow.

MORTIMER CLEEVE HOOPER

Most Worshipful Brother M. C. Hooper, our Grand Treasurer was attending the opening session of the Annual Communication of the Grand Lodge of Canada in the Province of Ontario on July 20, 1977, when he collapsed and later passed away in hospital on July 22, 1977. Masonry lost a most respected Brother and Canada a most distinguished citizen.

Initiated into University Lodge, No. 496, G.R.C., at Toronto, in May 1923; he was elected Worshipful Master in 1940. He served as District Deputy Grand Master of Toronto District "D" in 1951-52 and was elected to the Board of General Purposes in 1957. 1961 saw him appointed Chairman of the Committee on Grievances and Appeals and in 1968 he was appointed Grand Treasurer, an office he held until his sudden demise. His distinctions were many and merited. This Grand Lodge conferred on him its highest honour, Past Grand Master (Hon.).

He was a past Thrice Puissant Grand Master of Toronto Lodge of Perfection, a member of Toronto Chapter Sovereign Rose Croix, Moore Sovereign Consistory, a past active member of Supreme Council of the Ancient and Accepted Scottish Rite and a member of the Royal Order of Scotland.

His civic interests were many and varied. Always a man of courage and vision, his talents were freely given for the benefit of his fellow man.

M. C. Hooper was a member of Blythwood Road Baptist Church, Toronto, and his record of service includes, among other things, Chairman of the Ministerial Superannuation Board and for the past 26 years Hon. Solicitor General of the Canadian Baptist Foreign Mission Board.

Most Worshipful Brother Hooper was truly a giant among men and of him it could be said, "This world is a better place because he passed this way."

WILFRID NASMITH PATERSON

Past Grand Senior Deacon and present at our recent Communications as the Grand Secretary General of the Ancient and Accepted Scottish Rite of Canada; a man of quiet gentle characteristics who touched the lives of many people, Bro. Paterson passed away suddenly on September 13, 1977, after a life of devotion to his church, his family and his beloved Craft.

CONRAD HAHN

Past Grand Master of the Grand Lodge of Connecticut and a frequent visitor to this Grand Lodge as the Executive Secretary of the Masonic Service Association, Bro. Hahn passed away suddenly on December 15, 1977. Most Wor. Bro. Hahn was a walking encyclopedia of Masonic knowledge, a Masonic orator of great renown and one whose sound friendly counsel will be sadly missed by all.

PAST RANK

- (1) V.W. Bro. L. Keith Poss of Scotland Lodge, No. 193, was appointed Grand Steward on July 21, 1977. He passed away on February 13, 1978. I recommend past rank be confirmed posthumously.
- (2) As a result of an amendment to the Bylaws Wor. Bro. Clayton Boyd of Otisippi Lodge, No. 719, served only 10 months as Worshipful Master, from December 1976 to September 1977 inclusive. He served the lodge with distinction and I have pleasure in recommending he be granted rank of Past Master.
- (3) Because of a change in Bylaws Wor. Bro. Jack Cumming of Aldworth Lodge, No. 235, served as Worshipful Master for only 10 months. He has served the lodge faithfully and I recommend he be granted rank of Past Master.

- (4) Wor. Bro. Neil McGowan of Temple Lodge, No. 597, because of illness was unable to be installed in December 1976, but was installed in January 1977. He served the office with great zeal, and I recommend he be granted rank of Past Master.

APPOINTMENT

Upon the death of M.W. Bro. M. C. Hooper it became incumbent upon me as Grand Master to appoint a successor as Grand Treasurer. I appointed M.W. Bro. J. N. Allan to that office on November 9, 1977, and ask for approval of the Brethren.

NEW LODGES INSTITUTED

- (1) Heritage Lodge, U.D., Guelph, Ontario, instituted on September 21, 1977, by R.W. Bro. C. F. Grimwood, District Deputy Grand Master of Waterloo District.
- (2) Otto Klotz Lodge, U.D., Cambridge, Ontario, instituted on October 31, 1977, by R.W. Bro. C. F. Grimwood, District Deputy Grand Master of Waterloo District.

LODGE BUILDINGS DEDICATED

On Monday, October 3, 1977, I was especially pleased to return to Cobourg and dedicate the new Masonic Temple of St. John's Lodge, No. 17. Congratulations to the Brethren for a job well done! They are now in possession of a beautiful Masonic home and I wish for the Worshipful Master, Officers and members of St. John's Lodge, No. 17, a long and happy future in their new Masonic Temple.

MASONIC DIVINE SERVICES

It was my privilege to attend and to take part in several Divine Services during the past year. Our Grand Chaplain, R.W. Bro. Rev. Eric Sisèl, is to be commended for the leadership he has given in this field. Not only has he guided

a fine group of District Chaplains but as you will hear in his report, he has personally conducted many Divine Services himself.

I heartily commend R.W. Bro. Eric Sisèl and these dedicated Chaplains for their endeavours in this most important facet of our Craft.

How good it is to find our Brethren renewing the covenant of our forefathers and participating as a lodge in Divine Worship.

SPECIAL EVENTS

This past year has provided a storehouse of memories, some of which I would share with you now.

Early in the fall I was privileged to address the Supreme Council dinner on the occasion of the annual meeting of the Supreme Council of the Ancient and Accepted Scottish Rite of the Dominion of Canada and during the same session to be coroneted Honorary Inspector General.

The enjoyment of sharing an evening with our Lieutenant Governor of Ontario, Her Honour Mrs. Pauline McGibbon, at the Oshawa Scottish Rite Club banquet and to be received a few days later by my Mother Lodge, St. Alban's No. 200, at a Reception attended by over 400 Masons, shall not soon be forgotten.

The great privilege of representing you in many sister jurisdictions and especially in Williamsburg, Virginia, as the Grand Lodge of Virginia celebrated 200 years of Masonry in the old Dominion is a vivid and lasting memory.

The opportunity to respond to addresses of welcome in Jurisdictions stretching the length and breadth of this country and as far south as Florida has been afforded your Grand Master on numerous occasions.

The thrilling experience of presenting my friend and brother, M.W. Bro. John A. Irvine, to the Conference of Grand Masters of North America held at Washington, D.

C., in February, on the occasion of his election as President of the Conference of Grand Secretaries of North America must rank high on my list of memories.

The challenge of addressing the spring reunion luncheon of Moore Sovereign Consistory in May and a week later to receive the John Beardsley Medal from the Grand Lodge of New Brunswick, as I addressed their Annual Communication, are events still fresh in my mind.

The enjoyment one receives as he meets and greets Masons from five separate continents is second only to memories of the many Receptions, Divine Services, social functions, meetings and visitations enjoyed right here in Ontario.

GRAND MASTER'S BANQUET

This year M.W. Bro. Jerry Carmel Rasor, Grand Master of the Grand Lodge of Ohio, is to be our banquet speaker. Those of us who were privileged to hear his keynote address in Washington, at the Conference of Grand Masters of North America, unanimously agreed M.W. Bro. Rasor was the one orator to uphold and enhance the image of this great banquet.

PAST GRAND MASTERS

Many decisions and actions taken by a Grand Master requires the guidance and wisdom of those Brethren who have graced the Grand East before him. My gratitude is extended to the Past Grand Masters who were so helpful in so many ways to this Grand Master. A special thank you to our efficient Grand Secretary, M.W. Bro. John A. Irvine; the Custodian of the Work, M.W. Bro. Wm. K. Bailey; and the President of the Board of General Purposes and Deputy Grand Master, R.W. Bro. N. R. Richards, for their untiring efforts and assistance.

DISTRICT DEPUTY GRAND MASTERS

This group I single out for special mention for theirs is a special role of great importance, they being the Grand Master's personal representative in each District. Much of the pride we take in our work can be attributed directly to the performance of the District Deputy Grand Master in the District. I look with deep approval on the men who have served this Grand Lodge as my representative during the past year. I recognize their place in this Jurisdiction and I thank them individually and collectively for their service to the Craft.

GRAND LODGE OFFICERS AND MEMBERS OF BOARD OF GENERAL PURPOSES

We owe a debt of gratitude to those officers to whom was entrusted the task of leadership. These talented and dedicated Brethren have served your Grand Lodge this year with distinction and in an outstanding manner. Participation in the fall meetings of the Board of General Purposes as well as other official functions, including Receptions to your Grand Master, has been most encouraging. Your Grand Lodge Officers have given great service to the Craft. Their energy and work have meant much to this Jurisdiction and to each of them I extend my sincere appreciation.

COMMITTEE ON PUBLIC RELATIONS

The Chairman of this Committee, R.W. Bro. Thomas L. Wilson, being a modest man, chooses not to make a report each year of his efforts on our behalf. My Brethren I want you to know the valued service performed by this Committee in our Jurisdiction.

R.W. Bro. Wilson, upon receipt of the Grand Master's itinerary, immediately contacts the appropriate newspaper, radio or television station and interviews and stories are arranged through his association with the Thompson Company and as a former member of the Canadian Press. Almost without exception wherever your Grand Master goes for a Reception he is greeted by the local press and subsequent coverage of the event is given.

After the Annual Communication reports are immediately filed by this Committee with Canadian Press and we now enjoy much improved press coverage.

R.W. Bro. Wilson, we at Grand Lodge appreciate your continuing efforts and extend to you a most sincere thank you.

INSURANCE

Following an exhaustive survey by V.W. Bro. John Millar, and his Committee, to ascertain the advisability of entering into a broad insurance agreement with a major company in an effort to save expense to the individual Lodges, the results of the survey dictated no action be taken at this time.

This survey of all Lodges, together with the negotiations held with several insurance firms, represented a task of great magnitude. This Grand Lodge is indebted to V.W. Bro. Millar for the job he has done and on your behalf I express a sincere thank you to V.W. Bro. Millar.

May I remind all Lodges of the necessity to continually review their insurance coverage, paying particular attention to inflated values and always seeking to maintain adequate liability coverage, so essential today. Grand Lodge maintains its own liability coverage but this does not cover individual Lodges. Please make certain you have proper protection.

CONCURRENT JURISDICTION

Since the larger proportion of our membership now operate under some form of concurrent jurisdiction, and having mentioned this subject in my last message through the medium of the Grand Lodge Bulletin and having heard no opposition to concurrent jurisdiction, but on the contrary continually hearing of applicants seeking membership being held up while waiver of jurisdiction is sought and sometimes denied for petty reasons, I recommend that as of July 20, 1978, concurrent jurisdiction be established in all Districts

to apply across the length and breadth of the individual District. This recommendation would not alter or change extended concurrent jurisdiction now enjoyed by some Districts but is in addition to any concurrent jurisdiction now in effect and shall be reviewed after a two-year period.

MASONIC FOUNDATION OF ONTARIO

The Masonic Foundation of Ontario, under the leadership of M.W. Bro. Wm. K. Bailey, is about to embark on a program to raise \$350,000 by the year 1980, at which time this Grand Lodge marks its 125th Anniversary. I solicit your serious consideration and assistance to make this effort a resounding success.

125th ANNIVERSARY CELEBRATION

The plans are now laid to commemorate this event and R.W. Bro. Charles Emmett, the Chairman of this Committee, shall shortly be unveiling his program. Again, I solicit your support to mark this occasion in a fitting manner.

OPERATION LIFELINE

This project, under the direction of Wor. Bro. Paul Curry and R.W. Bro. Ronald E. Groshaw, has now been brought to a successful conclusion. Over \$50,000 was raised by the Masons of the seven Toronto Districts and as a result the Blood Transfusion Department of the Canadian Red Cross Society shall soon put into service a fine new Mobile Lab Unit made possible by the generosity of the Masonic Fraternity. Congratulations to all for an outstanding job.

SUSPENSION

On November 15, 1977, I notified, by registered mail, Bro. Robert Hodgins of Palace Lodge, No. 604, Windsor, that he was suspended by the Grand Master from the Order as of that date for alleged Masonic misconduct. He was summonsed on June 9, 1978, to appear before the Committee on Grievances and Appeals on Monday, July 17, 1978, at 12:30 p.m. in the Nova Scotia Room of the Royal York Hotel.

Palace Lodge, No. 604, have been reprimanded for a lack of appropriate action in the manner in which they allowed this member to live under a cloud of suspicion, rightly or wrongly, without being given an opportunity to defend himself. I deem the inaction of the lodge to be reprehensible and suggest that this be a warning to other lodges who may be faced with a like circumstance. A further report will be made by the Chairman of the Committee on Grievances and Appeals.

REVISION OF THE CONSTITUTION

Change is one of the slowest things to be brought about in Freemasonry but with the professional expertise available in the Craft, change that is so necessary is most assuredly being made!

The Committee, under the able chairmanship of M.W. Bro. W. K. Bailey, responsible for the Revision of the Constitution is to be commended for their untiring efforts in this regard. You, my Brethren, are to be commended for the close perusal you have given the first revision, and now as the Committee will shortly be presenting the new revised copy, incorporating your comments, I again ask for your co-operation.

This is your Constitution and it is so vital that it reflect your Masonic expertise. Please give the new copy your careful perusal and hopefully at this time next year the revised copy of the Constitution may be adopted.

LONG RANGE PLANNING COMMITTEE

It cannot be denied that materially the world is changing at a tremendous pace. Indeed, one must run pell-mell just to keep up. The fact that in some aspects we as a Grand Lodge appear to be lagging must indicate a need for an in depth study. After considerable discussion with members of the Grand East and other concerned Masons, your Grand Master has requested the Deputy Grand Master, R.W. Bro. N. R. Richards, to form a Committee, consisting of a broad cross section of our membership. This Committee is asked

to study all aspects of our present system of operation and report their findings, together with any suggestions, directly to the Grand Master.

USE OF ALCOHOLIC BEVERAGES

On May 15, 1972, a directive was issued by the then Grand Master, M.W. Bro. W. K. Bailey. This directive made provision for the use of alcoholic beverages, if desired, at certain functions.

My Brethren, I would remind you this directive is still in effect and I respectfully request you adhere to it meticulously.

CONCLUDING REMARKS

Now, I must draw to a close this the report of my stewardship as your Grand Master. It has been a busy but a most enjoyable term and I hope that my strength, faith and courage may be sufficient for the ensuing year.

My first term is now history — what of the future of this great jurisdiction? I observe a significant number of younger men coming into our Order. Let us be mindful of their needs and listen as they speak for they are the vehicle for growth in the future. Change just for the sake of change is not what I advocate. However, change when necessary to meet man's ever changing viewpoint is essential to insure our future. Robert Browning once said, "To be content with laurels won means death." Brethren, we must not err by failing to make full use of the younger talent.

The mobility of society today causes Masons to become almost itinerant. It should be of concern to each of us to constantly be watching for itinerant Brethren who may now be residing in our communities. We ought to seek these Brethren out and extend to them the welcome hand of Brotherhood and invite them to establish a new Masonic home in our midst if possible.

I would hope we would become evermore conscious of our obligation to serve our fellow man by greater com-

munity involvement. When assistance is needed, be it community appeals, church support, or participation in any worthwhile project, individual Masons should lead the way: remember Masonry is judged by your actions in the realm of your everyday life.

During my visitations to sister Jurisdictions, I have witnessed several rededication ceremonies. These are being performed at the local Craft level, and at Grand Lodge level as well. How meaningful it is to see hundreds of Masons on bended knee, giving thanks to Almighty God as they rededicate themselves to the principles of Freemasonry. We here in Ontario would do well to take a new look at this magnificent system of morality that is ours to enjoy and then to rededicate ourselves to the way of life laid down by God for man. If we do this the words spoken by the wise and venerable Roscoe Pound will take on a new dimension: a dimension of great meaning.

“Freemasonry has more to offer the 20th century than the 20th century has to offer Freemasonry.”

My prayer as your Grand Master during the past year has been that I might motivate Masons to fully appreciate the great Masonic heritage which we enjoy and then in turn to shoulder their parallel responsibility to mankind. Today as I mark the mid point in my term as your Grand Master, I am even more convinced that “Freemasonry has much to offer the 20th century.” Yes, “I among all men am most richly Blessed.”

Sincerely and fraternally

R. E. DAVIES,
Grand Master

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. J. N. Allan, seconded by M.W. Bro. B. B. Foster and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. L. Pacey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pacey, it was received and adopted.

To the Most Worshipful the Grand Master and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with solemn remembrance that we, the Committee on Deceased Brethren, present this report, in order that we may pay tribute to those of our Brethren, who have been removed from the cares of this life to that Other Grand Lodge.

To all Brethren, the word deceased has its own personal meaning. For one fleeting moment, it remains and portrays to us the realities and frailties of life. Therefore, it is with reverence, gratitude, and a profound sense of Brotherly Love that we remember them at this time.

Few men were more modest in their lives, and when death claimed them, a great light was extinguished, a deep toned bell was hushed, mankind indeed lost valued friends in these Masons. To such a life as theirs, death was but going

“Out of the shadows of sadness,
Into the sunshine of gladness,
Into the light of the blest.
Out of the land very dreary,
Out of a world of the weary.
Into the rapture of rest.”

My Brethren, as we move in the realm of this life, may we regulate our thoughts and actions so as not to tarnish, mark, or engrave on the memory of our departed Brethren.

I challenge all Masons assembled of our obligation to hold high that torch of friendship, Brotherly Love, relief and truth in their honour, and, when those shadows of our life deepen

“That we have served some useful post,
That here and there we have paid our fare,
With more than idle words or boast;
And that we had taken gifts divine,
To the glory of mankind,
That we had used them now and then,
To serve our God and our Fellowmen.”

It has been my privilege, and an honour to have been chairman of your Committee on Deceased Brethren. I do appreciate the kindly assistance afforded by my associates.

This Committee is also striving, with an earnest desire, that the Memorial Services of our Deceased Brethren be ever held with reverence and respect. We wish to dispel the remotest tendency of creating an air of pageantry. The Brethren should be carefully chosen and instructed to commit from memory a portion of the service. In other words, be prepared. In our Masonic Funeral, we must leave the best image and a quiet reverence must be practiced. Oftentimes, this is the only opportunity the bereaved, and other people present, will have to observe Masons as a group.

May we also remind you that Masonic Lodges have a responsibility to our Deceased Brethrens' widows and children. Not only have we a duty as to their financial requirements, but it is ours to see as to their general well-being. They should be reminded by our actions that they have not been forgotten. To those Brethren who have intended visiting that certain family, do not procrastinate.

Such, my Brethren, is the nature of our being. We have the privilege to pass through life but once. Any good therefore, we can do, let us be doing it now. I know many of our Brethren, so departed, practiced that philosophy.

The greatest service we Masons can render to the memory of our Deceased Brethren, is to build a bulwark, not only against hatred and bigotry, but also, and much more, against that materialistic philosophy which plays such havoc with our world.

We, as Masons, must remember it is our responsibility to create and cultivate a spirit free, friendly and fraternal, a spirit that would sweeten the bitterness of the world hate.

To this, my Brethren, I leave with you in loving memory and affection, as we recall now our Deceased Brethren.

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

MEMORIAL SERVICE

GRAND CHAPLAIN:

Blessed be the Lord! for He has heard
the voice of my supplications.
The Lord is my strength and my shield;
in Him my heart trusts.

(Psalm 28:6-7)

Prayer of Invocation:

Eternal God, our days and years are lived in Thy mercy. Make us know how frail we are and how brief our time on earth; and lead us by Thy Holy Spirit, so that when we have served Thee in our generation, we may be gathered into Thy presence, steadfast in faith and loving toward neighbors. And to Thee be the power, the glory and the majesty forever.

Amen

Responsive Reading (Psalm 121):

1. I lift up my eyes to the hills.
From whence does my help come?
2. My help comes from the Lord,
who made heaven and earth.
3. He will not let your foot be moved:
He who keeps you will not slumber.
4. Behold, He who keeps Israel
will neither slumber nor sleep.
5. The Lord is your keeper;
the Lord is your shade on your right hand.
6. The sun shall not smite you by day,
nor the moon by night.
7. The Lord will keep you from all evil;
He will keep your life.
8. The Lord will keep your going out and your
coming in from this time forth and for evermore.

Memorial Prayer (The Brethren stand at the S. of F.):

Almighty God, we remember before Thee those Brethren who have lived among us, who have directed our steps in the way, opened our eyes to the truth, inspired our hearts by their witness, and strengthened our wills by their devotion. We rejoice in their lives dedicated to Thy service, we honor them in their death, and we pray that we may be united with them in the glory of the Grand Lodge above.

Amen.

All respond: So mote it be.

Benediction:

The peace of the G.A.O.T.U. rule in your hearts and the love of the Lord dwell in you richly with all wisdom.

Amen.

Respectfully and fraternally submitted.

W. LORNE PACEY,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1978 and statements of receipts and disbursements of the General Fund and combined Memorial and Semi-Centennial Fund for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests and other procedures as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of June 15, 1978 by the Canadian Imperial Bank of Commerce.

In my opinion, these Financial Statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1978 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally

A. W. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have the honour to submit the Grand Treasurer's report for the year ending April 30, 1978. I should like, first of all, to assure you that the finances of Grand Lodge are in a sound and satisfactory condition, the result of careful and prudent management of our finances by those responsible for this important task.

The full effect of the increase in per capita tax was applicable to this financial year and accounted for an increase in receipts from dues and fees of \$21,674.91. I am also pleased to report an increase in income from investments, a result of reinvestment of funds derived from securities that matured at a higher rate of interest. A further improvement in our cash position resulted from the sale of books and printed material that had been paid for in the previous year and was taken from inventory.

It is with genuine satisfaction that I am able to inform you that expenditures were kept well within budget, thereby enabling us to increase the value of our assets to a figure slightly in excess of \$2 million which was an all time high.

Our assistance to disabled and needy Brethren was continued, as has been support extended to ten worthy charitable organizations, details which are set out in the financial statement which follows.

I am indebted to the Grand Secretary and his staff for their loyal and generous assistance in facilitating the work of the Grand Treasurer, and to the Chairman of the Committee on Audit and Finance for his wise counsel.

I wish also to record my appreciation of the financial information furnished the Grand Treasurer on a monthly basis by our Auditor, Bro. A. W. Parish, F.C.A. and for the annual statement which sets out in detail our financial

operation for the year. This statement includes schedules of the year's receipts and expenditures in the General, Memorial, Commutation and Pension Reserve accounts as well as lists and valuations of our securities with summaries which are comprehensive and informative. These are published in the pages that follow and are commended to your attention and study.

Fraternally submitted,

JAMES N. ALLAN
Grand Treasurer.

Respectfully and fraternally submitted,

Grand Secretary.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion by the Deputy Grand Master seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M. Wor. Bro. E. W. Nancekivell, and on motion of the Deputy Grand Master, seconded by M. Wor. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A. M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

The purpose or function of this committee on Fraternal Relations is to consider requests for recognition from other Grand Lodges and to recommend to the Grand Master and Grand Lodge an affirmative or negative reply, or in some cases a deferral for further consideration at a later date. The committee also may recommend withdrawal of recognition if circumstances warrant so doing. Your Committee Chairman is a member of the Commission on Information for Recognition of the Conference of the Grand Masters of Masons in North America and therefore the Committee recommendations reflect in many instances the deliberations and decisions of that Commission which exists in an advisory capacity to the Conference's constituent Grand Lodges.

We have at hand several requests for recognition, some of recent date, some that have been held over for several years.

Your Committee recommends extending recognition to the Grand Lodge of the Dominican Republic. It also recommends recognition of the following State Grand Lodges of Brazil, each of which is regular in the Masonic sense of the word, and worthy of recognition:

The Grand Lodge do Estado do Espirito Santo
 The Grand Lodge of Pernambuco
 The Grand Lodge of Parana
 The Grand Lodge of Rio Grande do Norte
 The Grand Lodge do Estado de Goias

We also have a request for recognition from the Grand Orient of Brazil. The Commission has written extensively in the past on Masonry in Brazil and particularly the problems between the State Grand Lodges of Brazil and the Grand Orient. There exists a document entitled "A Treaty of Fraternal Collaboration and Mutual Recognition" between the Grand Lodge of Guanabara, Brazil, and the Grand Orient of Brazil dated November 14th, 1977. However, we received copies of a letter from the Grand Secretary of the Grand Lodge of Rio Grande do Sul stating that the Grand Lodge of Guanabara reconsidered the treaty and declared it void and a letter from the Secretary General of the Confederation of Masonic Symbolic Lodges of Brazil confirming the previous letter and stating that "neither formal relations between any State Grand Lodge and the Grand Orient nor any study toward the establishment of those relations are under existence right now in Brazil" because of irregular procedures in the Lodges of the Grand Orient all over Brazil. Your Committee recommends therefore that recognition of the Grand Orient of Brazil not be granted at this time.

The Grand Lodge of Canada in the Province of Ontario, on the advice of this Committee (then chaired by the late Most Wor. Bro. Harry L. Martyn) extended fraternal recognition to the Grand Orient of Italy in 1973. Since then there has been sent to the Commission on Information for Recognition a great volume of written material from both Italian and non Italian Masons outlining the seriously disruptive situation in the Grand Orient of Italy. The Commission recommended to the Grand Lodges of the

Conference of Grand Masters of Masons in North America in its 1978 report that recognition be withdrawn from the Grand Orient of Italy, and this action we now recommend to the Grand Lodge of Canada in the Province of Ontario.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL

Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted; Carried.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented to M.W. Bro. W. L. Wright, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Wright, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The efficiency of Grand Lodge is due in no small part to the adherence to the Constitution and it's directives by each individual lodge. Through the years these rules on the whole have been respected. It is inevitable that at times Grand Lodge may be confronted with changing conditions when a fresh appraisal must be made of the Constitution.

Under the capable leadership of Most Wor. Bro. W. K. Bailey, who has been a tower of strength, and his Committee, certain changes have been suggested with the strong recommendation that the lodges examine these proposed changes. In due course the revised Constitution will be brought before Grand Lodge for ratification.

That part of the Grand Master's address dealing with the Revision of the Constitution, is particularly appropriate for your Committee on Constitution and Laws. Please read this paragraph thoroughly.

Your Committee recommends that Grand Lodge identifies itself whole-heartedly with the sentiments expressed by the Grand Master.

The subject of Concurrent Jurisdiction has been increasingly a matter of importance for the Committee on Constitution and Laws. The Grand Master has given a practical directive on the subject of Concurrent Jurisdiction. His words bear repeating.

"Since the larger proportion of our membership now operate under some form of Concurrent Jurisdiction, and having mentioned this subject in my last message through the medium of the Grand Lodge Bulletin, and having heard no opposition to Concurrent Jurisdiction, but on the contrary continually hearing of applicants seeking membership being held up while Waiver of Jurisdiction is sought and sometimes denied for petty reasons, I recommend that as of July 20th, 1978, Concurrent Jurisdiction be established in all Districts to apply across the length and breadth of the individual District. This recommendation would not alter or change extended Concurrent Jurisdiction now enjoyed by some Districts, but is in addition to any Concurrent Jurisdiction now in effect and shall be reviewed after a two-year period".

Your Committee endorses the above statement and asks for the concurrence of Grand Lodge.

In a time of change, the Constitution and Laws of any institution must be carefully and sympathetically scrutinized. The Lodges of our Jurisdiction are to be commended for their interest, understanding and support of the proposed changes.

Respectfully submitted on behalf of the Committee.

WILLIAM L. WRIGHT,
Chairman, Constitution and Laws

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. H. C. Steele, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steele, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of Grand Lodge A.F. & A.M. of Canada, in the Province
of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure for me to present this report on behalf of the Committee on Warrants for the year 1977-78. The Committee consists of the following brethren: M.W. Bro. J. A. Irvine, R.W. Bros. W. A. Isbister, W. S. McNeil, G. B. Rickard, C. J. Hepburn, C. F. Grimwood, I. G. Noble, A. Warnuk, J. C. Piper and J. M. Napier.

Applications for Warrants have been received from two lodges presently working under dispensation. We, your committee, have examined the books, records and petitions from the two applicants and find everything to be in order. We therefore take great pleasure in recommending Warrants be issued to the following:

Heritage Lodge U.D. Cambridge to be numbered 730 and added to Waterloo District.

Otto Klotz Lodge U.D. Cambridge to be numbered 731 and also added to Waterloo District.

The Committee would like to offer their congratulations and best wishes to the members of these new lodges. Special mention must be made of the Secretaries of these two lodges, the importance of keeping accurate minutes and ledgers is very important when applying for a Warrant. We offer our thanks to these two brethren for their fine efforts on behalf of their lodges.

We would also like to echo the suggestions of former committees in reminding the lodges of the importance of keeping records, minute books, Tyler's registers etc. in fire proof receptacles.

Your Committee would like to suggest to the incoming D.D.G.M.s to check their districts and determine if there has been any large scale movement of people into the areas. If there has been maybe we have a number of unaffiliated Masons who are not attending lodge on a regular basis. One such spot in the western part of the province is in the Douglas Point Area. Although we have Northern Light Lodge No. 93 at Kincardine and Bruce Lodge No. 341 at Tiverton both in North Huron District close to Douglas Point, maybe thought should be given to surveying the situation to determine if there is need of starting a new lodge in this area. How many other parts of the province are faced with a similar situation?

In closing, your committee would like to again wish our two new lodges the best for 1978 and may you grow and prosper in the future.

Respectfully and fraternally submitted,

H. CAMERON STEELE,
Chairman

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This Report was presented by R.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Polk, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Printing and Supplies, I have the honour to present this report to the 123rd Annual Communication of our Grand Lodge. The Committee members are Rt. Wor. Bros. J. Selkirk, T. E. Bedford, H. R. Ferguson, A. J. Berry, J. L. White, F. A. Knapp and the undersigned as Chairman.

The expenditures of Printing for the year ending May 31st, 1978 are as follows:

Constitutions (1 year's supply)	2,500	\$ 6,276.00
Booklets (No. 0, 1, 2, & 3)	10,000	1,220.00
Bulletins and Postage;		
Cost of Bulletins	4,050.00
Postage	1,362.35
Fraternal Reviews	3,500	2,535.90
Preliminary Reports	3,500	4,002.66
Proceedings	1,300	9,823.28
New Lodge Books	170.65
Printing, Stationery and Office		
Supplies:	7,535.43
		<u>\$36,976.27</u>

We hasten to point out that the total costs of the items required for the year's operation, exceeded the cost of corresponding items for the year 1976-7, by \$6,592.71. This sharp increase is the

result of inflation in the market place generally, and affects the financial structure of our fraternity the same as in any business operation. A goodly portion of the first edition Cost of Printing "Meeting the Challenge" in 1976-7 has been recovered, and is reflected in Receipts for last year and by the sale of 1260 copies during this year.

It isn't possible to report total receipts recovered from resale of supplies by this Committee this year, as the information provided by the Grand Secretary's office was submitted prior to the close of the fiscal year, April 30th, 1978. However, such receipts will be recorded in the Grand Treasurer's report or the Auditor's statement under "Printing For Resale".

This is the first year extra copies of the Proceedings were made available for resale to anyone other than those on the approved mailing list, at \$5.00 each. While only a limited number were purchased, it is a start, the trend will no doubt accelerate in succeeding years, the revenue from which will assist somewhat in offsetting overall increased printing costs.

The inventory of Books for resale as of April 30th, 1978 is as follows:

The Work	7700
Meeting the Challenge	7740
The First Grand Master	2236
Beyond the Pillars	3000

Again your Committee solicits the support of Grand Lodge and Lodge Officers to encourage the sale of the three aforementioned publications. We need a steady increase in sales and believe that with effort a much wider distribution is possible. These excellent books should be in the hands of younger members, as they afford an insight into the history and tenets of our Order.

It is obvious in to-day's troubled world that our confusions arise through a loss of a sense of beginnings. We have no theological sense, no feeling of coming from somewhere, and going somewhere. Everything is present and chaotic and overwhelming. Like religion, Masonry affords an assurance of order and progress and growth, a dimension to understanding much needed in our time. Your Committee believes that these books now available to our Craft provide a reading source invaluable to a better understanding and deeper appreciation of the lifetime commitment to values founded on Masonic teachings.

We would like to express our thanks to the Grand Secretary, Most Wor. Bro. J. A. Irvine and his dedicated staff for their co-operation, efficiency and dispatch in having available adequate supplies of quality printed supplies to meet the demands of the Grand Lodge office, the committee of Grand Lodge, and Constituent Lodges throughout the year.

Respectfully and fraternally submitted,

HOWARD O. POLK,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through the Committee on Masonic Education, begs leave to report as follows:

The Committee was composed of M.W. Bros. W. L. Wright, J. A. Irvine, W. K. Bailey, and R. W. Bros. N. R. Richards, J. N. Smyth, K. M. Boyd, V. E. Young, A. Walton, E. Sisèl, A. L. Copeland, C. C. Lillico, D. E. Magee, C. A. Sankey, E. C. Steen, A. Youngs, and J. J. Talman, with the undersigned as Chairman.

In 1929 the Grand Master, M.W. Bro. John S. Martin, penned the following words. "I am firmly convinced that the time has come when something more definite and constructive should be accomplished in the line of Masonic education . . . A few rudimentary lessons in architecture, a few elementary instructions in symbolism, imperfectly prepared and understood, a few casual hints in moral dogma are no longer enough . . ." He recommended the establishment of a committee, to investigate the objectives, the subject matter, and the administration of Masonic Education. From his impulse came in due course your present committee.

Sometimes it seems that Grand Lodge is not very relevant to Masons of today. The important work in the Craft is carried out by individual brethren at the level of the constituent lodge. It is utterly impossible for your committee to come into personal contact with any more than a few brethren. That is why our chief task has always been to distribute information, to provide guidance and inspiration, and to act as a clearing house.

In one way or another, many brethren are involved in the process. The Grand Master, the Deputy Grand Master, and the District Deputy Grand Masters have presented innumerable provocative and stimulating talks. The Grand Secretary has been a regular and dependable tower of strength. The Grand Chaplain has been noted for his thoughtful and inspiring addresses. The Library Committee, under its Chairman, R. W. Bro. M. J. Damp, continues to supervise this great data bank. The Custodian of the Work has travelled all over this jurisdiction, giving guidance to the District Deputy Grand Masters and holding Lodges of Instruction.

In recent years Grand Lodge has published a lot of educational material: "A Functional Pronouncing Glossary of the Work" (1967, re-issued 1970), *Beyond the Pillars* (1973), the new edition of *First Grand Master* (1974), the new booklets for the information of the petitioner and the candidates (1975), and *Meeting the Challenge* (1976). Since 1974, authorized copies of *The Work* have been available for purchase by any Master Mason who has proved himself. Annually the Grand Secretary's Office prepares current editions of the *Book of Constitution* and the *Proceedings of Grand Lodge*. For many years R. W. Bro. J. J. Talman has abstracted the reports of other jurisdictions for inclusion in the *Fraternal Reviews*; this year the task has been taken over by R. W. Bro. C. A. Sankey. M.W. Bro. W. K. Bailey has compiled a useful handbook entitled "Guide Lines for Officers in Lodge Ceremonies" (1975). These publications are all available.

A team of contributors is working on a new History of Grand Lodge, which is scheduled to appear in 1980. Another committee has been deeply involved in a much-needed revision of the *Book of Constitution*; it has invited the assistance of every lodge in the province, and has received responses from many.

This year your Committee, on a trial basis, has begun publication of an Education Letter. Four issues were produced. The first one went to every District, and the other three (through the

courtesy of the District Deputy Grand Masters) were placed in every lodge. It is brief and casual, packed with interesting facts and informal advice. Among the topics this year were:

- (1) Twelve questions for use in lodge;
- (2) Police interrogation: the "Third Degree;"
- (3) The Question Box;
- (4) Books for Speakers;
- (5) The Ceremony of Installation and Investiture;
- (6) Our Duty to the New Mason: Step by Step;
- (7) The Secret of Masonry;
- (8) The General Charge;
- (9) A Masonic Quiz;
- (10) Draft of the proposed Revision of the B. of C.;
- (11) A 400-Year Old Acrostic;
- (12) The Shield of Grand Lodge;
- (13) A Gravestone at Jordan Station;
- (14) A Mason for over 94 Years;
- (15) Corner Stone Laying;
- (16) Active Lodges founded before 1850;
- (17) The Heritage Lodge.

Many brethren have submitted material, but we want to mention those whose suggestions were used this year: M.W. Bros. W. K. Bailey, J. A. Irvine; R. W. Bros. L. D. Barrett, F. J. Bruce, A. Walton, R. C. Ward; W. Bros. W. H. Allen (St. John's, No. 68), J. G. Baker (Mizpah, No. 572), R. J. L. Butler (Ivy, No. 115), M. H. Devins (Composite, No. 667), and B. Thurston (Vaughan, No. 54). We need your help! Keep the material coming.

A particularly happy omen was the formation under dispensation of The Heritage Lodge, expressly for the purpose of learning and teaching about Masonry. There were four regular meetings during the year, with the programmes hinting at a broad spectrum of possible activities:

- (1) Ceremony of Institution;
- (2) A paper on "The Old Charges" (subsequently published in the lodge's Proceedings);
- (3) A lecture, with slides, on the George Washington Masonic Memorial;
- (4) A dramatization version of the Ritual of the 1770's.

The officers and members of this new lodge deserve our thanks, especially V.W. Bro. Jacob Pos, who has long laboured to realize this dream of his.

The Districts have a better chance than does Grand Lodge to reach the individual Mason. The District Deputy Grand Master is close to the grassroots; he knows what will appeal to the Masons in his area, and he knows what talent is available. Some Districts held Workshops. Others experimented with programmes made up of several short presentations, to keep the attention of the brethren. Question-and-Answer Sessions are increasing in popularity—a format which bridges the gulf between a workshop and an old-fashioned education night. We heard of sessions devoted to Masonic History (Eastern and Muskoka-Parry Sound), to Symbolism (“The Making of a Mason” in the combined London Districts; “The Symbolism of the Three Degrees,” Ontario; Masonic Regalia, Toronto 6 and 7), and to Lodge Administration (the draft revision of the Constitution, Georgian and London East; “Governing a Lodge,” Bruce and Georgian; “Balloting and Boards of Trial,” North Huron; “Protocol and Etiquette,” Bruce; “Committees of Enquiry,” Georgian).

The play’s the thing wherein we’ll catch the imagination of the brethren; and so the Ritual of 1759 was performed in Niagara A, and “Masonry on Trial,” a script by W. Bro. George Blackie and Bro. Brian B. Thurston which has received mention ere now in these pages, was put on in Hamilton and Ottawa.

A good speaker can still kindle an audience. R.W. Bro. Peter de Karwin gave a multi-media presentation in Toronto. In May W. Bro. Harry Carr, the dean of Masonic teachers, was in Toronto, and talked to most of the Districts there about the Transition from Operative to Speculative Masonry, and about Evolution of our Ritual.

Becoming a successful Master does not just happen. Several Districts have active programmes which are intended to improve the chances. Toronto 1 held a series of Wardens’ Workshops, and Toronto 3 conducted a Deacons’ Programme. R.W. Bro. C. John Woodburn and W. Bro. William Robinson have continued to administer a Speakers’ Training Programme, under the direction of Bro. Donald McRea at Seneca College.

Many of the Districts have sent us copies of the information that has been distributed to their lodges. Some of it is outstanding, and merits particular mention. From Toronto 4, R.W. Bro. Alvin W. Hawley has deposited with the Committee copies of nearly thirty brief papers prepared by his Education Committee. And from Toronto 3, R.W. Bro. Frank J. Bruce has provided a wealth

of superb material: two sets of questions and answers by W. Bro. Harry Carr, a collection of sixty book reviews prepared by the Library Committee and selected by W. Bro. Brian McWhirter, and a splendid Deacons' Programme put together by a team under the direction of R.W. Bro. David C. Bradley. The last in particular looks extremely useful, and we hope to find some way to give it wider currency.

We have one or two observations about Education at the District level. It's hard to do much in Northern Ontario, because of the distances involved; but in the South, there's no reason why every District should not have an active programme. The key to the venture is involvement; don't make it a one man show. There should be a certain measure of continuity; if your District Supervisor has done a good job, and is willing to continue for another year, there's no reason to change.

It is at the lodge level that the most effective work can be done. We are often asked where to get speakers for lodges. For a start, you can invite members of the Board of General Purposes, who are devoted and well-informed Masons. Soon you will be able to get further suggestions from The Heritage Lodge. But is it necessary to go so far afield? If you tell a brother one fact he doesn't know, and he remembers it, and it gives him a new insight, you are teaching him. If you have one piece of information that your brethren don't, if you can present it to them in an interesting way, and if it makes them look at their Masonry in a different light, then you are well on the way to becoming a Masonic lecturer. And you will improve with practice! For a start, each of you at your leisure might read through the reports which appear in this year's *Preliminary Proceedings*, and bring the highlights to the attention of your lodge.

What of the future? The Committee on Masonic Education exists to serve Masonry, but it's hard to operate in a vacuum. You, the brethren whom we serve, are not very good at telling us what you want. When we produced *Meeting the Challenge*, we invited your reactions, but the response has been pitiful. Every issue of the Education Letter has appealed for your help and guidance, but to little avail. Your Committee has some idea of the type of material it would like to prepare and distribute: a Speaker's Manual (and we don't mean a collection of ready-made talks); Guide lines for running a Workshop; further advice on how to memorize The Work; a Deacons' Programme similar to that used with such success in Toronto District 3. Would it be useful for groups of lodges

to set up classes of instruction for Entered Apprentices, Fellow Crafts, and Master Masons? What do you want? We don't know if you don't tell us.

We pay lip-service to a belief in the need for education. Every Mason is exhorted "without neglecting the ordinary duties of your station to consider yourself called on to make a daily advancement in Masonic knowledge." How many of us do so?

The great William Preston, the Scots journeyman printer who wrote so much of the ritual that we still use, said: "When I first had the honour to be elected master of a lodge, I thought it my duty to inform myself more fully of the general rules of the society; in order that I might be able to explain to the brethren under my direction, their utility and importance; and *officially* to enforce a due obedience in them." It sounds reasonable, doesn't it? How can we hope to be effective rulers in the Craft, how can we employ and instruct the brethren in Masonry, if we don't know what the Craft is? Yet how many of us as Masters make any effort to learn?

Hear the words of the immortal Carl H. Claudy. "One thing and only one thing a Masonic lodge can give its members which they can get nowhere else in the world. *That one thing is Masonry*. ...The Master whose instruction programme is strictly Masonic has to send to the basement for extra chairs for most of his meetings."

In that context, how are we doing? Well, there is lots of material available, but sometimes it is not very well used. Again and again your Committee has received requests for information; we are always glad to help, but often the answer is already available in *Beyond the Pillars* or *Meeting the Challenge*. There are still lodges that are not using the new booklets for the candidates. Is every Worshipful Master giving those brethren who wish to assist in The Work an opportunity to prove their proficiency? Even the District Education Meetings we visited were sometimes frustrating. They were well planned, well attended; but if you looked around the room, most of the faces belonged to the Old Reliables, the Past Masters and Past Grand Lodge Officers. Where were the Master Masons? Where were the new Masons? Yet these, surely, are the ones whom we must reach.

Are we doing our job? How many of our brethren know what the Craft is, and what it stands for? Let me close with six statements. Each of them I heard somewhere this year. I shan't tell you who said them, or if I agree with them. Listen to them, think about them, decide whether they are right or wrong.

- (1) "Grand Lodge won't let my lodge do *anything*."
- (2) "Our lodge is very healthy; it had twenty initiations last year."
- (3) "If there is such a thing as *improper* solicitation then there must be *proper* solicitation."
- (4) "Masonry needs to decide what its objectives are."
- (5) "It's time that we, as Masons, took a public stand in questions of morality."
- (6) "The most important thing that Masonry does is its benevolence."

My brethren, what do you think?

All of which is respectfully and fraternally submitted on behalf of the Committee.

WALLACE McLEOD,
Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. P. S. MacKenzie, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts:

1. ESPANOLA LODGE No. 527 vs.
BRO. GERALD STANLEY SHEA

The Proceedings of this Grand Lodge for 1977, p. 130, contain the report of Previous Proceedings in this case.

Bro. Gerald S. Shea, a member of Espanola Lodge, No. 527 was convicted of manslaughter and sentenced to twelve years imprisonment.

A charge of unmasonic conduct was laid in the Lodge under Rule 1 (p) and after trial the Lodge found Bro. Shea guilty of the charge as laid and voted for indefinite suspension and recommended to Grand Lodge that he be expelled.

This Grand Lodge, at its Annual Communication in 1977 adopted the report of this Committee and directed that Bro. Shea be notified to appear at this Annual Communication to show cause why he should not be expelled. He has been so notified but he has not appeared. Your Committee now recommends that Bro. Gerald Stanley Shea be expelled.

2. PALACE LODGE No. 604 vs.
JAMES ROBERT HODGINS.

At the meeting of this Committee at our last Annual Communication, it was recommended to the Grand Master that Bro. Robert Hodgins be suspended by him. The reason therefore was that from information received by your Committee it appeared that Bro. Hodgins may have been guilty of an offence under Section 1 (s) of our Rules. Regardless of advice forwarded to Palace Lodge recommending that a charge be laid against Bro. Hodgins to clear up the persistent reports from members of that Lodge, unfortunately the Lodge did not see fit to proceed. Therefore in conformity with your Committee's recommendation the Grand Master suspended Bro. Hodgins as of November 15, 1977, pursuant to Section 53 of the Constitution. Bro. Hodgins was informed at that time he would have an opportunity to attend this meeting of your Committee to make such submissions as he saw fit with regard to the said suspension. He has offered and made representations to your Committee, both verbally and with documentary evidence as selected by him. He then advised your Committee that he had nothing further to present.

After serious lengthy consideration of his submissions, your committee voted to confirm the action of the Grand Master and now recommends to Grand Lodge that Bro. James Robert Hodgins be expelled.

Respectfully and fraternally submitted,

P. S. MacKENZIE,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by V.W. Bro. Norman E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Byrne, it was received and adopted.

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge, A.F. & A. M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with pleasure that your Committee reports to this Grand Lodge on the Condition of Masonry as found and reported on by the many dedicated District Deputy Grand Masters during the past twelve months in the Province of Ontario.

Without exception, each representative of our beloved Grand Master has had a busy active year as he went about his and other Districts under the proud blue banner of Grand Lodge, completing his duties and responsibilities so as to enable him to assess in his own mind the state of Masonry as he found it.

Each one has considered this opportunity to become directly involved in the workings of our grand jurisdiction and to labour tirelessly for the good of the craft, a unique privilege and has expressed his gratitude to those who elected him to that high office and to our Grand Master for confirming that election.

Your Committee would be remiss in its duty if, on behalf of us all, it did not extend to each District Deputy Grand Master our sincere gratitude and heartfelt thanks for a job so well done.

It is not uncommon, in an organization as vast as that of Freemasonry in Ontario to discover in some of the reports of the District Deputy Grand Masters, expressions of caution and concern for various facets of masonic life.

As ever, there is much concern, and in many cases, constructive and instructive criticism is made with respect to those matters which may tend to allow a casual attitude or a complacency to creep into our degree work to the specific detriment of candidates for our order.

Your Committee in its summary, points out that time spent in preparation of ritual work with other masons participating, is repaid three-fold.

Firstly, it gives to each brother who has undertaken some part of the work, a feeling of satisfaction on completion of a portion of the degree which has been well delivered. Excellence, we are told, comes from repeated efforts alone and without that labour of love, there can be no just reward.

Secondly, it necessarily involves a brother with his fellow man, all bent on achieving one great end to the enlightenment of a new candidate and the betterment of all. A chance to work together in close harmony and well being, to get to know a brother well and to share with him experiences we all find pleasurable.

Thirdly, and by no means last, it can have nothing but a good effect on our candidates. It demonstrates to them that masonry is not just words and phrases, movements and demonstration, but in fact is a viable example of the good, the just, the right, that our beloved fraternity has come to stand for all around the world. He listens intently to all he hears for its language delights him, its messages inspire him and he begins to learn and feel that he is part of a great brotherhood of man under the fatherhood of God.

There has been a marked increase in the opportunities available to every mason to broaden his masonic knowledge and experience by being exposed to, or participating in the numerous programs of masonic education that are offered. Your Committee acknowledges the debt that is owed to the many District Chairmen of Masonic Education committees under the capable direction of R.W. Bro. Wallace McLeod, Chairman of the Grand Lodge Committee on Masonic Education. All have promoted, organized and encouraged involvement in every brother mason in the workshops, lodges of instructions, short talks and visual presentations. There is a wealth of information so readily available through the Grand Lodge Library and aided by interesting speakers and "grass roots" masons who are directed by district committees on Masonic Education that the Worshipful Master of every lodge in this jurisdiction should, and most have, availed themselves and their lodges of wonderful opportunities to increase in masonic knowledge and at the same time, present tremendously interesting evenings of learning and good fellowship.

Some Masters have regularly included in the Lodge Summons a short article of masonic lore or historical facts so that every

brother need only read his lodge bulletin to learn new facts and understand masonic philosophy.

Waterloo District is to be congratulated in its one day seminar entitled "Involvement '78 - Getting More Out of Masonry" where the key note speaker was our own Grand Secretary, M.W. Bro. Jack Irvine.

The brethren in Toronto District 7 prepared and presented a dramatic presentation of a masonic trial. The great amount of work and organization required to carry this out was well worthwhile as many brethren saw a "real life" example of "Masonry on trial". The "trial" was presented to Hamilton District "B" as part of their masonic education effort and was very well received. Your Committee hopes that the "trial team" will continue their efforts in the coming year so that many others will have an opportunity to see this enlightening presentation.

Workshops and seminars have been presented in several districts for junior officers of the lodges. This affords prospective Masters an exciting opportunity to understand and respond to the responsibilities of office and acquire timely knowledge that will serve them well as they advance through the chairs of their lodge in the service of the Craft. Your Committee is of the opinion that after several years of tireless work, organization and persevering promotion, masonic education has become a regular item in each lodge's program.

In these times of rapidly accelerating costs and spiralling prices, all of us become acutely aware of "the shrinking dollar". Many lodges have heeded past advice and have increased their dues and initiation fees to try to keep pace with ever increasing expenses. Some lodges still maintain an outmoded dues structure and your Committee hopes that each lodge will, at least bi-annually, review their monetary situation and compare receipts with expenses to avoid a calamity which might be just around the corner. Many lodges have formed Finance Committees and have learned the value of a working Committee keeping on top of this painful subject. Care must be taken to manage lodge finances as carefully as one should manage one's own personal money situation and the concept of "two heads are better than one" has proven itself where the Finance Committee is an ongoing and working committee.

On the other hand, restraint and caution are advised that by increasing dues we do not work hardship on our older brethren who may be living on a fixed income against which are made in-

creasing demands. It is suggested that individual cases of extreme hardship which could result in a brother applying for a demit should be handled on an individual or specific basis by each lodge.

One of the District Deputy Grand Masters reports contained an interesting breakdown of receipts, expenditures profit or loss and outstanding dues on an amount per member.

One can readily compare costs and financing very easily when examined on this basis and numbers and dollars when correlated in this manner take on an even greater significance. Budgeting can be more easily envisioned when the lodge knows that outstanding dues and an excess of expenditures over receipts are costing each and every member a specific amount. Your Committee encourages this manner of reporting and suggests that if every Worshipful Master examined his own lodge's records in this way, he might well realize dramatically the need for any apparent revisions.

Some lodges are finding that inadequately financed life memberships have become a serious burden. Your Committee recommends great caution in establishing life memberships as this dues structure, if not properly amortized, will cause severe hardships for the brethren in future years.

Your Committee notes that the efforts of the blood donors committee in each district, under the most capable direction of R.W. Bro. Rod Connor, Chairman of the Grand Lodge Committee on blood donors, is continuing to keep this area of service ever before our membership on a continuing basis. Clinics, District Trophies, a tour of a Red Cross Bank and special events remind us all of our responsibility to our fellow man, where a little bit of our time and our life giving blood can mean the difference between life and death to a fellow human being.

One lodge has prepared an information card for each of its members, setting out details of name, address, telephone number, blood type and frequency of donation which can be kept on file as a ready reference for the lodge blood donor Chairman, who in turn, in times of emergency, can call on a brother to make a "special" donation to help ease a difficult situation.

Quite a few districts have formed Masonic Foundation committees whose task has been to keep this worthy cause before us on a regular basis. More will be brought forward by the Masonic Foundation special committee on H.E.L.P. at this communication which your Committee recommends to all.

Each year sees all of us grow one year older and for some lodges, this past masonic year has proved a milestone in their masonic life. Your Committee heartily congratulates those lodges who have weathered the storm and still sail on serenely, proud of their heritage and ever mindful of years of wonderful memories. Your Committee says "Happy Birthday" to King Hiram Lodge No. 37 on the occasion of its 175th Anniversary and to St. George's Lodge No. 42, St. Thomas Lodge No. 44, St. James Lodge No. 73 on their 125th Anniversary.

The following lodges were entitled to emblazen their regalia with the glitter of gold on attaining 100 years of service to the Craft. We congratulate:

River Park Lodge No. 356
 Waverley Lodge No. 361
 Dufferin Lodge No. 364
 St. George Lodge No. 367
 Salem Lodge No. 368
 Mimico Lodge No. 369

In this area of Grand Lodge recognition of service to masonry, all District Deputy Grand Masters report the great personal pleasure they derive as they present long service medals to those distinguished brethren who have served their Craft for 50 and 60 years. We all owe great respect for their accumulated wisdom and your Committee, on your behalf, publicly congratulates each and every brother who is now privileged to wear proudly a jewel to evidence his devotion to duty over half a century. One District Deputy Grand Master has made a personal practice of inviting those brethren whom Grand Lodge has so honoured, to sit with him in the East as a special mark of affection and respect.

We are all concerned with some indication that lodge attendance in some areas has declined, usually accompanied by declining membership and a reduction in candidates. There is no easy answer for this persistent problem. Each Master and his officers must make it their paramount duty to wage war on this insidious enemy. Lack of parking facilities, long flights of stairs, inclement weather, great distances, late meetings are some obvious answers but your Committee suggests that proper planning, interesting lodge programs, prompt and timely termination of meetings, prompt dispatch of the business portion of the meeting, involvement of more "side benchers" in the work of the evening, membership phone and transportation committees, increased lodge and district visitations, informative materials to stimulate in-

terest, easily read and imaginative lodge notices, attention to the delivery of good ritual and just plain good hard work by the officers can sometimes work wonders and reduce or overcome complacency in those brethren who need encouragement to come to lodge.

Again, your Committee recommends that each lodge examine carefully its inventory of young masons who may be potential officer material. Giving a new mason duties and responsibilities that he is easily able to cope with, assisted by personal guidance and encouragement from more experienced brethren can sometimes uncover hidden talent that will serve the lodge well in the future. We must continually look to our younger members for it is from their ranks that the masonic leaders of tomorrow will come.

In every district in our grand jurisdiction, wherever our beloved Grand Master has been received by his brethren, the District Deputy Grand Masters report enthusiastically that those occasions have been the highlight of the year. As he travels far and wide in Ontario and to other parts of our great country and to lands beyond our borders, he inspires all with his good humour, his charm, his vitality and his inspirational messages wherein he points out the great advantages that we each have by adhering to the principles and tenets of our great fraternity and makes us all so proud that he is our Grand Master for all the world to see. May the Most High guide and aid him as he discharges in such a splendid fashion, the great responsibilities that are his.

In closing this report, your Committee expresses its gratitude and congratulates all who have worked so tirelessly for the advancement of our cause in this past masonic year, the District Deputy Grand Masters, the District Secretaries, the District Chaplains, and District Committees of Benevolence, Blood Donors and Masonic Education and the many other unsung heroes without whose encouragement, personal effort and sacrifice and great dedication, masonry and this Grand Lodge would not have prospered.

Your Committee finds in the examination of the accumulative reports of all District Deputy Grand Masters that the Condition of Masonry in this grand jurisdiction is sound, stable and a continuing influence on the lives of men from all walks of life. There have been problems and uncertainties, disappointments and times of adversity, but the united efforts of all who stand "Four Square" "has overcome all difficulties, raised ignorance from despair and established happiness in the paths of science".

Your Committee expresses its appreciation to our Grand Secretary for his great help, assistance and many courtesies extended to your Committee during the past year.

All of which is respectfully and fraternally submitted on behalf of the Committee.

NORMAN E. BYRNE,
Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. W. L. Wright, seconded by M.W. Bro. B. B. Foster, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M., of Canada, in the Province of Ontario.

Brethren:

The Report of the Committee on the Grand Master's address is to give recognition to the highlights of his presentation and to ask for the approval of Grand Lodge in the recommendations and decisions of the Grand Master. The approval of Grand Lodge is expressed by the adoption of the report of this committee.

First, we commend the Grand Master for acknowledging the presence and blessing of the Most High as he, the Grand Master, has sought Divine Guidance in the discharge of his duties. His words possess sincere conviction. They ring true. From the introduction to the conclusion of the address, the qualities of humility and dependence on the Grace of God are predominant.

In welcoming the members of Grand Lodge to the 123rd Annual Communication he is cognizant of breaks in our ranks through death. The sincerity of the Grand Master's tribute to those mentioned by name applies to all our brethren who have been called to higher service.

Your committee approves the Grand Master's recommendation that Past Rank be granted to those Masters of Lodges, who for reasons beyond their control, were unable to serve as Masters for a full year. We also approve the appointment of Most Wor. Bro. J. N. Allan as Grand Treasurer, who succeeds Most Wor.

Bro. M. C. Hooper, a distinguished Mason who was held in high esteem by all members of the Craft. Most Wor. Bro. Allan brings to the office of Grand Treasurer maturity of skill and experience.

We share with the Grand Master his congratulations of the new Masonic Temple of St. John's Lodge No. 17, Cobourg and convey to the Worshipful Master, Officers and members warmest fraternal felicitations.

The committee strongly commends the Grand Master in his reference to Masonic Divine Services. The witness of large numbers of the brethren at Divine Services acknowledging the Sovereignty of God in corporate worship is fundamental to true masonic belief and practice.

The list of special events, Lodge Centennials, District Receptions and Visitations to other Grand Lodges and Masonic Bodies in the Grand Master's year of office, is formidable. It is impossible to comment on all these undertakings but your committee shares with the Grand Master the joy and honour which was his as he visited the Oshawa Scottish Rite Club and shared the fellowship of Her Majesty's loyal representative The Hon. Pauline McGibbon, Lieutenant-Governor of Ontario.

This Grand Lodge joins the Grand Master in his rightful pride in being welcomed by over 400 Masons at the reception given by his Mother Lodge, St. Alban's No. 200. The satisfaction in presenting Most Wor. Bro. J. A. Irvine our genial Grand Secretary to the Conference of Grand Masters of North America in Washington on the occasion of the election of Most Wor. Bro. Irvine as President of the Conference of Grand Secretaries of North America, evokes the warmest congratulations of this entire Jurisdiction to one of our most dedicated and outstanding Masons.

Your committee heartily endorses the sentiments of the Grand Master as recognition of 100 years of active service by five lodges is listed. We join him in his tribute to those faithful brethren who have served as masons for 70 years; as Past Masters for 60 years; and last but not least to Most Wor. Bro. E. G. Dixon and Rt. Wor. Bro. Dr. J. R. MacPherson as they celebrate their 50th Anniversaries as P.D.D.G.Ms.

The committee on the Grand Master's address desires to acknowledge the tribute paid by him to Past Grand Masters; District Deputy Grand Masters; the Grand Lodge Officers and the members of the Board of General Purposes. We encourage all

brethren to read the Grand Master's address carefully and take note of those personalities who are giving outstanding leadership to Freemasonry.

Your committee supports the Grand Master in his recommendation that as of July 20th, 1978, concurrent jurisdiction be established in all districts "to apply across the length and breadth of the individual district and shall be reviewed after a two-year period".

The special attention of the brethren is invited to the perusal of the following sections:

- (a) The Masonic Foundation of Ontario.
- (b) The 125th Anniversary Celebration.
- (c) Operation Lifeline.
- (d) Revision of the Constitution.
- (e) The formation of a Long Range Planning Committee.

The revision of the Constitution has been of herculean proportions. The Chairman, Most Wor. Bro. W. K. Bailey and his committee have given a tremendous amount of time and research to this venture. Your committee agrees wholeheartedly with the Grand Master as he reminds us of the strategic task being undertaken by Most Wor. Bro. Bailey; R.W. Bro. Charles Emmett, Chairman of the 125th Anniversary Committee; the brethren of the seven Toronto Districts in raising over \$50,000.00 for Operation Lifeline; and to R.W. Bro. N. R. Richards the Deputy Grand Master who with others, will consider future guide lines for the welfare of the Craft.

Our Grand Master has exercised justice and prudence in the suspension of a masonic brother mentioned in his address. Your committee fully approves of the Grand Master's action and recommends that it be confirmed by Grand Lodge.

We recommend that Grand Lodge confirm all that the Grand Master has reported in his address, of his work during the past year. We congratulate him most sincerely and most heartily on the contribution he has made within our Grand Jurisdiction and outside its borders. The statesmanlike qualities evinced in the character and pronouncements of the Head of the Craft have called forth a jubilant loyalty to the Grand Master and to the Fraternity which he has so skillfully guided in his first year of office.

All honour to him. May the Most High continue to grant wisdom and strength to our beloved leader during the coming year.

With fraternal affection this report is submitted for adoption by Grand Lodge.

WILLIAM L. WRIGHT.
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. M. J. Damp, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Damp, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present this the 46th report on behalf of the Library Committee to the 123rd Annual Communication of Grand Lodge.

Your Committee was composed of M.W. Bro. W. K. Bailey, R. W. Bros. J. J. Talman, C. D. MacKenzie, S. A. Browell, P. A. Jordan, F. J. Bruce, A. W. Hawley, A. W. Slade, A. J. Anderson, W. D. Henderson and C. W. Emmett, all of whom have been most dedicated and rendered invaluable service in the matter of promotion.

In our humble opinion, the Grand Lodge Library has served another year of genuine benefit and usefulness to Craft Masonry and we hasten to attribute any success it may have achieved to the resourcefulness and untiring efforts of a host of dedicated brethren. First and foremost we would recognize our gracious and beloved Librarian, Bro. William J. McKee of Runnymede Lodge, No. 619, who has served us well these past eleven years. Those who avail themselves of the facilities will attest to his skill, his humanity, his kindness and forbearance.

We owe an immense debt of gratitude to V.W. Bro. John Petherick and Bro. J. A. Peddie who have made it possible for the

Library to be available to the brethren on Wednesdays and Fridays during the noon-hour. It is with regret that we record the passing of our dear friend, V.W. Bro. Charles S. Gulston in his tenth year as an assistant librarian. He will be sadly missed by so many of us who looked upon him as our chosen critic and mentor and fortunate to be nurtured under his wealth of Masonic knowledge for our very existence in Freemasonry.

For the twelve month period ended May 1, 1978, 270 visitors signed the register; 82 out-of-town brethren were mailed 116 books and 148 brethren from the Metropolitan area borrowed 220 books, making a grand total of 336 books in circulation, all of which compares favourably with past years. The recorded lectures and slide presentations were loaned on 35 occasions.

From September 1977 to June last, the Library was open 118 evenings excluding the regular nights when the Librarian was in attendance, for the convenience of the brethren. This was made possible through the generosity of some twenty-two brethren who assumed the duties of assistant volunteer librarians. It is with much pride that we list them by name and lodge herewith: Lorne Alter (Mount Sinai, No. 522); Gordon Baker (Mizpah, No. 572); Clifford Baxter (Dentonia, No. 651); Charles Bishop (Coronation, No. 677); George Blackie (Simcoe, No. 644); Brian Bond (Dentonia, No. 651); William Carter (Dentonia, No. 651); Ivan Collymore (Robertson, No. 292); Clifford Gazley (Universe, No. 705); Mike Hetherington (Acacia, No. 430); Coulson Malloy (Vaughan, No. 54); Robert McIlroy (Riverdale, No. 494); Ken MacLachlan (Transportation, No. 583); Brian McWhirter (Doric, No. 316); David Nicholls (Canada, No. 532); Peter Taylor (Shamrock No. 533); Paul Thomas (Mount Dennis, No. 599); Adriaan van't Hof (Astra, No. 682); Cal Waters (Maple Leaf, No. 600); Charles White (Melita, No. 605); Bruce Findlay (Universe, No. 705); and William Sawchuk (Orient, No. 339).

This group represents a cross-section of all ranks in Masonry and are deserving of our best thanks for a job well done under trying circumstances at times. Of course a special mention of Bro. Clifford Gazley must be made for it was he who arranged each monthly schedule and without his assistance your chairman would have floundered hopelessly.

This arrangement was inaugurated in 1975 and if the number of brethren taking advantage of it is any criteria, one has reason to

question the necessity of continuing the plan further. We share the disappointment of our assistant librarians who, at times, sit out the night without seeing a single visitor.

Despite every effort to publicize the Library, few Masons seem to know of its existence at 888 Yonge Street, Toronto, or that one can receive a catalogue for the asking and borrow and return books postage free.

One wonders at the minimal use of these facilities. Is it because we are among those who honestly believe that our time is too important, that we are too occupied with affairs to spend much time with our treasury of books? A goodly number of these books may be termed as classics, a description that distinguishes them as having worn best, yet little do we realize that reading them may be the most important thing we could do in life; upon it may depend the continued success of our undertakings, upon it certainly rests our mental well-being.

Likewise, good books broaden our horizon, fill our minds, enable us to continue growing in knowledge and wisdom. What the great writers recorded centuries ago may be the very thing to help us find serenity today.

Reading has been said to be one of the most effective means of getting away from the disturbing and unalterable circumstances. Intimate association with noble works, be they literary, artistic, philosophic, is a promoter of thought, a refuge from almost all the miseries of life.

We are pleased to report the promotional efforts of four districts that have come to our attention recently. R.W. Bro. F. J. Bruce, Toronto District 3 and his committee provided each member in the district with a membership card entitling him to full privileges in the Grand Lodge Library, together with a catalogue listing selected books of interest and the audio-visual material available. A subsequent mailing suggested several good books worth reading and to have in one's own library and where they can be purchased. On April 19th last Bro. Bruce's committee held an education night in the library with an excellent attendance.

R.W. Bro. Sydney A. Browell, Toronto District 1, undertook to explore the feasibility of establishing small libraries in temples in the district in order that suitable material would be more readily available to the brethren.

The Chatham District Newsletter under the editorship of R. W. Bro. Edsel Steen has been a continuing supporter and promoter of the Grand Lodge Library.

Simpson Lodge, No. 157, Newboro was grateful to receive some twelve volumes of Masonic books through the good graces of R.W. Bro. Howard O. Polk which augmented their small library.

It is encouraging to note the practice of lodges to visit the library en masse for an educational evening and mention is made of Mount Sinai Lodge, No. 522 in particular. We can only hope the idea takes wings.

In September, 1976, an Audio-Visual Sub-Committee was formed under the chairmanship of R.W. Bro. Charles W. Emmett. Its purpose was to assemble a "Carousel of Masonry in Ontario" comprised of two parts, (a) Masonry in Ontario and (b) Masonry at Work. The initial venture was to obtain a 35MM slide of every Masonic Temple in the jurisdiction and each District Deputy Grand Master was requested to arrange to furnish the slides pertaining to his district.

The committee very much regrets having to report that as of going to press, only ten districts had completed their assignment despite repeated correspondence with the then D.D.G.M.s and their two successors.

One senses that R.W. Bro. Emmett is somewhat disappointed with the result to date since it precludes all chances of a preview presentation at this Communication. However, we are assured of his perseverance to see the project completed.

Most Worshipful Sir, may the committee conclude this report on a note of thanks for our past opportunities and a hope for further desire of service to this Grand Lodge. We would derive a measure of satisfaction if in the coming year there were many who, perhaps, have not been our patrons in the past but who may be curious enough to sample our resources in the near future.

"Happy is the man that findeth wisdom, and the man that getteth understanding. For the merchandise of it is better than the merchandise of silver and the gain thereof than fine gold."

Proverbs 3:13-14

All of which is respectfully and fraternally submitted on behalf of the committee.

M. J. DAMP,
Chairman.

REPORT OF THE COMMITTEE ON THE 125th ANNIVERSARY

This report was presented by R.W. Bro. C. W. Emmett, and on motion of the Deputy Grand Master, seconded by R. W. Bro. Emmett, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir, and Brethren:

In presenting this, our first full report, we are pleased to advise that, in consultation with R.W. Bro. Richards, the Deputy Grand Master, M.W. Bro. J. A. Irvine, Grand Secretary, M.W. Bro. W. K. Bailey, President of the Masonic Foundation, and R.W. Bro. Wallace McLeod, the following plans and projects have been approved as points that will specifically identify our 125th Anniversary Program.

1. The Theme for our Anniversary Celebration will be:

"Every Member Participation"

To this end, immediately following this Communication, each member of the Board of General Purposes will be contacted and requested to act on the Committee on Public Relations. Each Member, with the exception of those who are Chairmen of large Committees, will be designated a specific responsibility.

2. It is our plan to promote, through the members of the Board of General Purposes, a Program of Suggestions for the Masters & Wardens of the several Lodges, utilizing the Masters & Wardens Associations, to emphasize the importance of special Anniversary projects.

A few examples of the suggestions are as follows:

The forming of new Lodges.

To institute special programs in each Lodge for the purpose of visiting each demitted and suspended member, with a view to renewing their interest and standing in the Lodge.

To place special emphasis on the Benevolent work of each Lodge.

To plan a special evening for the widows of deceased members.

3. It is the thinking of this Committee that immediately following the annual Communication of Grand Lodge in 1979 the Anniversary Program will commence. To this end the various Lodges and Districts will be encouraged to schedule their special projects to start during the latter part of 1979 and the first part of 1980.

4. Arrangements have been made for the holding of a Divine Service Sunday afternoon, July 20, 1979 at 3:00 p.m. at the Bandshell on the grounds of the Canadian National Exhibition. Accommodation will be provided for the Brethren and their families for approximately 10,000.

5. Traditional Grand Master's Banquet:

Negotiations are under way for the accommodating of approximately 3,000 Brethren for this important occasion.

This Banquet and all meetings, with the exception of the Divine Service, will be held in the Royal York Hotel.

6. Grand Lodge has approved and authorized the creation of a Banner bearing the name and crest of the Grand Lodge of Canada, in the Province of Ontario. It is proposed this Banner will be ready and officially presented to Grand Lodge for the opening of our 125th Communication. It is expected that this Banner will be present on all similar and important occasions of Grand Lodge.

7. Grand Lodge has also approved, as part of the Anniversary Celebration, a Program of raising a Capital Fund of \$350,000.00, the interest only to be used to expand and diversify the work of the Foundation.

The first project under consideration will be one referred to as H. E. L. P. (Hearing for Every Living Person).

The raising of the \$350,000.00 will be in the hands of a special Committee set up under the direction of the Foundation Committee.

8. Grand Lodge has also taken steps to have a new book published covering Masonry in Ontario during the past 200 years. This important responsibility is in the hands of R.W. Bro. Wallace McLeod.

All of which is respectfully and fraternally submitted.

CHARLES W. EMMETT,
Chairman.

REPORT ON THE REVISION OF THE CONSTITUTION

This report was presented by M.W. Bro. W. K. Bailey, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Bailey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee charged with the preparation and presentation of a reorganized and revised Constitution to the 1978 annual meeting of Grand Lodge begs leave to report that we have been unable to complete the prescribed task in the allotted time. We would request permission to continue with the assignment during the forthcoming year.

We desire to express appreciation to the 320 lodges which responded to our invitation to submit constructive suggestions and comments to the draft which was circulated last September. Two hundred lodges expressed agreement with the draft Constitution. From the remainder there were many useful observations which we have been able to incorporate into the reorganized and revised Constitution. Valuable suggestions have been received from the Committees on Benevolence and Grievances and Appeals.

The following recommendations are respectfully submitted to Grand Lodge for approval:

1. That a redraft of the Constitution be prepared and presented to the lodges and members of the Board of General Purposes on or before the 1st day of October, 1978;

2. That the lodges and members of the Board of General Purposes be requested to study the redraft and to submit, if they so desire, comments in writing to the Grand Secretary on or before the 1st day of February, 1979; and
3. That the Committee review submissions received, redraft where necessary, and submit to the Grand Secretary on or before the 1st day of April, 1979, a notice of motion to rescind the 1978 Constitution and to adopt the Constitution as revised and redrafted.

It would naturally follow that redraft as per notice of motion would be circulated to the lodges and members of the Board of General Purposes about mid April.

Respectfully submitted,

J. V. LAWER, Q.C.
H. A. LEAL, Q.C.
A. F. RODGER, Q.C.
G. T. ROGERS, Q.C.
W. K. BAILEY, Chairman.

**REPORT OF THE ADVISORY COMMITTEE
ON LODGE BUILDINGS**

This report was presented by R.W. Bro. E. C. Horwood, Chairman; on motion of the Deputy Grand Master, seconded by R.W. Bro. Horwood, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In recalling the work during the past twelve months of your Advisory Committee, it finds that great majority of inquiries which it receives, request information, guidance and approval of proposed projects. In many there appears to be a paucity not only of understanding the *raison d'être* of this Committee but also of

the Regulations approved by Grand Lodge. This means that many of the projects submitted for approval do not conform with these Regulations and have to be revised and re-submitted. The result is much needless work for the Lodge and the Advisory Committee.

There are several reasons why some Lodges experience disappointments; for example - existing buildings have been bought without the approval of the Advisory Committee, which requires complete information regarding details of construction particularly of the stair enclosures. Moreover, drawings have been prepared by those who were unaware of Grand Lodge Regulations. Again, we have received some strange letters from District Deputy Grand Masters, such as one who wrote that he thought and felt confident that the Advisory Committee could bend Grand Lodge Regulations, while another suggested that, rather than have a delegation come to Hamilton to discuss the Lodge's project with the Advisory Committee, the Grand Secretary should go to the Lodge and the Brethren would discuss the project with him. Furthermore, in some cases it would appear that information has been deliberately withheld from the Committee. However, in due course, these infractions come to light, and, when this Committee insists on these omissions and deficiencies being rectified, great is the disappointment of the Brethren of the Lodge.

Your Advisory Committee regrets that it has to inform the Brethren of Grand Lodge that it has had, during the past year, and, in fact, is still having unfortunate experiences with two Lodges because there were some Brethren who felt that the Regulations of Grand Lodge could be disregarded with impunity. The Advisory Committee regrets, exceedingly, the steps that had to be taken and it will have to take, when Lodges feel they do not have to conform with Grand Lodge Regulations. The Committee wants it clearly understood that it derives no pleasure whatsoever when it has to adopt certain measures and procedures to ensure conformity with Grand Lodge Regulations.

Shortly after this Committee's last year's Report was filed in Hamilton with the Grand Secretary, he received from R.W. Bro. Wm. R. Pellow, District Deputy Grand Master for London East, not only the customary, but also, a separate report, entitled Fire Prevention and Safety in each Temple in his District. The Right Worshipful Brother made a sketch of each Temple, together with a detailed report on the Lodge Room, the Ante Room, Banquet Room and the other ancillary rooms, pointing out the various deficiencies and how they should be rectified. Your Committee

would be most pleased if all the D.D.G.M.s would make a similar report, in triplicate, for each Temple in his District. One copy he should, of course, retain for his own files, the second copy should be sent to the Grand Secretary, and the third copy should be given to his successor, who should be required to check each Lodge building to ascertain whether the deficiencies had been rectified. This Committee recommends to Grand Lodge that this procedure be approved and adopted by Grand Lodge.

In reference to the danger from fire, we read in the daily press last fall of a fire in Kentucky which took a toll of over 160 lives. The cause of the fire was due to careless wiring and overcrowding, and, again, the press referred to the Coconut Grove fire in Boston in November 1942 where there were 491 fatalities. In the August 1977 issue of the New Mexico Freemason there was an article entitled "FIRE" which read in part, and I quote:

"We seem to be somewhat complacent until tragedy strikes and we are shocked from our lethargy. Recently an interested group of Albuquerque Masons offered their services to local lodges in checking storage closets or lockers, fire extinguishers, hoses, etc. as a fire prevention effort; encouraged by the City Fire Department, these Brethren are available for suggestions or to do the actual work of cleaning out possible fire hazard areas in Lodge Buildings. The Grand Master approved this effort and urged all Lodges to select a committee to thoroughly check their building."

— end of quote —

Shortly after receiving the above extract on fire, I was surprised, when talking to a Past District Secretary, to learn that he never attended the Banquet Hour in a Temple he frequented. His reason was that, if there ever were a flash fire in the kitchen, which was located at the bottom of the stair enclosure, the Brethren could not get out of the Banquet Hall without pushing some tables over to the exterior wall, climbing upon the tables and breaking the window sash to get to the outside to escape. The Brother went on to say not only that he thought that the Temple was built in the fifties, before the Advisory Committee was established, but also the local Building Inspector had approved the plans at the time the Temple was built.

Last September, I was attending a meeting in the Scottish Rite Cathedral in Hamilton, at which there were about 400 Masons present, including our Grand Master and three of our Past

Grand Masters. Some time after the meeting started, suddenly burning embers began falling from a spot light in close proximity to the proscenium arch spanning the high ceiling. Although the agenda of that meeting was nearly completed, it was decided to evacuate the building and call the Fire Department. Fortunately there was a local Fire Department Station about 150 yards away. The fire fighters went into the roof space, found the cause of the trouble and extinguished the fire. The cause was due to additional insulation being installed without providing means for the heat generated by the fixture to escape unimpeded into the roof space above the insulation.

In this penultimate paragraph, your Committee is pleased to report it has received requests from another eleven Lodges for information and assistance; that six delegates came to Hamilton to discuss the various aspects of their own particular problems and that three more Temples have been occupied and dedicated.

Finally, it has again been another most rewarding experience for me to have had, as formerly, the ready and willing assistance of the other two members of the Committee, namely, M.W. Bro. J. A. Irvine, Grand Secretary, and M.W. Bro. Ewart G. Dixon, Q.C., Grand Secretary Emeritus.

All of which is respectfully and fraternally submitted.

E. C. HORWOOD,
Chairman, Advisory Committee
on Lodge Buildings.

REPORT OF THE BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received and adopted.

To the Most Worshipful the Grand Master, Officers, and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

"Operation Lifeline", a phrase we have heard since 1976, is now a reality. This ambitious venture, the inspiration of W. Bro.

Paul Curry, has been solidly backed by the Masons of the Seven Toronto Districts and is now a visible entity.

Originally, this was to be a mobile centre used as a collecting point for areas where it was impractical to set up a clinic, but, at the request of the Canadian Red Cross, this concept has been changed slightly. Because only blood collected at the main depot in Toronto could be converted into much needed components, "Operation Lifeline" was asked if this unit could be made into a mobile laboratory, so that blood acquired in remote locations could be immediately processed into components. This is a whole new idea and one which has a very high practical value.

The committee and the Grand Master agreed that this change would be acceptable as it would be a way to extend the lifeline of Canadians.

From all of us - congratulations "Operation Lifeline" - on a fine job, speedily and effectively done.

The work of your Blood Donor's Committee is in many hands - the District Deputy Grand Masters for selecting diligent Masons as their representatives on our Committee; the District Blood Donor Chairmen for being the strong voice of our cause throughout all their district; and the lodge chairmen for being the record keepers and the constant reminder to the membership.

We do not know the lodge chairmen who have long service, but we are well aware of the veterans serving as district chairmen. The senior member is still R.W. Bro. Chas. Heels of Victoria District with 17 years of dedication behind him. Following close behind are R.W. Bro. Cal Krauter, North Huron District with 15 years, R.W. Bro. Wm. J. C. Noble, Sudbury - Manitoulin District - 14 years, W. Bros. Claude Osborn and Howard Daines, Toronto 4 District - 7 years, and Bro. Brian Stapley, Toronto 5 District with 6 years. In all, 18 district Chairmen are repeating in office and we thank and congratulate them and the 25 who have now completed their first year in this service to their district and to this Committee.

To show their efforts, here are their totals with last year's results for comparison:

Windsor	416	401

Highlights from these figures are; highest number of donations - 538 by Niagara B District - W. Bro. Wm. Bolton; the greatest increase 281 donations, which also produced the greatest percentage increase - 135% by Toronto District 3 - W. Bro. Joseph Bonney. A superb effort by both these brethren.

From the district chairmen's reports, it would appear that we should be establishing a "Century Club". Bro. Tom Bailey of Keystone Lodge No. 412 has now made 118 blood donations, W. Bro. Draper Martineau, Algoma Lodge No. 469 and W. Bro. Bob Cameron, Cobden Lodge No. 459 both with 108 donations, and a member of Composite Lodge No. 30 shown only as more than 100. This, my brethren, is dedication to the Blood Donor cause and on your behalf we say to them a very special "thank you".

Again this year, joint clinics were held with excellent results. The Seven Toronto Districts had their day-long clinic with continuous entertainment donated by many brethren; Kingston and Fort Erie amalgamated with the Knights of Columbus to maintain a high level of support in both these cities; the Sault Ste. Marie Masons again won the city-wide trophy and as they have won it so consistently they have been given permanent possession of it; and in Toronto District 4 the Masters of 1968 conduct a very successful annual clinic. These are programs which show what can be done with a bit of extra effort, sometimes going outside of your own area to find the catalyst to make it work.

Several previous district Blood Donor chairmen were honoured at the last communication of Grand Lodge. R.W. Bros. Gordon Rabb of Bruce District, James Steele of London West District and James Napier of Windsor District are now completing a successful year as D.D.G.M.s. V.W. Bro. Elgin Workman, Grey District is the Grand Pursuivant and V.W. Bros. Laurie Brandridge, Georgian District and Keith Poss, Brant District, are Grand Stewards. We applaud their preferment and know that their Masonic leadership has lead to this recognition.

This year a great number of the chairmen restated the thought that there are many, many, more Blood Donors than are presently being reported and expressed the hope that those members who haven't reported will have a change of heart and will let us know of their involvement. Too long have we played down our activities. We ARE involved in our communities and one way of indicating our participation is to tell how we share in the Blood Donor program.

On behalf of your district Blood Donor chairmen I say - "Keep Giving", talk it up with your friends and your new members to get them to develop the habit of donating and REPORT so that we can not only show our continued concern but be an increasing testimony to the needs of others.

Share a pint with a friend - be a Blood Donor.

Respectfully and fraternally submitted.

ROD J. CONNOR,
Chairman

REPORT ON THE COMMITTEE ON BENEVOLENCE

R.W. Bro. C. D. MacKenzie presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes through the Committee on Benevolence, reports to you as follows:

The Committee is composed of the Most Worshipful the Grand Master, Robert E. Davies, R.W. Bro. N. R. Richards, the Deputy Grand Master, and R.W. Bros. H. C. Steele, C. A. Sankey, W. L. Pacey, W. J. Curtis, C. W. Emmett, R. T. Runciman, A. E. Bradley, G. W. Buckler, J. D. Dyer and V. Wor. Bro. A. W. Watson. The undersigned and presenter of this report has the privilege of acting as Chairman and extend my thanks to them for their participation in our activities.

The Committee on Benevolence is charged with the responsibility of reviewing applications for assistance from lodges on behalf of their members or relatives of deceased members. In general, these applications fall into two categories, those requiring immediate action and those that may be deferred for action by the Committee at its meeting in June.

Our constitution provides that in case of emergency the chairman is authorized, with the approval of the President of the Board of General Purposes, to make such grants as may be necessary to relieve the situation outlined in the application. During the year just completed there were 8 of these applications for which interim grants in the total amount of \$4,271.69 was made. These, in accordance with the Rules of Benevolence were approved by the Committee at our meeting in Hamilton.

One of these applications is particularly interesting from two points of view. A lodge in Toronto, as a special project, undertook the task of contacting the widows of their deceased members to determine if any assistance or advice could make their lot in life a little easier. This was a very active undertaking by this lodge and one that has given much pleasure to the Brethren taking part. As evidence of the thoroughness of their work the widow of one of their members who had died in 1927 - fifty years ago - was discovered. Her situation was such that both advice and assistance was needed. The lodge provided both and then forwarded an application to your Committee and through an interim grant we were able to help. We commend this lodge for their interest in Benevolence and are grateful for the opportunity of helping them achieve their objectives.

Your Committee met on June 9th and 10th to approve these interim grants and to review the other applications received. This meeting is held in the Grand Lodge office in Hamilton and with the exception of the Grand Master, who was representing our Grand Lodge in another jurisdiction, every member of the Committee was present to take part in our discussions.

The first order of business is the receiving of the Report of the Supervisor of Benevolence Rt. Wor. Bro. James C. Guy. His concern for the work of Benevolence in our Grand Jurisdiction, the completeness of detail, the thorough knowledge of virtually every application and the warm human desire to help those in distress which touches everything Brother Guy does was reflected in this report. Last year your Chairman stated that we were fortunate to have Brother Guy as our Supervisor of Benevolence. The year just past has cemented that opinion. The Committee has asked me to express to him our appreciation for his work and report to you our total satisfaction with his efforts. I am happy to do both.

A total of 87 applications were reviewed. Once again, as happens every year a large number of these were not complete or

lacked sufficient information for your Committee to determine what assistance is needed.

We echo the plea of every Committee since the inception of our Grand Lodge that each lodge take care to see that an application is fully completed. When this is not done the only person hurt is the applicant - the very one we are all trying to help. Those applications not completed have been returned for amendment and will be reviewed at the Communication in July.

During the year ended April 30th, 97 grants together with the 8 interim grants were made for a total amount of \$59,306.69. We estimate that in the coming year \$62,000.00 will be required for Benevolent purposes and request that this sum be made available for that purpose.

A number of matters other than the perusal of applications demanded attention this year.

The first of these was a review and revision of the Rules of Benevolence for inclusion in the revised Constitution. These rules have not been changed for a great many years and certain small procedural differences exist between what we actually do and what is outlined in the rules presently in use. The Committee met in January of this year and examined these rules thoroughly. They have been revised to reflect accurately the manner in which grants are distributed, the authority required for the various classes of grants and the scope of our activities. These will be presented to you for your review by the Committee on Revision of the Constitution in their draft copy in the fall of this year. We have worked closely with this committee on these rules and commend them for their interest and assistance.

The Committee also reviewed the policy of the appointment of District Chairman of Benevolence and recommended that the practice be continued. This system was introduced a number of years ago by Most Wor. Bro. Nancekivell when he was Chairman of this Committee. The intent was and is to have in each district a Chairman of Benevolence whose responsibility is to assist the lodges in his district to properly complete applications for Benevolence and to encourage Benevolent activities in the lodges and on a district basis.

The assistance provided by these Brethren is invaluable and cannot be overestimated. We would like to express to them our deep appreciation for their help.

The Committee has one major concern in this regard. Each year we ask that those Brethren who have served well as District Chairmen and are willing to continue to serve be re-appointed by the incoming District Deputy Grand Master. Too often this request is overlooked and we repeat and emphasize it this year. The Brother who acts in this office needs to understand Benevolence and experience is definitely the best teacher he can have.

The Committee also recommends that the Supervisor of Benevolence continue the practice of holding regional meetings with the district chairman, lodge chairman and senior lodge officers. These have been held for several years and have proven successful in encouraging the establishment of Benevolent programmes in our lodges and districts. Much remains to be done in this regard and these meetings provide one of the best methods of establishing and encouraging programmes of this nature.

From these meetings a number of recommendations have been forwarded to the Committee. Among these, two are pre-eminent. The first concerns the application forms we use. The people who use them are not happy with them and we agree with much of what they say. The Committee recommends that they be changed to reflect these views and your approval of this report will direct the Committee to prepare new forms for approval by the Board of General Purposes.

The second major point is a request that the Committee prepare a manual that will outline the procedures used in preparing application forms together with simple recommendations for methods of establishing lodge and district Benevolent Programmes. We concur with this request and recommend that the incoming Committee prepare and distribute a manual of this nature.

While on the subject of district and lodge programmes may I report that this year, at my request, the District Deputy Grand Master of Toronto District Three, Rt. Wor. Bro. Frank Bruce, granted permission to Wor. Bro. David Gold, the District Chairman of Benevolence in his district, to operate a pilot project in the development of district and lodge Benevolent Programmes. Brother Gold is an active, energetic mason and worked long and hard on this task. Detailed plans were worked out and presented to the district at a meeting last fall. There were, one must report, mixed reactions to such a venture. There were those who feel that all Masonic Benevolent activities should be sub rosa in nature and that any attempt to organize, to seek out those needing help, or to

indicate what has been done for others destroys the very soul of Masonic Benevolence. On the other hand, some feel that absolute organization, publicity and constant surveillance of our members needs is essential for a successful result. One can make valid arguments for both points of view but I believe that somewhere between the two lies the proper perspective. No one is interested in embarrassing anyone in need nor do we believe that anyone wishes to leave to happenstance the relief of someone needing assistance. The intent of this project was to bring to the minds of our Brethren the need for Masonic Benevolence in its true sense of concern for the welfare of our Brethren in both a personal and practical way. We hope the district continues the project and grows with it. We have learned much from it and will apply the lessons learned to future plans. In the interim may I thank Rt. Wor. Bro. Bruce for his support of the concept, the district for their participation and discussion and particularly Wor. Bro. Gold for his energy and concern.

Our appreciation is once again extended to the local Boards of Relief in our Jurisdiction. These have always been active groups and are of great help to us in the administration of grants. We acknowledge their assistance and are grateful for it.

We also recommend the renewal of our membership in the Masonic Relief Association of the United States and Canada. This organization is represented in all areas of the continent and is always willing to assist us in any way they can.

During the meeting in Hamilton we are always the guests of the Hamilton Past Masters Association for a Friday night coffee break. This is a happy tradition and one we all look forward to. Our appreciation is evident in our enjoyment of this occasion.

May I close by saying a word on behalf of the entire Committee. Each member regards his role on the Committee as a privilege and a responsibility that is not to be taken lightly. We are grateful to you for the confidence placed in us and trust that our direction of your Benevolent activities this year has met with your approval.

Respectfully and fraternally submitted,

COLIN D. MACKENZIE,
Chairman.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by V.W. Bro. J. W. Millar, Chairman, on motion of the Deputy Grand Master, seconded by V.W. Bro. Millar, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has now reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:—

(a) the financial position of this Grand Lodge as of April 30, 1978 and the results of its fiscal operations on a cash basis for the twelve month period ended on that date.

(b) details of all Receipts and Disbursements in respect to the General Fund, The Commutation Fund, the Memorial Fund, and the Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.

(c) the Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1978.

The following observations respecting certain matters covered by these reports, and or, relative to its financial affairs, are presented for your consideration.

(1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amounts to \$2,012,849.28. This net balance includes total investments at cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$70,692.59 over figures a year ago.

(2) Following traditional policy, Grand Lodge Funds are invested in Trustee Securities with the exception of \$160,000.00 Series "A" and \$40,000.00 Series "B" debentures of Masonic Holdings which are payable on demand after June 1, 1978. These were acquired under specific authority of this Grand Lodge in 1959. So far \$192,000.00 of these debentures have been redeemed, including \$10,000.00 redeemed on April 30th, 1978.

All securities, with few exceptions, are fully registered as to capital and interest, and are currently held in the custody of the Canadian Imperial Bank of Commerce, Hamilton, Ontario, whose certificate of confirmation is referred to in the Auditor's Report.

(3) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$326,826.45 while disbursements totalled \$281,171.03 leaving excess of income over expenditures of \$45,655.42.

(4) Grants for benevolent purposes, less those refunded and cancelled amounted to \$58,256.69 a decrease of \$1,872.01 from a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year amounted to \$18,000.00. The anticipated amount for the coming year is \$21,500.00. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize in accordance with Section 119 of the Constitution, appropriations from the General Fund up to the amount of \$21,500.00. Such funds to be transferred as and when required to the combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may make during the period May 1, 1978 to April 30, 1979. It should be noted that the Committee on Benevolence has shown great care in administering its funds.

Your committee recommends approval of the special donations to charitable institutions totalling \$5,300.00 which were made under the authority of the Grand Master as itemized in the Financial Statement.

In its review of all matters covered in this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary and his staff. The co-operation of the Grand Treasurer is also appreciated. Your Committee now formally recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in the report of this Committee.

In accordance with Section 101 of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Expenditures as it relates to the General Fund for the year ending April 30, 1979.

The foregoing estimates have been carefully considered and compiled after consultation with the Grand Secretary and the Grand Treasurer. Your committee believes they are realistic and provide for all items which might be reasonably foreseen and for such amounts as may be required to meet all Grand Lodge financial responsibilities, obligations and commitments for the current fiscal year.

The ad hoc committee appointed by the Grand Master in May 1975 to study a special insurance plan for insuring temples and regalia under one general policy, sought information from all of the lodges and nearly all of the temple corporations. It also sought assistance from seven well known insurance agencies.

With the information obtained, a report was made to the Grand Master in July of 1977. After consideration it was decided that such a plan would not be feasible under all the circumstances.

Your committee recommends that consideration be given to revising the pension plan for our employees, as proposed by the Grand Treasurer with a view to:

- (1) Increasing the contribution by employees
- (2) Providing for employer contribution
- (3) Making provision for optional additional contributions

All of which is respectfully and fraternally submitted on behalf of your committee.

JOHN W. MILLAR
Chairman.

REPORT OF THE GRAND CHAPLAIN

The Grand Chaplain, R.W. Bro. Rev. Eric Sisèl, presented his report. On motion of the Deputy Grand Master, seconded by R. W. Bro. Sisèl it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Looking back on the past year as Grand Chaplain, it is a year never to be forgotten. More than a distinguished honor, the Office of Grand Chaplain gives a Mason a unique view of the Fraternity. Beyond the confines of any district, he experiences the state of Masonry in the entire jurisdiction along with the Grand Master and other Grand Lodge officers.

In Lodge Dedications, District Services in various areas of the Province and in attending fraternal functions, this wider view emerges. Above all, the Grand Chaplain represents the spiritual emphasis central to all of Masonry.

First, we give thanks to the Most High for the Blessings of this past year. Without His sustaining Grace and strength we can achieve nothing.

Secondly, we are grateful to you, Most Worshipful Sir, for making this year possible. In brotherly affection we have enjoyed our association and know that the friendship will continue. We can give no greater praise than to call the Grand Master a true Mason with all that it implies.

Thirdly, we congratulate the jurisdiction's team of District Chaplains. A finer team never a man had to work with! Without exception dedicated and faithful Brethren, who have worked with their District Deputy Grand Masters to provide the spiritual emphasis on the district level.

Fourthly, thank you to all other Grand Lodge officers and Brethren whom we have met during this past masonic year. Your fellowship, help and prayers will never be forgotten.

Now for a brief summary of the work of the Grand Chaplain's Office for the past twelve months:

It was a busy year. We have accepted all invitations to speak at Divine Services, except those on conflicting dates.

Without exception, all district divine services were well attended. There were several Lodge Dedications and dedication of regalia at anniversaries and numerous other masonic functions.

The district chaplains report faithful attendance at most visits of their District Deputies. Sacrificially they gave of their time and effort to officiate at services, lead in grace and invocations and assist in masonic education, especially in regard to the Volume of the Sacred Law.

Statistics could not do justice to their efforts and we have purposely omitted them. However, we would like to make suggestions to assist them in their work.

First, an official installation of the District Chaplain, at the beginning of his term along with other district officers, perhaps by the outgoing District Deputy, would be a meaningful occasion. It could take place as part of a service of worship. This would help to underscore the importance of the district officers in the work of the D.D.G.M.

Secondly, we urge the Committee on Masonic Education to give consideration to preparing an outline of duties and suggested functions for the district chaplain. Most of this is now only passed on by word of mouth and varies greatly in the experience of each district.

Finally, in closing this report we express our gratitude to our Mother Lodge, Unity Lodge No. 376 in Huntsville, for their patience and understanding this past masonic year. The Brethren provided me with the Grand Chaplain's regalia and excused our many absences due to Grand Lodge functions.

For all the Brethren in our great jurisdiction, may the Blessing of the Most High rest upon this fraternity and the Brethren throughout the world.

Respectfully submitted

ERIC SISÈL
Grand Chaplain

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge A.F. & A.M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the Report of the Committee on Fraternal Correspondence. This Report is a foreword to the reviews of the Annual Proceedings of our sister Grand Lodges. From 1961 to 1977 these reviews were prepared by R.W. Bro. Dr. J. J. Talman. This Grand Lodge is indebted to R.W. Bro. Talman for his concise and factual summaries and his ability to write in such a manner as to interest the average Ontario Mason in the work of Masonry beyond the borders of our own jurisdiction. We offer to R.W. Bro. Talman our sincere appreciation of his efforts to ignite our interest in the work done in the Masonic world and keeping that interest burning by his especial talents used in the selection of pertinent items and combining them into an easily read and understandable result. We welcome R.W. Bro. Dr. C. A. Sankey to the office of Reviewer. It is a mammoth task. We hope that he will enjoy the challenge, does not find it burdensome and reaps the satisfaction attendant upon successful accomplishment. We thank R.W. Bro. Sankey for accepting this responsibility at this time.

Lodges in Ontario continue to be deeply concerned with the rise in assessments and taxes on their buildings. The reviews of Alberta, Connecticut, Florida and Quebec indicate similar anxieties.

The new Grand Master of the Grand Lodge of Arkansas planned to emphasize the training of junior officers. His advice could well be heeded by all junior officers in our jurisdiction.

Your Chairman has always considered that the Investigating Committee on an application for membership to be one of the most important committees of the constituent lodge. It is refreshing to read in the review of Arkansas that a resolution was presented by a subordinate lodge which was meant to increase the effectiveness of investigating committees. Unfortunately it was held to be impractical.

The per capita dues to our Grand Lodge were increased to two dollars in 1976. The Brethren might be interested in comparing this with like dues in other jurisdictions. Read Connecticut, Indiana, Maine, Michigan, Saskatchewan and South Dakota.

Your Committee feels that your attention should be drawn to the costs of maintaining Masonic Homes in our sister jurisdictions. Read the reviews of Indiana, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Nebraska and Nova Scotia.

The report of Japan, as a whole, is earnestly recommended to your consideration. It indicates the progress that has been made during the twenty years that this Grand Lodge has been in existence in spite of difficulties which are slowly being overcome.

Quotations from outstanding addresses will be found under India, Texas and Virginia.

Freemasonry continues to challenge its members in every phase of life. Read what the Grand Master of Alberta has to say about a particular challenge he has presented to his Brethren.

This foreword is your invitation to read about the exciting events and deep concerns arising in the Masonic world. Your Committee assures you that your time will not be wasted if you read the reviews.

Respectfully and fraternally submitted, on behalf of the Committee,

BRUCE B. FOSTER,
Chairman.

Fraternal Correspondence and Reviews

Your new reviewer exercises a privilege of change, in giving pride of place to the conclusion of M.W. Bro. Mr. Justice Madon's address after his installation as M.W. Grand Master of India, November 27, 1976. It is a message to Masons throughout the world and your reviewer warmly commends it to all his brethren.

"Freemasonry operates on two planes - the private and the public. On the private plane Freemasonry consists of our rituals. Our rituals are not just empty routine ceremonies. They are intended to convey to us, in the form of dramatic representations, the great moral and ethical lessons which Freemasonry teaches us. Rituals when performed unintelligibly or incoherently lose all meaning. It is, therefore, necessary that rituals should be well performed so that their true meaning is unfolded and lessons they seek to convey learnt.

On the public plane Freemasonry consists in spreading our message of Brotherly Love, Relief and Truth. Freemasonry knows no boundaries of caste or colour, race or religion. Freemasonry has only one creed - the Fatherhood of God and the Brotherhood of Man. Let us then bring Brotherly Love to a world torn with strife and divided by hatred so that the world may come to know an era of peace. --- The important aspect of charity which Freemasonry teaches us is charity of the heart. It is to see others as others want to be seen, to look with tolerance and understanding upon their failings and foibles. It is the ready encouraging word and the quick forgiving heart. It is to stretch forth the helping hand, unsought and unsolicited, not only to other Freemasons but to all men. ---

But above all, there is Truth. A man cannot live on the material plane alone. There is a hunger in the heart of each man to understand the meaning and purpose of life, but here our knowledge fails us and logic is powerless. It is not given to any man to see the face of Eternal Truth, though a few, albeit a very few, may at times glimpse it, but let us at least by the rectitude of our actions and the integrity of our character acquire the ability to detect untruth wherever it be and to recognize truth when we see it. Let us all then this evening, as we embark upon this new decade, solemnly pledge ourselves to be ambassadors of Brotherly Love, crusaders in the cause of Relief and earnest seekers after Truth; and may the Most High God aid our united endeavours."

The reports of the Masonic Home showed 65 residents, a decrease of 13. Total expenses are listed at \$637,000. Architect's fees were paid for construction plans for a new Masonic Home and all Home assets (over \$6 million) were transferred to the "Masonic Home Building Fund". Historical data on the Home from its founding in 1913 are being assembled.

The Committee on Masonic Education suggested that they be given the status of a Grand Lodge standing committee, with budget to promote workshops etc. They also recommended approval for multiple degree conferral. These were rejected by the Committee on Masonic Jurisprudence, who also moved deletion from the education committee report of an additional proposal "owing to much confusion and objection". It must have been really radical!

The Grand Master attended 150 lodges in the state (including 20 installations) and 14 outside, numerous assemblies of co-ordinate bodies, as well as other Grand Lodges. There were 7 special communications - one to constitute Perfection Lodge No. 924.

Grand Lodge opened with an evening session which comprised the reception of distinguished visitors (including our M.W. Bro. W. L. Wright); an extensive Thanksgiving and Memorial Service at which the Grand Chaplain's sermon had the text "Who shall separate us from the love of God?"; a motion of loyalty to H.M.

the Queen; other receptions; a report of the Jurisprudence Committee to clear several notices of motion for action the following day; the Grand Master's address; and a report on the twelfth annual Masonic Spring Workshop.

The Grand Master, M.W. Bro. Aspeslet, referred to two conferences: of the officers of the four Western Canadian Jurisdictions at Banff, September 9-11 and of the Grand Lodges of Canada at Calgary, February 17-18. Topics discussed focussed on the functioning of masonry in today's world. The Grand Master attended District Meetings in each of the 20 districts. The attendance of Master Masons and some informal question and answer sessions were encouraged. The G.M. also attended numerous installations, presiding at only one because "it is not even desirable" for Grand Lodge Officers to install Lodge Officers. He made a point of visiting Lodges which no Grand Master had attended in recent years. Dispensations were refused for the conferral of 6 M.M. degrees at an open air ceremony and for holding a special meeting of a Lodge on Sunday for the election of officers. Finally, "I would, my Brethren, leave you with a challenge. Let us endeavour to get away from the service club atmosphere which seems to be creeping into our Craft. Masonry, I am sure, is something of the heart, not what we wear as pin and jewel or what we tack up on the wall in the form of scrolls." The committee on the G.M.'s address was made up of one past Grand Master, one past D.D.G.M. and one Past Master.

The Masonic Spring Workshop at Banff had an attendance of 554 under the theme "Walking Tall." The book stall had sales of \$2000! (We wish we had equivalent masonic book buying habits.)

The report on the Condition of Masonry includes highlights from each District Deputy's report. Taxation is a major problem. Taxes on the Edmonton Temple were \$28,000. In smaller centres, several lodge buildings were sold and one Lodge gave their hall to the community to alleviate the tax problems. With population shifts, a number of small rural lodges with few resident members are in serious difficulties. Some amalgamations are inevitable. The city lodges are prosperous.

There were 6 special communications of Grand Lodge (5 cornerstones, 1 new lodge constitution). The Grand Orator spoke at each (his ms. being deposited in the cornerstone). An honour guard from the 4° Knights of Columbus was present at one of these occasions.

The Grand Master, M.W. Bro. Nelson, in his address, emphasized "that leadership, communication among your officers and brethren, is the secret of progress of our Great Fraternity." He advocated "more family involvement in lodge activity and in supporting our youth programs." He refused permission for a non-Mason C.P.A. to audit lodge accounts.

There is a Masonic Home Endowment Fund, and several related funds, but no Masonic Home. Some of the available revenue was used for specific benevolent and lodge purposes. Five scholarships of \$500 each were given (there were 48 applications). Next year there will be 10 scholarships of \$750 each.

The Committee on Fraternal Correspondence renewed a recommendation that Grand Representatives submit reviews of the proceedings of their respective Grand Lodges. No reviews were printed.

A resolution was presented by a subordinate lodge at Grand Lodge to require not less than two members of each candidate's investigation committee to visit the home of the applicant together, and to include the wife and family in the discussion. This was received "not unsympathetically" but held to be impractical.

There were 8 special communications, all for dedication of premises or of memorial plaques.

Twenty-nine Masonic trials were dealt with by the Committee on Appeals and Grievances. The result was 12 expulsions (9 for selling liquor, a liquor selling licence in a wife's name being appropriate evidence) and 16 suspensions.

The new Grand Master planned to emphasize training of junior officers. "During the ceremonies of installation is *not* the time to be planning for your role as Master - that planning begins upon your appointment or election as Junior Deacon".

The newly appointed D.D.G.M.s were installed at a private ceremony in December when they received their aprons and instructions.

Resolutions were introduced to elect and install officers of all lodges in December and to move the annual communication of Grand Lodge to February. The necessary constitutional amendments, including changes in the fiscal year, will be voted on in 1978.

Grand Lodge formally received the Honourable the Lieutenant Governor, R.W. Bro. Walter S. Owen. Our M.W. Bro. Nancekivell was one of the distinguished guests.

The Grand Master, M.W. Bro. Mitchell, is obviously a warm outgoing person. His address was cast as an expression of thanks for assistance and support during each stage of a busy year.

At Grand Lodge, William Tyre was given the rank of Past Grand Master for "over 60 years service to this Grand Lodge." A resolution providing for gold braid on regalia for Lodges of 100 years standing was defeated.

The D.D.G.Ms. are strictly representatives of the Grand Master to their district, not of the district to the G.M. A suggestion for consultation with the District W.Ms. for submission of three names from which the new Grand Master might choose his D.D.G.M. was modified to requesting the present D.D.G.M. to consult some P.D.D.G.Ms. and make suggestions. Constitutional amendments will be proposed next year. There will also be some distinctive regalia for brethren with V.W. rank.

Grand Lodge recognized the Grand Lodge of the Dominican Republic.

The Committee on Fraternal Correspondence reviewed 50 proceedings but only a half page summarizing report is printed.

Your reviewer is the representative of the Grand Lodge of British Columbia near our Grand Lodge.

M.W. Bro. Nancekivell attended the annual communication and spoke on behalf of the Canadian delegates.

The Grand Master, M.W. Bro. Chapman, had been especially concerned with the minimal use of masonic temples, with taxes, and insurance costs. One of the standing committees initiated a two-year study. Their first report was largely fact-finding. 76% of the temples have limited or no use for non-masonic functions, and 61% earn less than \$500 per year for such use. Half the temples cost less than \$4,000 per year to operate. Seven temples cost over \$12,000. Approximately one third paid over \$3,000 in taxes, over \$1,000 for insurance and over \$3,000 for utilities. Only 8 temples of 72 had mortgages. Interim recommendations were: insurance seminars for Temple officers; attempts to get state tax relief for buildings with no commercial revenue; and special local committees to promote greater use occupancy.

Substantial emphasis was placed in youth groups DeMolay and Rainbow. A constitutional amendment to reduce the age for initiation to 18 was defeated.

Grand Lodge dues comprise \$10 per member for the Masonic Charity Foundation, \$3.50 per capita tax and \$0.50 for specified other purposes, for a total of \$14 per member per year. Total Lodge dues must be really high.

Bicentennial celebrations played a large part in the year's activities. A special convocation and service were held on Saturday, May 29th in Bethlehem Chapel, Washington National Cathedral, to honour heroes of the past and solicit divine favour and guidance. The principal speaker (and, from your reviewer's personal knowledge, they could hardly have had a finer one) was Ill. Bro. George A. Newbury, Past Sovereign Grand Commander, A. & A.S.R., N.M.J., who gave "A Salute to Patriotism". The "Washington Bible" from Fredericksburg Lodge No. 4, Va. and the "George Washington Gavel" from Potomac Lodge No. 5, D.C., and other Washington memorabilia, were presented. Another special Communication was held October 9th to commemorate the laying of the cornerstone of the District of Columbia near Jones Point lighthouse by Alexandria Lodge No. 22. The text of a Philadelphia newspaper with dateline April 21, 1791 was read. Part of the original dedicatory prayer read:—

"May this stone long commemorate the goodness of God in these uncommon events which have given America a name among nations. Under this stone may jealousy and selfishness be forever buried. From this stone may a superstructure arise, whose glory, whose magnificence, whose stability, unequalled hitherto, shall astonish the world, and invite even the savage of the wilderness to take shelter under its roof."

There are serious financial problems for the Temple at Washington. Capital reserves had been depleted to effect past repairs. Strong corrective action, unfortunately long overdue, is being undertaken.

At the March meeting £21,000 of £75,000 for benevolence was granted to the "Sponsor a Craftsman" scheme in the Canterbury Cathedral Appeal, i.e. for the training of apprentices in operative

stone-carving. The Board of Benevolence is being reorganized into an Educational Trust, a Foundation, and a Central (or Grand) Charity. It will take several years to complete the transition. The per capita fees were increased from 16p to £1.2 for brethren in London and from 8p to £1 for brethren in the provinces. The number of lodges increased by 65. Over 18,000 Grand Lodge certificates were issued.

1,742 brethren attended the annual investiture. The Grand Master, Pro Grand Master, Deputy Grand Master and Assistant Grand Master were proclaimed by their "several styles and titles". H. R. H. the Duke of Kent has completed a decade in office as Grand Master.

At the June meeting, £75,000 was granted to the Queen's Silver Jubilee Appeal and, "in Masonic commemoration of this great event", special donations of £20,000 to "each of the Masonic Institutions and to the Samaritan Fund of the Royal Masonic Hospital". 22 new lodges were warranted. Six lodges in the Sudan and one in Bahrain were "erased from the roll", as, under present conditions, there was "no prospect of their being revived".

In the September meeting 11 new lodges were warranted. A warning was issued to brethren visiting lodges overseas not only that the Grand Lodge of reference had to be recognized by the United Grand Lodge of England, but also that there must be no co-visitors from another jurisdiction not so recognized. "Such a situation calls for tact and diplomacy in withdrawing without giving offence - but the duty (to the English Constitution) transcends the apparent calls for courtesy". (What would you do?)

At the December meeting: 7 new lodges were warranted and 2 erased (one in Bangladesh, one in England). The automatic period for suspension N.P.D. was decreased from 3 years to 2.

The quarterly reports list additions to the Grand Lodge library and museum. Many of these are of recent origin but there was a collection of 32 craft and Royal Arch certificates 1794-1899 and a collection of "between 2000 and 2500 volumes, pamphlets and manuscript works" on permanent loan from the G.L. of Mark Master Masons of England and Wales" and some glass and silverware with Masonic emblems from the early 19th century.

This small but active Grand Lodge has recorded a gain in membership each year since 1970. A brief summary in English at the end of the proceedings refers to "musical executions". Several pictures attest to both vocal and instrumental presentations, including an original composition (excerpts of the score are published in the proceedings) for "Lux Aeterna," ("And God said 'Let there be Light'.") The score is of a difficulty to require significant musical competence so it can hardly have been intended for general lodge use.

Finland has four grades of a "Badge of Merit." Five brethren received "the Grand Badge of Merit" and there were numerous presentations in Classes I, II and III.

Grand Master M.W. Bro. W. C. Mitchell 1977

Lodges 322	Membership 82,707	Gain 1,043
Plus 4 "memorial" lodges, plus 1 lodge of research		

Nineteen of the 22 living past Grand Masters were received at Grand Lodge.

The Grand Master's report includes a detailed list of 49 dispensations. Three are unusual; to permit a lodge to elect a new W.M. - the W.M. having been appointed D.D.G.M.!; to confer the F.C. and M.M. degrees short of time and limited to parts with which "he can physically comply" on a terminally ill brother; and "Dispensation for a Canadian Degree team to confer the Degree on their candidate and open a Canadian Lodge --- this dispensation subject to a Dispensation and approval of the Grand Master of one of the Canadian Grand Lodges." (You will, no doubt, share your reviewer's curiosity as to which Grand Lodge and which degree.)

The Grand Master issued 12 "executive orders". one order to every lodge was "to assist in establishing eligibility for tax exemption" by setting aside a portion of every stated meeting for a lecture or discussion of some Masonic or local community charity --- which members be urged to support --- and record be made in the minutes; the lodge bulletin to note the above; lodge facilities to be made available at or below cost to charitable groups who do not have their own facilities; the Lodge Board of Relief to meet "frequently" and report at the Lodge; that every Lodge contribute to some community charity.

The Grand Master's schedule was hectic but well organized. 12 cornerstones were laid, including the Capitol Building at Tallahassee, 2 museums, 2 schools and a county public works building. Visitations were made in and out of state for 180 days during the year. Two lodges were consecrated, dedicated and constituted. Dispensations for two more lodges were issued.

The Grand Master made 16 specific recommendations dealing with regulations and the majority of these were approved. One dealt with acceptance of evidence of conviction of a felony under federal or state law as sufficient for action for U.M.C., subject to the right of the accused to present evidence in mitigation and of the right to appeal to Grand Lodge. Another recommended a pamphlet "Freemasonry - truths and myths" be made available for distribution to non-members. Twenty-five identification cards were issued to qualified Cuban Masons to permit them to affiliate with Florida lodges.

The Masonic Home averaged 151 residents and includes a comprehensive care centre. Operation cost was \$7.675 per resident. A Masonic Relief Care Investigator was recommended to speed up evaluation of applicants. The Masonic Home endowment funds exceed \$8.8 million, divided roughly 21% U.S. treasury securities, 50% other bonds and 29% corporate stocks.

The Masonic Education Committee provides a qualification examination of 50 questions for Masters. The many Committee reports are clear and specific in their conclusions.

Your reviewer is impressed by the competence of M.W. Bro. Griffie and it was a pleasure to read the proceedings of this well organized, diligent and growing Grand Lodge.

The Grand Master, M.W. Bro. Pippitt, stressed lodge finances; "many lodges still have their heads in the sand when it comes to finances. (They) have expenses that exceed their income from dues, draining any reserves just to pay current expenses." He promoted prepaid Life Membership: "We have the simplest and finest Life Membership program of any Grand Lodge." (No details in the proceedings). The Grand Master also emphasized Masonry's public image: "The more we espouse and expose the principles of Masonry to the public, the more interest we incur."

Grand Lodge has done very well with its investments, current value being 114% of cost. The Committee on Masonic Resource and Education updated manuals for District Deputies, for Wardens, for Secretaries and for Coaches. The Committee on Fraternal Relations has a single page report, although referring to proceedings "from approximately one hundred Grand Lodges." The Grand Orator referred to the "disastrous" attrition (35%!) between initiations and raisings. This is the same percentage as reported in 1976 and indicates a serious flaw.

There was one special Communication for laying the cornerstone of a high school.

Loss 4,524

There were 12 "occasional" meetings of Grand Lodge - 2 to constitute new lodges, 2 cornerstones, 8 dedications.

A Masonic Blood Bank was established in 1976. It is now adequately organized and donation of 20,000 units is anticipated for 1977-8.

The Grand Secretary, R.W. Bro. P. R. Stephens, retired after 16 years service and was succeeded by R.W. Bro. R. L. Wyckoff.

A constitutional amendment to permit dual (but not multiple) membership was approved.

Serious loss of membership in metropolitan Chicago continues, - a net loss of 8.35 for each new member, but new lodges are being formed in suburbia. A "Committee on Metropolitan Masonry" is active and making useful suggestions. The Committee on Lodges notes increasingly severe taxation on temples, inadequate initiation and annual lodge fees and, correctly, criticizes a "bargain basement" approach to masonry. They also recommend a personal visit of two brethren before any suspension N.P.D. During the year, 2 new lodges were constituted but there were 9 consolidations.

The Illinois Lodge of Research, chartered in 1976, has 475 members. There are plans for publication of "a complete history of Illinois Freemasonry".

The Grand Lodge of Pernambuco, Brazil, was recognized.

The Masonic Home had 272 residents at an average cost of \$8,000. The Home capital endowment reached \$20.4 million. There were 5 large donations from estates (2 of \$1 million or over). One estate of \$800,000 was used for renovations and new construction. The Children's Home had 19 residents (cost \$13,500 per child), including 2 attending college. It has just over \$6 million endowment.

Fraternal reviews of 61 jurisdictions are included in the proceedings. Our Grand Lodge receives generous comment.

Lodges 227

M.W. Bro. Veeraswami resigned as Grand Master as of April 8, 1976, the same date he ceased to be Chief Justice. No explanation is given, but one may perhaps be permitted to speculate that

the functioning at the time of the Supreme Court in decisions affecting a critical political situation in India may have been involved. R.W. Bro. C. D. Natarajan, now the Grand Secretary, acted as G.M. in the interregnum. Mr. Justice D. P. Madon was elected Grand Master by the Electoral College May 16th and installed on November 27, 1976. The proceedings available for review are limited to the installation of the Grand Lodge officers. The only statistics are in a brief report with audited financial statements.

The installation ceremonies were impressive and the new Grand Master is obviously a man of ability, intelligence, scholarship, integrity and humanity. A quotation from his speech following his installation is given at the beginning of these fraternal reviews.

Here is part of M.W. Bro. Madon's "installation message" to his brethren:

"There is one task which urgently awaits us, a task in which we can fulfil our real role as Freemasons. The last three decades and half have been the most hectic and go-ahead in the history of man's achievements. No period in history can match the progress we have made in science and technology. --- Fantastic scientific discoveries have been made with such breath-taking frequency that they are no longer looked upon as wonders. --- Man has walked on the moon and stripped it of its mystery and magic so that to the boys and girls of today the moon no more stands for love but signifies only space-ships and astronauts. Man has sent a machine to Mars and commanded it from here to scoop earth. Mars is no more the god of war but is a collection of scientific data. We live in an age of change, an age of experiment. We are no more satisfied with what we have, but must for ever be seeking something new, something different - ever restless, ever discontent. We want a short-cut to everything - to knowledge, to culture, to success. We have, therefore, substituted computerized data for knowledge, capsuled information for culture and we want to get to the top of the ladder of success in a helicopter, for climbing it rung by rung appears to us too slow and laborious a process. To do this we have jettisoned our moral values. --- The first casualties have been integrity and a moral conscience. --- The old virtues are despised as old-fashioned and out-dated, and an honest man is looked upon as an object of pity for being an unpractical fool. --- More than ever are these lines of T. S. Eliot, written forty-two years ago, true today:—

'Endless invention, endless experiment,
Brings knowledge of motion, but not of stillness;
Knowledge of speech, but not of silence;
Knowledge of words and ignorance of the Word,
All our knowledge brings us nearer to our ignorance,
All our ignorance brings us nearer to our death,
But nearness to death no nearer to GOD,
Where is the Life we have lost in living?
Where is the wisdom we have lost in knowledge?
Where is the knowledge we have lost in information?'

The principles and tenets of our Order teach us to measure our actions by the rule of rectitude, to square our conduct by the principles of morality, and to guide our inclinations, and even our thoughts, within the compass of propriety. Let us then, as Freemasons, strive to bring about a resurgence of the old moral values. Let us resolve on this occasion to translate our principles and tenets into our lives and conduct, and our teachings and doctrines into our acts and deeds. Let us seek to restore in ourselves, and by precept and example in others, uprightness of conduct and integrity of character. I exhort all my Brethren, not as Grand Master, but as a brother to his Brethren, to strive towards this end, so that we may become an ornament to our Order and a pride to our country."

Our M.W. Bro. E. W. Nancekivell attended the annual communication.

The constituent lodges had undertaken, in 1975, as a major bicentennial project, to raise \$2 per member for the restoration and endowment of Schofield House in Madison, the building in which the Grand Lodge of Indiana had been constituted in 1818. Just over half of this amount had been donated and, as most of the work had been done, Grand Lodge voted to make the committed payment by each lodge mandatory.

The proceedings are unique in the clarity and organization of basic financial information and statistical tables. Funds under the

control of Grand Lodge are dominated by the financing of the Masonic Home, to whose requirements \$6.4 million of \$6.75 million capital, and \$4.2 million of \$4.54 budget are allocated. The per capita tax for 1977 will be \$11.25, of which \$9 is for the Home. There are 441 guests, 122 over 90 years of age (oldest 101). Slightly over half are in "residence" (annual cost \$5,891 each), the remainder in "hospital" (annual cost \$11,603 each). Improvements are continually being made, e.g., a new dispensary, a call system from each room in the residence, and power plant emission control.

Grand Lodge ceremonies included constitution and consecration of 1 new lodge, 8 new temple dedications, 4 lodge centennials. The Grand Master approved 186 "table lodges" for St. John the Evangelist's day, with 441 lodges participating.

The Grand Master, in a formal proclamation, requested each temple to erect a flag pole or flagstaff (if not already installed) and to display the Stars and Stripes on appropriate anniversaries, including 15 stated dates.

The Committee on Foreign Fraternal Relations recommended against any action on recognition of the Grand Orient of Brazil or the Grand Lodge of Cuba. They expressed concern as to the Masonic situation in Italy and reported that rumours of "grave irregularities" in Belgium appeared to be unfounded.

Unfortunately, Fraternal Reviews are not in the proceedings. 65 proceedings of 62 jurisdictions had been reviewed with publication in the "Indiana Freemason". As the reviewer is M.W. Bro. Dwight L. Smith, they were unquestionably pertinent, instructive, interesting and well worth reading.

Having completed its first 20 years, this Grand Lodge seriously enters the second phase of its existence, that of reducing dependence on American personnel and on the American military presence, and becoming a primarily Japanese institution.

The Community Relations Committee reports: "Unfortunately, the average Japanese man on the street is not aware of us or our functions. For the most part, he has no ties with the military community where many of our Masonic functions occur. . . Things have started to happen. Events have caught the eyes of the Japanese people. Questions are being asked, Who are these Masons? . . . (Our) Children's Charity Festival was picked up by several of the media and presented in a manner that dispelled much of these rumors . . . Our small but extremely active Lodge in Wakkanai, Hokkaido was able to put into operation their voice library for the blind . . . They have the continuing program of seeing-eye dogs . . . Donations (have been made by Grand Lodge) to the Sight Assistance equipment for the blind school at Yokohama."

Substantial progress was made on revised translations of the ritual into Japanese.

The Grand Master, M.W. Bro. Nishiyama, attended the Grand Masters' Conference of North America and was selected to respond to the Chairman's introduction of representatives of Foreign Jurisdictions.

Grand Master M.W. Bro. William F. McIntosh 1977-

There were 20 special communications, the most prestigious being for the cornerstone of the new Supreme Court Building which was laid by "Chief Justice Harold R. Fatzer, assisted by the Grand Lodge A.F. & A.M. of Kansas, Ralph D. Walker, Grand Master." Some 1,500 people attended. There was a special tristate communication near their common border attended by the Grand Masters and Grand Lodges of Colorado, Nebraska and Kansas and 7 special communications to dedicate markers for graves of past Grand Masters.

The Grand Master obviously promoted public activity. In his address to Grand Lodge he said: "We cannot place ourselves in the public light too often. People must realize that we are an organization for good, based on ancient rule and ancient principles. I believe that, as Grand Master, public relations is one of the principal duties of the office," and on another occasion he asked:

"Does anyone in the community know you are a Mason? Tell someone tomorrow where you were tonight and if you had a good time."

The Grand Master wrote to every mason who had been suspended for non-payment of dues during 1975; to every member of DeMolay between 18 and 21 telling them that no one would ask them to join Masonry, but that the Grand Lodge of Kansas was a progressive Grand Lodge which accepted 18 year olds; a personal letter to each recipient of a 50-year designation; and a letter to every master mason in the jurisdiction asking for his interest in the Masonic Home and the Masonic Foundation.

The Grand Master removed one lodge Secretary from office for persistent and continuing objection to the G.M.'s appointment of his district's D.D.G.M. and unwarranted criticism of the D.D.G.M., even after the Grand Master visited the lodge in question in an attempt to settle the issue.

Strong corrective action was taken by the Grand Master in the financing of the Kansas Masonic Home. Its expenses of \$1.25 million per annum were reducing the capital (over \$6 million) of the Kansas Masonic Foundation Inc. by as much as \$250,000 per year — obviously an untenable situation. Negotiations were initiated with Federal Medicaide and Medicare which may assist very materially; details of "life-care" contracts for new residents were revised; the Grand Master's letter campaign more than doubled voluntary contributions to the Foundation from \$32,000 to over \$75,000. Progress was made in bringing the home up to present-day health and safety standards. An attempt to raise the per capita assessment for the home from \$1.50 to \$5.00 failed (trying for too much?). Serious problems remain but the positive and constructive efforts must be commended.

• The Public School committee was active with substantial essay prizes ("Public Schools in the Next Century"), distribution of the Declaration of Independence (complete with masonic emblems and state flags) and participation in "American Heritage — Public Schools Month."

KENTUCKY — 1976

177th Annual Communication — October 19, 20, 21

Grand Master M.W. Bro. Henry B. Noble 1975-76

Grand Master M.W. Bro. John E. Moyers 1976-

The Annual Communication turned out to be quite a session as a new Constitution was adopted. Consideration of this was the only item of business for the afternoon session of October 20th and this was adjourned to an evening session from 8:30 p.m. to 2:55 a.m. before it was all settled, over 10 hours of debate! The proceedings do not detail or summarize what points were in contention, or subject to procedural manoeuvre, but record only the final formal brief resolutions. There is, however, a long section on details of numerous amendments to "the Revised Constitution" submitted prior to the meeting by "the elected Grand Lodge Officers." Of these at least four may well have been provocative:—

Under *Electioneering*: "Adoption of a resolution by a subordinate lodge stating the qualifications and recommending one of its members for an elective office in the Grand Lodge, and the mailing of said resolution to the subordinate lodges and Masons in Kentucky shall not be considered a violation of this section; provided that a lodge may not issue more than one letter and that letter shall not contain any solicitation of support — (etc. with some additional safeguards.)"

Under *Governing Statewide Jurisdiction*: "when a candidate petitions a lodge other than the one closest to his residence, he must submit in writing his reason for petitioning this lodge," and "the lodge nearest the residence of the petitioner must conduct an investigation. — The results must be submitted to the lodge petitioned (which) must also conduct an investigation."

Under *Time Between Degrees*:— "—is one lunar month and the Grand Master is not authorized to dispense with this time."

Under *Qualifications*:— "No person shall be eligible to an office in Grand Lodge unless he be a permanent member thereof" (it is assumed this means a past master) "except the office of Grand Chaplain, which office may be filled by any minister who is affiliated with a subordinate lodge of the state."

At the end of the marathon session the Grand Master said: "In my opinion, we have accomplished more in this Grand Lodge today than has been accomplished in any thirty year period heretofore." Grand Lodge got back to business again at 9 a.m.!

One of the many dispensations issued by the Grand Master is unusual:— "Vine Grove Lodge No. 603 to move its charter to the home of Entered Apprentice Bro. C. T. Norman and confer the Fellow Craft and Master Mason degrees on June 19, 1976 and July

17, 1976 (respectively). All profanes must vacate the home while the Degrees are being conferred."

Sixteen committee reports had been preprinted and made available. These were not read in Grand Lodge but adopted by a single resolution and ordered printed in the proceedings. There is a special committee "of Legislation of Kentucky" who make "weekly contacts between legislators, committeemen and other members of the Craft who (studied) the Legislative Record and discussed the effect of new legislation. We are pleased to report that Masonry had no bad legislation passed during this 60-day session." The Committee on Publicity advocated publicity on such items as "recognition of Masons who are elected or appointed to public office of trust" and "Lodge participation in school and civic programs." Political participation concerning "Americanism" is obviously proper. There is a "Committee on Religious Interest" chiefly directed to extensive services and prayer meetings at the Masonic Homes. The Masonic Home Journal had printed a limited number of reviews of proceedings of other jurisdictions including "Canada of Quebec." It would be interesting to know which jurisdiction was reviewed.

There are two Masonic Homes. The Masonic Widows and Orphans' Home and Infirmary had 229 ladies and 19 children. The annual expenditure was \$2.16 million or \$8,700 per resident provided 40% by endowments, 9% by rents, 32% by payments by residents and 19% by Grand Lodge assessment. The Old Masons' Home of Kentucky Inc. had 81 residents, including 11 couples. The cost was \$7,700 per resident which "is less than maintaining a patient in a nursing home, and what is more important, most of our residents are happy and content."

Five hundred and twenty-eight of the 758 pages in the beautifully bound proceedings comprise a complete roster by lodges of every mason in the jurisdiction. All officers, past masters and 50-year members in each lodge are specifically listed. The item for printing in Grand Lodge disbursements exceeded \$23,000.

Our M.W. Bro. Dr. Eric Nancekivell was present at the annual communication. He was honoured by receiving the Josiah Hayden Drummond Distinguished Service Award and was the speaker at the Grand Lodge banquet. Our new Grand Representative, R.W. Bro. Robert E. Strout, was formally presented with his commission.

The Grand Master referred to problems of ambiguities and changes in Lodge by-laws and recommended the appointment of a standing committee on by-laws. Official Grand Lodge tours were made to Munich, headed by the Grand Master, and to Martinique, headed by the Deputy Grand Master. Proceeds from these tours were used to help finance "The Maine Mason," a Masonic magazine of substance of which three editions were issued and distributed to every mason of the jurisdiction. Grand Lodge joined the state officers of the Knights of Columbus in a visit to the Veterans' Administration Hospital.

Grand Lodge dues were increased from \$2 to \$3 per member.

Grand Lodge has a "Blanket Bond" covering Lodge Secretaries and Treasurers for all lodge funds in their hands. There is also a "Blanket liability insurance," but each lodge is required to procure its own liability insurance for its temple buildings and premises.

The Masonic Charitable Foundation has capital assets of \$1.3 million and, in addition, \$235,000 is in twelve special funds. Some \$68,000 for benevolence plus \$35,000 for special purposes were distributed. The benevolent and special accounts indicate approximately \$12,000 administration charges, including a share of Grand Lodge office expense. The Charitable Foundation made a loan of \$25,000 to Grand Lodge, which was repaid later in the year.

The Committee on Fraternal Correspondence was renamed to that on Fraternal Relations. Requests for recognition from the Gran Logia de Chile and from the Grande Oriente do Brasil were tabled indefinitely. Proceedings of 23 jurisdictions (some for two years) were reviewed at some length. Canada is not included.

Our M.W. Bro. E. W. Nancekivell attended the annual communication and was one of the speakers.

The Grand Master, M.W. Bro. Chamberlain, advocated a "member involvement program" in lodges, with careful meeting pre-planning, district travelling gavels etc., and the division of the rural lodges into 3 zones to which the D.G.M., S.G.W., and J.G.W. (in line for the office of G.M.) would give special attention during their year of office. His list of visitations includes two functions of the Knights of Columbus.

One recommendation of the Administrative Committee was for a directive "to be followed by constituent lodges in utilizing local newspapers to announce future meetings."

Current investments are utilizing short-term deposit certificates. Much of the funds of Grand Lodge is tied up in low interest bonds whose cash value is significantly below par.

The Masonic Foundation of Manitoba is working with the Grand Lodge of North Dakota to build an auditorium, designed in the shape of a square and compass, at the International Peace Gardens. Less than a quarter of the requested \$300,000 capital from Manitoba had been raised to the date of the Foundation's report.

Grand Lodge gives support to DeMolay.

The Committee on Fraternal Correspondence submitted a summarizing 3 page report under the headings "membership", "concordant bodies", "benevolence", "community life" and "education".

Some 5,000 people attended the public ceremonies, which included a church service, of the special communication of April 17 at Easton, Md. to memorialize Maryland's first Grand Master, M.W. Bro. Dr. John Coats, who presided at the founding of the Grand Lodge of Maryland April 17th, 1787, and to hold rededication ceremonies for Coats Lodge No. 102.

Our M.W. Bro. E. W. Nancekivell attended the annual communication and spoke briefly. Special recognition was given to some individual blood donors — one brother had donated nine gallons. The Grand Master removed the ban on, and permitted membership in, the York Rite Sovereign College of North America.

The Masonic Home, with 82 guests in the infirmary and 95 in the homes, has serious problems. The annual cost, over \$1.3 million, is not being met by revenue. Part of its land is being sold for commercial use subject to clearance of zoning regulations, on which the civic authorities have already reversed themselves three times (this sounds familiar to us in Ontario). The Grand Master comments: "But, the monies received from this sale, if in fact it is consummated, cannot be used for our Homes' operation, for we must face the hard, cold fact that we are struggling to maintain and operate an aging facility, whose design leaves much to be desired and, possibly, in the not too distant future, will become disadvantageous to operate and the replacement would foreseeably cost more than the amount received in the proposed sale."

Of the special communications, 3 were in the Canal Zone during a visit of the Grand Master, 8 concerned with building dedications and/or cornerstones, 1 to constitute a new lodge, 2 to unite existing lodges and 14 for special lodge anniversaries ranging from 50 to 175 years. Lodge histories, prepared for these occasions, are printed in full.

The Grand Master visited Chile for the 100th anniversary of Huelen Lodge (precedence 1876 — Massachusetts lodges are not numbered) and also attended the other two Chilean lodges under his jurisdiction. He attended a special communication of the Grand Lodge of Chile and was designated an honorary member. Obviously, the presence of 3 "foreign" lodges in the country has not led to conflict. The Grand Master was invited to have breakfast with the President of Chile with its opportunity to discuss masonry.

Benevolent expenditures were \$1.5 million, 85% of which were for the masonic homes. The home is at Charlton and there was also a nursing home, the Whittall estate "Juniper Hall," at Shrewsbury. The latter property was sold during the year for \$400,000. The staggering increases in costs are recorded in the Grand Master's address at the quarterly communication of March 10th.

"In fiscal 1955, the annual per capita cost at the home was \$1,445. In fiscal 1969, it was \$4,250 and in fiscal 1975, it was \$8,745. At Juniper Hall in fiscal 1955 the per capita cost was \$4,035; in fiscal 1969 it had reached \$9,303. But in 1975, it has escalated to \$16,250."

Improvements both in financing and in accommodation are being made at the homes. A government grant of \$3.1 million will be available to build 101 low-income housing units on the Charlton property if municipal clearance can be obtained. To balance the Grand Lodge budget, and allow for the home expenses, per capita dues were raised from \$5 to \$8.

Our M.W. Bro. E. W. Nancekivell attended the Stated Communication. M.W. Bro. Maxwell was installed for his third term as Grand Master in full ceremonial form, his traditional response to the final proclamation being:—

"May the Grand Architect of the Universe pour down his blessings upon this Society, and enable me to discharge the great trust reposed in me to the honor of His name and of the Royal Art and may there never be wanting such to fill the Chair who shall

provide Masonry and the good of mankind so long as the world endureth, Amen."

MICHIGAN — 1977

Grand Master M.W. Bro. Vincent A. Vatter 1976-77

Grand Master M.W. Bro. Ronald Schwartz 1977-

Lodges 523 Membership 132,662 Loss 3,292

Our M.W. Bro. E. W. Nancekivell attended the annual communication, and, "the Canadian flag was presented at the Altar and displayed there throughout the sessions."

The Grand Master, M.W. Bro. Vatter, was deeply concerned about the continuing loss of membership over the past 20 years. Michigan was the 4th state in population but 8th in Masonic membership. He said: "We must step back and take a long, hard look at ourselves and ask the question 'What is wrong with us that more men of good character are not knocking at our doors?'. . . I would caution that suspensions for non-payment of dues are only the end result of a gradual loss of interest undoubtedly caused by a lack of activity within the Lodge."

At least one current factor in the loss must be the appalling degeneration of Detroit. Two resolutions were presented to authorize one lodge to move from Detroit to the suburbs; the second was approved but the first, ruled out of order, told the truth of the root cause: "The neighborhood in which Pillar Temple is located has deteriorated to such a condition that it is unsafe for our members to walk outside the Temple to and from the parking lot. There has also been destruction to cars parked and injury to Masons and their families in the neighborhood."

Your reviewer had the Michigan proceedings in his brief case during an hour's train ride and relieved the monotony by looking over the statistical tables for the 523 lodges. Some reasons for the Grand Master's concern came into view: There are 60 lodges listed as located in Detroit. Of these only 5 showed a gain in membership. The net loss for the 60 lodges was 1045, i.e. 32% of the total loss in 11.5% of the lodges (granted that the average membership of Detroit lodges was well above the average for the state). Lodge membership ranged from 2153 (11 lodges over 1000) to 26 (2 lodges). Eight raised 20 or more candidates (max. 28) but 116 (22%) reported no raisings. Fifteen lodges reported 30 or more

deaths (max. 54, 3 lodges over 50). Twenty-two lodges had a decrease of 30 or more members (max. 96 resulting from a "housecleaning" and suspension of 93). Thirteen lodges had less than 50 members and of these 2 gained, 3 stayed even and 8 lost membership, but only one did not meet regularly. Forty-one lodges held 40 or more meetings (high 70 meetings).

These numbers are recorded in no way as a singling out of a jurisdiction with which our Grand Lodge has had for so many years, and continues to have, highly valued fraternal relations. The special problems in Michigan are present or potential in other jurisdictions and it is only by facing up to difficulties that these can be overcome. We would also do well to "take a long hard look at ourselves."

The finances of Grand Lodge are monitored through 11 funds totalling over \$22 million, the majority being associated with the Masonic Home. A motion to increase per capita dues to Grand Lodge from \$3 to \$5 was defeated. There were 267 residents (average cost \$7,300) in the Masonic Home and 157 (average cost \$10,700) in the Masonic Hospital. The business management of Grand Lodge is administered by a Board of Directors which meets monthly and whose minutes are printed in the proceedings.

The Fraternal Relations Committee recommended a careful review of the status of the Grand Orient of Brazil. Grand Lodge policy restricts recognition to the various state Grand Lodges in Brazil, but "with more than 620 lodges," coupled with "115 years of history (which) does indeed indicate stability," further consideration is warranted. The Grand Lodge of Cuba is still active. Relations with the Grand Orient of Italy were suspended for one year due to reports of political corruption and bribery, alleged to be condoned by the Grand Master.

No less than 14 of Manitoba's Grand East attended the Annual Communication. Dispensations included 10 permissions for lodges to join in local Community Bicentennial celebrations.

A resolution to permit alcoholic beverages in "approved buildings" was adopted, but another to permit this in any masonic premises, when leased for non-Masonic functions, was defeated.

The Life Membership Study Committee reviewed regulations of several jurisdictions. They preferred the use of actuarial tables plus a Grand Lodge fee (substantially the same basis as ours). A list of guiding principles was submitted and approved by Grand Lodge including: life membership to be optional to the lodge; plan actuarially sound; life membership funds segregated from other lodge funds; no life memberships as gifts or honoraria.

The Masonic Home had 170 guests in the Main Lodge (annual cost \$5,087 each) and 135 in the Care Centre (annual cost \$11,619 each). In spite of this near \$2.5 million bill, the year ended with a surplus "due to the hard work of our Investment Committee, as well as generous gifts". The Directors were, properly, concerned with the continually rapidly increasing cost, the 1976 total being equivalent to \$47.11 from each Mason in the jurisdiction. A special committee, after professional advice, made extensive recommendations for future action.

The Masonic Memorial Hospital Fund contributed over \$160,000 for Cancer research (including a full Professorship) at the University of Minnesota. Grand Lodge also supports a "Hospital Representative" at the Mayo Clinic in Rochester, Minn. Some 700 "Mason Patients" received attention.

Sixteen Public School Scholarships were awarded (total \$9,000). There were 400 applicants, first reduced to one boy and one girl at each local district level for scholarship selection by the Grand Lodge Committee.

In the miscellanea department, there is a Grand Lodge cribbage tournament with district and regional playoffs before the state championship finals.

The Deputy Grand Master R.W. Bro. W. L. Weeks, presided at Grand Lodge, as the Grand Master M.W. Bro. Dale was ill. The Grand Master must have worked himself into exhaustion.

He visited every Lodge in the state during his year of office and conferred the M.M. degree on 61 brethren. His recorded list includes 338 visitations within the state, including one record day when he attended separately each of ten lodges in seven communities. (Did they start at sunrise?)

The Deputy Grand Master is an appointee of the Grand Master and, apparently, is not a line officer. The G.M. is succeeded by the Grand Senior Warden.

Twenty-four Past Grand Masters attended the Annual Session. Twenty-nine Past Grand Masters and 4 honorary Past Grand Masters are listed as living. It must be one of the largest Grand Easts anywhere. M.W. Bro. John H. Johnson who had been G.M. in 1921 died in 1976 — 54 years a Past Grand Master! As far as your reviewer is aware, this has only been exceeded in recent years by the 60-year P.G.M. record of M.W. Bro. O. R. Ware of Kentucky, noted last year.

The Grand Secretary reports that “only 23 lodges” did not work any degrees. One Lodge conferred 100 degrees and another 96. Membership in individual lodges ranges from 20 to 1285.

Discipline is in the hands of the individual lodges. Five brothers were expelled by their lodges (*not* by Grand Lodge—the Committee on Complaints and Appeals merely “concurs with the decision”) three of these for being in a business involving “making or selling whiskey,” the latter, apparently including any intoxicating liquor.

There were 12 girls and 10 boys (age 5-18) in the Masonic Home in Meridian. The interest from the Endowment Fund is almost sufficient to cover operating costs and all but \$13,000 of a \$60,000 per capita tax for the home from subordinate lodges was returned to Grand Lodge general account. The cost per child was only slightly over \$4,000.

When Grand Lodge assembled, the Grand Lodge officers were individually escorted into Grand Lodge which was then

opened in full form in each of the three degrees. The Grand Master, M.W. Bro. Cook, in his address, stressed extensive bicentennial celebrations. Five corner stones were laid, two of which were at Northeast Missouri State University, where every building on the Kirksville campus has a Masonic cornerstone.

The condition of individual lodges varies from excellent to poor. There are 80 lodges with 50 or fewer members and of these 44 lost membership. It was recommended that some thought be given to consolidations for lodges which continue to show decreases and do not hold meetings regularly. One lodge was disciplined for horseplay and hazing "on several occasions." The lodge was forbidden by the Grand Master to confer the second section of the third degree unless both the D.D.G.M. and D.D. Gr. Lecturer were present to assure proper conduct. The matter must have been serious because a formal statement on the solemnity and significance of this section was, by resolution of Grand Lodge, required, in the future, to be read by the W.M. in all lodges immediately prior to the conferral.

The Committee on Masonic Education spent over half its budget on distribution of a letter from the Grand Master to all Missouri Master Masons "mailed out before August primary election. This eloquent appeal by Grand Master Cook was surely a decisive element in the defeat of the proposed Constitutional Amendment which would have allowed tax money to be used to pay for various services in private and parochial schools." The Committee felt that this "was Masonic Education in a most important sense." (Would we agree?)

Grand Lodge, after an extended debate in which the Grand East was divided, approved by written ballot 638 to 328 to move the Grand Lodge office from St. Louis to Jefferson City.

There are 322 adults and 6 children in the Masonic Home. Of these 210 were in the Masonic Home Hospital, whose clinic also had over 6,300 outpatient registrations. "A more suitable location" is being sought for the children and a second "Masonic Home of Western Missouri" is to be established on a site already purchased. The total expenses for the Home for the year exceeded \$2.33 million, less than 10% of which came from a Grand Lodge per capita tax of \$2.

The proceedings end with "A Masonic Review" by M.W. Bro. Bruce H. Hunt — probably the best Foreign Correspondence review available, comprising excerpts from various

proceedings classified under some sixty subject headings. Our M.W. Bro. W. L. Wright has pride of place in the introduction with his appeal for high standards of admission. Canada is one of four jurisdictions whose taxation problems are noted.

Here are a few other examples of interest: Under various "youth" headings, DeMolay and Rainbow are active in Taiwan. Comments on admission of 18-year-olds to the Craft depend on whose proceedings you are reading, some enthusiastic, some doubtful. The ultimate comes from Idaho where a young man became Master of his Lodge, High Priest of his Royal Arch Chapter, Associate Patron of the Eastern Star, and an officer in both Council and Commandery *before* he was 21! Such a tragic travesty for both the young man and his brethren leaves your reviewer speechless. In Wyoming, many lodges "ignored Leadership Workshops", so the G.M. set up "Schools of Instruction" and ordered all lodge officers, elected and appointed, to attend or give written reasons! The Grand Master of Arkansas had his problems (and handled them with dignity) in trying to diffuse sensational journalism re the Wilber Mills affair and the necessary masonic action following Mills' conviction. On a more pleasant note, the outstanding charity of Japanese lodges, and efforts to retrieve masonic jewels from antique shops in Washington are recorded. North Carolina follows the same procedure we use when a ring cannot be removed before the E.A. degree. The procedure was ratified and approved by the Grand Master who ruled that "the brother in question is an E.A. without the necessity of healing." It is not easy to resist many more items from this review.

A special communication was held to dedicate the new Ravalli County Courthouse. Fourth degree Knights of Columbus served as Honor Guard, and Leo Revelle, District Deputy of the Knights of Columbus of Montana, delivered the dedicatory address. As noted last year, relations between Masons and Knights of Columbus are excellent.

Another special communication was to rededicate the original Temple and public school building of Bannack Lodge No. 16

restored jointly by the Montana Fish and Game Commission and by Grand Lodge. The address by W. Bro. M. M. Jones, Grand Historian, referred to the turbulent early history of the Bannack area. It was the scene of the first recorded Masonic funeral in Montana Territory. This was requested, on his death-bed, by Bro. William H. Bell in 1862. Bro. N. P. Langford, a member of the Fiske expedition (and who was, in 1869, to become the fourth Grand Master of Montana) issued a call for Masons to assemble and, to everyone's surprise, 76 Master Masons turned up from the mining camps around. "The following day Bro. Bell was laid to rest with his request fulfilled."

The Grand Masters of our four western provinces attended the Annual Communication. M.W. Bro. Worden referred to this in his "oration:—"

"The United States of America was not founded on peace and harmony. Canada has not been maintained by peace and harmony. Only by struggle, sacrifice, debate and compromise have these two great countries achieved their position. . . . The same principles are true of our Fraternity. We have prospered or failed in direct proportion to our willingness to debate, to differ and to compromise."

Grand Lodge per capita dues were increased from \$7.50 to \$11.50 including \$5 for the Masonic Home (previously \$2.25).

Grand Lodge has the longest "line" of officers of which your reviewer is aware. The original appointment is as Grand Tyler, with the prospect of becoming Grand Master twelve years later (13 years in office).

More than half of the proceedings is a complete roster of all Masons in the state.

The Grand Master, M.W. Bro. Stines, in his address, referred to laying cornerstones for a low-income housing facility in Central City, for a public library in Hooper, and for a community-owned

Medical building in Ashland. He commissioned our R.W. Bro. K. N. Nesbitt as the Grand Representative of Nebraska at our Grand Lodge. In his decisions, he reaffirmed that the powers of the Worshipful Master are absolute in his lodge and subject to appeal only to the Grand Master or to Grand Lodge, the particular case being the replacement of some members of a lodge committee by other brethren, the master being dissatisfied with previous lack of action. He dealt with a request for the "stand" of Grand Lodge on whether a black girl could petition the Order of the Rainbow for initiation. His reply denied Grand Lodge jurisdiction over the Rainbow order (except for their use of masonic temples) and then reaffirmed "that the denial of membership to anyone because of race, creed, color or national origin is contrary to the principles and precepts of Masonry."

The most striking event in this jurisdiction (remarkably, not referred to in the Grand Master's address) was an increase in the endowment for the Nebraska Masonic Home from just over \$5.1 to \$9.5 million as a result of a bequest of Bro. Glen W. McIninch. The fund received over \$4.25 million from the estate and there will be an additional final payment when the estate is closed. This, surely, must be a record high for a bequest to a single masonic institution. To meet the operating deficit in the home, \$250,000 was requisitioned and the rest invested to provide an approximately equal amount to mature annually from 1979 to 2000. It was stated that even with the revenue from \$9.5 million there would be insufficient funds to fully meet projected annual operating costs for the home, which, during the current year, were \$8,025 for each of the 70 residents. Grand Lodge also operates a Home for Children jointly with the Eastern Star.

Grand Lodge met in the First United Church buildings in Campbellton and, after the usual ceremonies and receptions, participated in a full divine service. The Grand Chaplain, in his sermon, told a story of St. Francis of Assisi who invited a young novice to join him when he went into the village to preach. St. Francis stopped and chatted with every one he met on his way, circled the village square doing the same thing and, continuing,

returned to the monastery. The novice protested: "But Father, I thought we were going down to the village to preach." "We preached as we walked," St. Francis replied. The Grand Chaplain continued, "Many times we are admonished 'Practise what you preach.' I would like to turn this around and say, 'What you practise, preaches.'"

The Grand Master, M.W. Bro. Ross, made a very strong plea to each Freemason to work for the unity of Canada. "The activities of the Masonic Lodge of today are lopsided. They take too little account of civic duty." Later in his address he re-emphasized individual involvement outside as well as within the lodge. One lodge supports an ambulance, another gives scholarships, others support local service projects, "and these Lodges are healthy. The successful Lodges are those which project a public image that is respected."

The Grand Master referred at length to a bequest of \$213,000 from the estate of Bro. W. G. Quinn. A significant portion had come from the sale of the donor's home. His will had suggested its use as a home for elderly Masons and their wives but gave Grand Lodge the option of sale. The funds now comprise the "W. G. Quinn Memorial Trust Fund."

The Grand Master had visited widely outside, as well as within, New Brunswick. He refers, with especial courtesy, to his attendance at our Grand Lodge in 1976.

At Grand Lodge, Bro. G. P. Lanyon who "served Carleton Union Lodge No. 8 as organist for 55 years, as well as organist for a number of other Lodges for in some cases as many as 50 years," was constituted a member of Grand Lodge with the rank of R.W. Past Junior Grand Warden.

A motion increasing the per capita fee to Grand Lodge from \$2 to \$3 was defeated.

The permission, approved in 1976 for one year, of permitting "semi-public" Lodge installations, if conducted by the Grand Master or a past Grand Master designated by him, was utilized by 6 lodges. Apparently this was successful as the permission was extended for an additional year.

Grand Lodge approved a report to "exchange Fraternal Greetings" with the Grand Orient of Brazil and the Grand Lodge of the Dominican Republic. Is this the equivalent of recognition?

The Grand Master serves for two years but the Deputy Grand Master for only one. Since the turn of the century the retiring Grand Master is only the third to move directly from Deputy Grand Master to Grand Master. The incoming Grand Master was a past D.D.G.M.

There were 5 emergent communications, 4 for dedications and cornerstones and 1 for an exemplification by the Grand Lodge of Rhode Island of the first degree with all speaking parts in the Armenian language.

Our M.W. Bro. E. W. Nancekivell attended the annual communication. The Grand Master read an edict forbidding any discussion relating to a civil suit between Grand Lodge trustees and M.W. Bro. Rutledge which was *sub judice*. This is a sensitive and unhappy matter, including a civil court confirmation during the meetings of the Grand Master's right to suspend M.W. Bro. Rutledge from Grand Lodge.

Grand Lodge has been operating with deficits (\$34,000 budgeted deficit for 1977-8) for several years. The per capita assessment has finally been raised from \$1.50 to \$2.50, and it was ordered that official budgets be made available at the same time as the notice convening Grand Lodge.

The Grand Master recommended approval of a "Widow's Pin" and this was accepted.

There are 37 standing committees of Grand Lodge. The Bicentennial Committee was very active. Two Masonic plays, "Prelude to Victory" and "The Petition", were promoted as well as a bi-centennial bulletin. 3 films relating to the Revolution were purchased.

The Committee on Insurance has arranged group policies for lodge regalia (total coverage \$3 million) and is investigating group policies for lodge premises and temples.

The Masonic Home has 186 guests at an average per capita cost of over \$12,000. Endowments stand at \$15.8 million. Capital

has been depleted to meet current expenses. The Foundation has changed its accounting methods to an accrual basis and a more realistic appraisal. The Home has "an excellent working relationship" with Burlington County Hospital. The Acacia Lumberton Manor provides 164 senior citizens family apartments and these are highly praised.

The July '75 special convocation was for the proclamation and investiture of Grand Lodge officers, that on June '76 for

nominations for next year's officers prior to the Quarterly Communication, two days later, when elections were held. R.W. Bro. N. W. Warren became Grand Master-elect, with his installation set for July 28, '76. M.W. Bro. Blight had announced, 6 months earlier, that he was retiring. He appointed a special committee to prepare for the "Grand Installation" because "one Grand Lodge in Australia had a segment of its ceremonies shown on television. Another Grand Lodge is planning extensive filming of its installation."

The reports of the Grand Inspectors of Workings attest an increasingly open and public-minded attitude, e.g. in the 150th Anniversary Celebrations of the Belmont District there was a float "representing Freemasonry and indicating the manner in which it works for the community — as the Hawkin's Masonic Village, Shortland Masonic Hospital and the Newcastle Masonic Youth Welfare Fund." In addition many acts of real charity, "Masonry in action", were reported such as rewiring a widow's home; "erecting in 7 days a comfortable temporary dwelling" for a W.M. and family whose home had been destroyed by fire; and establishing a "House without steps" for the physically handicapped.

One decision by the Grand Master indicates increasing liberality:—"I now direct that, provided the law relating to lotteries is fully observed, and that the lodge is satisfied that the dignity of the craft is not impaired, the decision as to whether a raffle may, or may not, be held is left to the discretion of the lodge."

Building the new "Masonic Centre" at Sydney proceeded on schedule. The Foundation Stone was laid on May 15, 1976 "at a most spectacular witness and public demonstration of the strength of the Order". The N.S.W. mounted police and police band led a parade of over 6,000 Masons. The Salvation Army Sydney Band played the odes and hymns for the over 10,000 in attendance. A "fully illustrated report" was to be printed in "The N.S.W. Freemason". The land and buildings have a reported value close to A\$4 million.

A regional organization of lodges was approved after extensive debate. Cost of mailing will limit free circulation of quarterly reports to lodge secretaries. Others will have to pay a prescribed fee.

The William Thompson Masonic School and Hostel is, in line with today's social policies, proceeding with building and setting up family group homes and, presumably, beginning to phase out

the old central establishment. There is also a N.S.W. Masonic Youth Welfare Fund, to assist those leaving the home to get established in trade or business. The Masonic Hospital seems to be substantially financed by patients fees (over A\$1 million).

Several fraternal reviews appear in each quarterly report. Two of our proceedings are included with specific reference to our Masonic Foundation (1974) and to M.W. Bro. Wright's address (1975).

The Grand Master, M.W. Bro. Markewich, said "I am a believer in work by and through a committee." No less than 41 committees are listed (21 standing, 20 special) in addition to a commission on appeals, trustees for the Masonic Hall and Asylum fund, foundations for Medical Research and for Masonic Brotherhood, a Masonic War Veterans group and a corporation for the Tappan Washington Memorial.

The Grand Master's decisions are written by the Judge Advocate and then approved by the G.M. An interesting decision dealt with questions from three different lodges as to whether they could initiate respectively a Chinese who could speak but not read or write English, a Jew whose English was limited and who wished to use Hebrew for his instruction, and a deaf mute whose speech was very defective but whose reading and writing were competent. In each case there was the assurance that instruction was available within the Lodge in Chinese, in Hebrew and by a teacher of the deaf; the ruling: "When a brother who hails from a foreign jurisdiction presents himself for examination for the purpose of visiting one of our Lodges . . . it should be anticipated that he will respond to questions in the language used in his mother lodge. . . . Thus the Lodges involved may initiate and advance the candidates referred to if they would be able to demonstrate proficiency in the work of the degrees by use of a foreign language, sign language or movement of the lips." Would we have been as liberal?

Increasing emphasis is being placed on youth and on younger members. This seems to be bearing fruit. There were 2,984 initiations and the average age of members is decreasing, but as long as the age mix yields over 6,000 deaths there will continue to be significant annual losses in membership.

The major supplementary activity is the Masonic Hall and Asylum at Utica. Fifty-one pages of the proceedings are devoted to the Superintendent's report and related tables. Annual expenses were over \$6 million (\$11,500 for each of the 541 guests, average age 83). Grand Lodge provided \$700,000 from current funds. To meet this and other demands the per capita dues to Grand Lodge were increased to \$3.50 per member.

The Medal for Distinguished Achievement was awarded to Bro. Dr. Lowell Thomas. The 84 year old explorer and journalist was the speaker at the Grand Master's Dinner and his reminiscences make delightful reading.

Fifteen special communications were held, 3 for laying cornerstones of and 11 for dedicating *new* temples.

To conclude the bicentennial celebrations, the Grand Master completed the cycle of visits to each of the communities in North Carolina where a lodge was in existence before or during the year 1787-8. The Bicentennial Committee presented a lengthy report of the carefully planned and completed activities over the two masonic years involved. Special reference was made to the Grand Master's visit to England and his presentation there of a Joseph Montfort Award to R.W. Bro. Stubbs at a masonic banquet in London, symbolizing the unity between the United Grand Lodge of England and North Carolina.

Our M.W. Bro. E. W. Nancekivell attended the annual communication. Major developments at the masonic home were announced and approved. There are 140 guests (average cost \$5,100) and a 2-year waiting list. An increase to 180 guests was approved and the start of an expansion of family units, to an ultimate addi-

tion of 113 such units, under a scheme whereby the applicant would buy the unit, be assured of necessary infirmity care for life, and at death the unit would revert to the home for resale to the next occupant. The initial construction costs were adequately covered by a donation. The superintendent reported the present home as the "outstanding retirement and care facility in the State . . . Our buildings are modern, in good repair and well furnished." The financial statement indicates 35% of revenue from the guests, 38% from masonic sources, 20% from the Eastern Star and only 7% from endowment etc.

There was also an important decision re the Oxford Orphanage (107 boys, 87 girls) to re-establish a regular school program at the Orphanage. For some years the youngsters had been going to five different public schools and subject to "all the transportation hazards, schedule inconveniences and oftentimes degrading and demoralizing experiences in the public school buses." The increased costs will be underwritten by Grand Lodge. There are very good vocational study opportunities at the Orphanage, which has been in existence for 104 years, and, based on the reports, has been well maintained and modernized and excellently staffed.

Grand Lodge per capita dues were increased from \$3.50 to \$4.50

Action was deferred on recognizing the Grand Orient of Brazil.

A delegation from Manitoba, including the G.M. and 4 P.G.M.s, attended the Annual Communication. Grand Lodge lost 3 P.G.M.s by death during the year.

The Grand Master recommended reducing the number of Masonic districts from 15 to 10, adequate financing for the "North Dakota Mason" and stricter attention to the finances of individual lodges. The Grand Correspondent's report is limited to 10 jurisdictions. Grand Lodge continued its practice of making all distinguished visitors honorary members - the printed list now runs to

6 pages. The Grand Historian's address was devoted to the Eastern Star.

By-law amendments were presented to increase the per capita dues from \$5.50 to \$7.00. This was approved to become effective with the 1978 fiscal year.

Our M.W. Bro. E. W. Nancekivell attended the annual communication. The Grand Master, M.W. Bro. Veinot, reported:— "I have seen more emphasis on the social side of Masonry, and I am very happy with this trend." He regretted that "our DeMolay Chapters in the Province have all closed."

The Grand Secretary, R.W. Bro. H. F. Sipprell, died in December 1976. He had served for 18 years in that office. The new Grand Secretary is R.W. Bro. R. A. Coombes.

Grand Lodge, after requesting such action in 1976, approved increasing per capita dues from \$2.50 to \$3.50, together with an increase from \$2 to \$3 per capita for the Masonic Home.

The Home, with 44 guests (average cost \$5,400, 52% covered by "guest assigned pensions and contributions", had to use some funds from bequests to cover operating expenses. The additional dues now approved should assist significantly. Donations received for the Home included amounts from Masonic sources in Lahr, West Germany, where Canadian forces have their H.Q.

Eight special and emergent communications were held for cornerstone and building dedication ceremonies. For masonic buildings the minutes include the notation "and dedicating the

same as all indebtedness had been liquidated." Each ceremony included "an oration." In addition Grand Lodge "retired" on the evening of February 9 to the construction site of the new Masonic Home to lay its cornerstone.

The "Oklahoma Indian Degree Team" gave, by dispensation, several out-of-state (as far as Massachusetts) as well as in-state portrayals of the third degree.

One gets the impression of tremendous activity throughout the jurisdiction. The Masonic Charity Foundation of Oklahoma (an independent corporation) has an invested capital of \$9.3 million. There is a Masonic Home for the Aged, two masonic hospitals, a Masonic Children's Home, a Masonic Home Laundry and a Masonic Homes Print Shop. At the year end there were 113 old folk (age up to 97, the oldest resident, 105, died during the year) in the home, 69 under the auspices of lodges and 44 from chapters of the Eastern Star. The gross expenditures for the Homes were slightly less than \$6,000 per guest. There is a long paragraph on miscellaneous services at the hospitals which includes 601 letters written for patients, 1,236 cigarette lighters filled and the list ends with "anything the patient might need that you didn't have."

The old home building has become inadequate by today's health and safety standards and Grand Lodge undertook in 1975 to provide a new home. This was to open in the Fall of 1977. To help pay for it a special assessment motion was passed by Grand Lodge of \$1.50 per year from "every Master Mason on our rolls, this assessment to be discontinued when the indebtedness of the building is completed."

The Grand Master exercised his prerogative of Making a Mason at Sight, the degrees being conferred on F. E. Dixon, Jr. at

a Special Communication of Grand Lodge with 158 brethren present. The E.A. degree (the Grand Master being personally in charge) and F.C. degree were given in the afternoon and, after dinner, the M.M. degree in the evening. The last occasion for this event in this jurisdiction had been in 1965. The report to Grand Lodge of the Instructor of Ritualistic Work indicated that "Bro. Dixon was the recipient of some of the finest degree work that has ever been conferred in Philadelphia."

As would be expected, Bicentennial celebrations were very prominent. The proceedings include the texts of special addresses given, at each quarterly communication, concerning Masons who were leaders in revolutionary days, and also the Grand Master's numerous addresses on related subjects.

Our M.W. Bro. E. W. Nancekivell attended the quarterly communication of December 1. The Grand Master, R.W. Bro. McCain, attended our annual communication in July.

In spite of a \$13,000 cost for each of its 505 residents, the Masonic homes showed an operating surplus of over \$600,000. Just half the cost was derived from "guest service revenue". An accrual basis of accounting had been in effect for a year. The "general fund balance" is close to \$20 million. Equity and trust fund balances transferred from Grand Lodge had been \$41 million. Thirty pages of the proceedings give the highly detailed report of the committee (e.g. the orchard produced 14,423 bushels of apples, the garden 28 varieties of vegetables including 28,656 lb. tomatoes, 4,417 lb. cucumbers etc. etc., alongside records of 303 inpatients in the hospital, 38,502 prescriptions, 12,751 physiotherapy treatments). Twenty-nine more pages detail the financial accounts. It is quite an operation! Extensive modern additions are being made to the home facilities. The cornerstone was laid. Occupancy of the new quarters is scheduled for 1977.

There are 18 children in the Masonic Children's Homes. Public schools are now being used for their instruction.

Our M.W. Bro. E. W. Nancekivell attended the Annual Communication.

Masonry in Quebec is facing two major problems, that of existence in a French-speaking society and of a near-crisis financial situation from taxes and expenses of the Montreal Masonic Temple, in which the Grand Lodge offices are located.

A few excellent lodges, based on the French protestant community, and working in French, have been operative for many years. The new situation flows from a combination of decreasing English-speaking population in all but major centres, and the pleasant necessity of recognizing increased Masonic interest among French-speaking Canadians, combined with reduction of some of the old religious antagonisms. Translations of the ritual into French are essential and are being prepared.

The financial situation of the Montreal Masonic Temple is highly critical. Your reviewer has been advised that the 1978 taxes are approximately \$120,000. More than half the capital of Grand Lodge has been used to provide "mortgages" for the Temple, to meet past needs and deficits. A "Save the Temple" fund is active. Masonry is going to be very much more expensive for its members in Quebec in the future. Substantial increases in all Grand Lodge fees were approved, including raising the per capita to Grand Lodge from \$2 to \$5.

Albion Lodge No. 2, Quebec, celebrated its 225th anniversary. Reports from the Quebec and Three Rivers District refer to increasing French-speaking and genuinely bilingual membership. Other non-Montreal Districts lack new members badly.

Your reviewer, having been a member of lodges in this jurisdiction for many years, is well aware that Masonry in Quebec has faced serious problems in the past. It is his belief that there remains the vitality to survive the challenge now confronting it.

At the special communication M.W. Bro. Stephenson, having been re-elected, was proclaimed successively in the east, west and south, with respective anthems "Lord God our Master bless", "In wishes true and hearty", and "Great Architect to Thee we raise" by the Masonic choir. Other Grand Lodge officers were then invested.

In October, the Grand Master paid an 18 day Masonic visit to Papua New Guinea, attending 6 of his own lodges and one under the English Constitution, where he was officially commissioned to represent M.W. Bro. H. R. H. the Duke of Kent. The distance and difficulty of travel to these lodges can be "staggering". Two brethren are "frequently faced with an all day boat or outrigger canoe trip", another "travels over a mountainous, winding dirt road with numerous hair-pin bends". The W.M. of Kavieng No. 487 travels 170 miles to get to his lodge. The G.M. reports there are "only 3 Nationals" who are Freemasons in Papua. "The local Brethren --- will be generally happy and pleased to welcome the National into our ranks, but it has problems we must try to surmount. --- I am fully convinced the future of the Craft in these areas will depend on encouraging --- the National to join our fraternity."

One interesting regulation in Queensland appears to be that lodges require "permission to ballot" from the Board of General Purposes. The Board reported permission granted for 720 ballots for initiation, 388 for affiliation and 6 refusals.

A major event was the completion, and dedication of Masonic quarters in the Stones Corners Temple. Almost unbelievably, the cost, A\$674,420, was well below the approved estimate of A\$800,000.

The Masonic Homes are the major charity. There were 363 residents in March. Medals are awarded to lodges and brethren who make specified donations. There is real demand for space, e.g. the last quarterly report indicates "24 on the waiting list for urgent admission and 174 approved for admission when needed."

The Queensland Legislature passed "An Act to amend The United Grand Lodge of Antient Free and Accepted Masons of Queensland Trustees Act of 1942" to update the legal basis for managing the Home endowment and other trust funds of Grand Lodge. Required appropriate changes were made in the constitution.

The Grand Master-elect R.W. Bro. A. J. G. Nicholson M.B., B.S., F.R.C.S. (Edin.) awaited installation, scheduled July 30, 1977.

The semi-annual communication was the last, after a 78 year stay, in the old Freemasons Hall which had become a Scottish Rite Cathedral and was now being replaced by a new Cathedral. The cornerstone of this had been laid by Grand Lodge October 31, 1976 with Ill. Bro. George Newbury 33° as speaker. The Grand Historian gave a "Farewell address to 127 Dorrance Street" tracing the history of Masonic quarters in Providence since the founding of the Grand Lodge in 1791, a story which included fire and hurricanes as well as major Masonic events. The communication closed with the joining of hands and the singing of Auld Lang Syne.

Masonic quarters in the new Scottish Rite Cathedral at Cranston were dedicated on January 11, 1977 and the annual communication held there May 16. Our M.W. Bro. B. B. Foster attended. The Grand Master had emphasized Masonic education very strongly throughout his term. The "Rhode Island Freemason" has been established (cost \$8,000 for the year) and a voluntary \$2.00 addition when paying lodge dues suggested to finance it. The per capita tax remains at \$4.00. Use of slides with lodge lectures "under the strict supervision of the Grand Lecturer" was discussed and is on the agenda for possible action by Grand Lodge in 1978. The Education Committee met 12 times during the year. 178 brethren attended one workshop! Substantial progress was made with the Grand Lodge Library and museum.

New dies were cut for Masonic medals to reduce cost, the G.M. reporting "with our jewelry background we found that our medals were far over-priced". The accounts include "Masonic Home" funds, but there appears to be no Masonic Home. \$20,000 from the fund was paid to "beneficiaries".

The Committee on Foreign Correspondence recommended initiating steps to recognize the Grand Lodge of Venezuela and the Grand Orient of Brazil. Caution was given to brethren proposing visiting lodges in Italy.

Our M.W. Bro. E. W. Nancekivell attended the annual communication and, by resolution of Grand Lodge, was given the rank of Honorary Past Grand Master.

The Grand Master, M.W. Bro. Gwinn, referred to the problems of rural lodges:— "The decline in membership in the past few years relates to population shifts from rural to urban areas. This presents our greatest problem. How can we adjust to this population shift? We are going to lose some rural lodges. I think the centres of greater population should make a determined effort to increase their membership by making the general public more aware of the activities of Masonic Lodges and that masons from rural areas taking up residence in the larger centres should be made to feel welcome by the lodges."

Several constitutional amendments were considered. Those approved included province-wide concurrent jurisdiction for lodges and increased per capita dues from \$2.50 to \$4.00. A motion to reduce the age for initiation from 21 to 18 was defeated.

The Committee on the Condition of Masonry reports 125 lodges in excellent or good condition and 50 in fair or poor condition, but are less optimistic for the future. A quick scan of the statistical tables indicates 20 lodges with 30 or fewer members and one lodge with only 18. This lodge held 5 meetings with an average attendance of 5 before amalgamation with a lodge in an adjoining, but still small, municipality.

There were 42 benevolent and benefit grants totalling over \$43,000. Individual amounts ranged from \$3,600 to \$100, so obviously each received careful consideration. The Freemasonry and Youth Endowment Fund gave two university bursaries, some essay prizes and ran a camp, operated by the Y.M.C.A., the highlight being a 3-day canoe trip to Prince Albert National Park.

The Committee on fraternal Correspondence and Relations cleared exchange of representatives with Guatemala, deferred action indefinitely on the Grand Orient of Brazil, and collated reports, from grand representatives on the proceedings of the Grand Lodges by which they were accredited, into a 2-page summary of which Canada in Ontario has the generous share of 7 lines.

The statistical table on membership contains a remembrance of things past. The years 1942-46 numbers for "subscribing members" have the notation "Pt. Darwin Lodge 41 (125 members) in enforced recess until 8th November 1946 due to enemy action."

Major additions were begun to the Nursing Home, and new Hostel and Day Hospital facilities in the Masonic Memorial Village (operated by a corporate body). The government Department of Social Security had approved a subsidy of A\$1.7 million payable in July 1978. Meanwhile extra per capita dues of A\$4 had raised A\$80,000 to get formal planning underway and over A\$118,000 was contributed by various benefactors to the related funds. The Grand Master said: "On the completion of this programme the Village will rank with the best in the country and will stand as a monument to Freemasonry in this Jurisdiction."

Remarkably, the Village showed, for the year, a nominal excess revenue over expenditures. The revenues included A\$346,000 in government subsidies. The Balance Sheet records assets of A\$3.25 million of which 80% is fixed. The A\$4 special per capita for the village was reduced to A\$2 but the regular per capita for Grand Lodge was increased from A\$8 to A\$10.

The Grand Master also reported: "I am not sure whether it is generally known that the Rotary Clubs of Darwin (proposed) that they be granted permission to build units for the aged on the same property as our own units — the whole cost to be their responsibility, and on completion . . . hand them over to us to be administered with our own establishment." The completion, opening, tenanting and handing over was finalized in October, 1976.

A "Door Knock" appeal to aid the Blind Welfare Association raised A\$154,000. "Our participation in the appeal has gone a long way to refuting the criticism . . . that our charitable work is too insular, being confined only to masonic charities."

The Grand Master suggested a committee to reactivate interest in youth organizations and proposed special funds for the 1984 centenary of the Grand Lodge and for a Temple Fund to assist constituent lodges with repair and maintenance of their premises.

The Grand Master, M.W. Bro. Wylie, died on June 21, the Deputy Grand Master becoming Acting Grand Master for the remainder of term. A special communication of Grand Lodge was held June 22nd to attend the funeral and conduct a Masonic Committal service.

There were 9 other special communications, 2 associated with the bi-centennial, 6 dedications and cornerstones and 1 for the "foundation stone" of a new Scottish Rite Temple. The Acting Grand Master attended our annual communication in Toronto in

1976. He also dedicated a bicentennial monument in the Grand Lodge Building in the state capitol, Columbia, and was invited to address the legislative assembly.

Grand Lodge rejected a 3-year trial of statewide concurrent jurisdiction and held over till 1977 a proposed increase in Grand Lodge per capita from \$1.50 to \$2.00.

There were 20 Masonic trials. One seems remarkable in that the charge was not attending lodge following receipt of a normal lodge summons. The trial commission properly held that no Masonic offence had been committed and the lodge appealed! The committee on grievances and appeals fully concurred with the trial commission and their report was in terms to settle the issue beyond question. Meanwhile, the accused brother (legitimately, in your reviewer's opinion) decided he wasn't wanted and was eventually suspended N.P.D.

The Committee on Fraternal Relations recommended no action on a request to recognize the Grand Orient of Brazil. The Fraternal Correspondent presented "A review of symbolic Freemasonry in certain representative jurisdictions" confined to 18 of the United States.

The Grand Master, M.W. Bro. Galligher, who made "A Year of Masonic Renewal" his theme, is reported "to leave a little more wood in the woodbox than when he first started to take from it". That fairly well sums up his administration for the year.

The Grand Master granted, by telephone, an "irregular" request for reading a petition at a special lodge communication. A member of the armed forces and severe time pressures were involved. The G.M. admits "more time and consideration might have resulted in the dispensation being rejected". He suggested material for use at "Enquirer's Nights" in lodges.

The report of the Committee on Fraternal Correspondence comprises only 4 letters from Grand Representatives reporting to the "Grand Correspondent". The list of Grand Lodges inter-

changing representatives totals 134, including 16 in Brazil and 7 in Mexico.

Several constitutional amendments were received for action in 1978 including reduction of age for initiation from 21 to 18; removing disqualification of anyone who was "a proprietor or vendor at a place where malt or spirituous liquors are sold as a beverage"; and for increasing Grand Lodge per capita dues to \$5 from \$4.

The principal business was the Grand Installation. The Grand Masters of all, and the Deputy Grand Masters of all but one, of the other Australian Grand Lodges were present. There were 69 brethren in these visiting delegations - a remarkable demonstration of interest and solidarity.

In his final address M.W. Bro. Abra said:—

"I believe with Ruskin that we are not sent into this world to do anything into which we cannot put our hearts. We have certain work to do for our bread, and this is to be done strenuously; other work to be done for our delight, and this is to be done heartily; neither to be done by halves or shifts, but with a will."

Referring to the Bicentennial, the Grand Master, M.W. Bro. Buck, said "Our celebration was low-key. There were no spectacular parades or noisy fireworks. We simply fostered a quiet determination to uphold our system of government with honour and to resist those forces which have sought to undermine it of late. We have no fear of subversive forces if our brethren will remain awake and vigilant. Our heritage of freedom was not attained easily, and that freedom was not really free, but must be maintained by constant vigilance."

The Grand Master made a number of recommendations, including initiating a Lodge of Research and changing the title of "District Chairmen" to that of "District Deputy Grand Masters." Both of these were rejected by the Committee on Jurisprudence. Even the Appeals and Grievances Committee's approval of the G.M.'s action re one U.M.C. charge was defeated by Grand Lodge. There was obviously much so-called "democracy in action" — a lot of it concerned with saying "no" to proposals such as permitting dual membership even outside of Tennessee and for increasing Grand Lodge dues from \$2.25 to \$2.75 per year.

No less than 29 trial commissions reported. The names of the accused Brethren are listed even when the verdict was "not guilty." Two of the latter cases were appealed to Grand Lodge!

The Advancement of Freemasonry and Masonic Education Committee is very active. The Director made 209 visits for the promotion of masonic education. Officer training workshops were held in all 30 masonic districts. Two hundred and twenty-four lodges, 4 out-of-state lodges and 1,165 brethren attended. The "Dr. Joseph C. Mobley Award" is presented to the Lodge with "the most comprehensive program of masonic education."

"Special Representations" of Grand Lodge included 9 dedications, 14 cornerstones (9 non-masonic buildings) and 6 to constitute new lodges. The Grand Master presided at 7 of these occasions. Texas follows the Scottish tradition and Past Grand Masters have Right Worshipful rank, only the Grand Master is Most Worshipful.

The Grand Orator's (R.W. Bro. C. A. Barrow's) address was much shorter (and much better) than others your reviewer has looked at. Here are some quotes:

"One lesson that stands out sharp and clear throughout the pages of history is that freedom must be continually earned. --- Unlike the Pyramids, the monuments of the spirit will not stand untended. --- The fact that our forefathers pledged their lives, their fortunes and their sacred honor, and most lost all but the latter, --- does not guarantee survival of these principles of freedom if we cease paying our tithes of devotion.

We have opened up our system in our zeal for a free society and for freedom - but we have opened it up to the point where an issue-oriented minority can short-circuit representative government and delay, obstruct, or paralyze the decision-making process. In our thrust toward an open system, we must not lose the capacity to act. --- In our desire to create a society wherein no one can abuse authority, we must not create one wherein no one can exercise authority.

Our Constitution declares and promises that all men are created equal. True, all individuals are equal in intrinsic worth and are entitled to equal access to rights and privileges. But equal worth does not translate to equal ability and equal access does not equate to equal achievement. Unless we cultivate excellence and reward performance, there will soon be no opportunity."

The Grand Master emphasized the bicentennial in his messages in the 6 issues of the Texas Freemason (reduced from 12 issues because of cost), combined with appeals for a return to moral leadership. He issued a special Proclamation for "Public Schools Week", strictly limiting use of Lodge rooms for the week to "called meetings for programs in observance of Public Schools Week", the sole permitted exceptions being stated meetings and funerals.

Your reviewer is impressed with the longevity of Texas masons. The Grand Master approved 1,572 50-year service awards, as many as 11 in a single Lodge. Surely, this must involve a major catch-up. There was a workshop on Masonic funerals.

Some \$2 million was raised as a development fund for the Masonic Home and School during the past 3 years. The endowment stands at \$8.7 million, total assets over \$13 million. Expenditures for the year's operations were \$1.3 million. The School has 7 "cottages", a registration of 84 children and is fully accredited by the Texas Education Agency from kindergarten through grade 12. The School band played at Grand Lodge. Expenditure of \$335,000 is reported donated to the Home for Aged Masons "for the care of our widows".

The Fraternal Reviews are by R.W. Bro. Brannon P.G.M. 65 jurisdictions were reviewed. In his foreword he writes "Perhaps if we would become true Masons, our neighbors and friends, who watch us each day, might be seeking what Masonry has imparted to our hearts. We believe that this trend of losses will turn to gains when we become members and not card-carriers." Canada 1975 receives a generous review with quotes from M.W. Bro. Wright's address at the banquet.

Lodges 827	Membership 88,261	Loss 2,433
------------	-------------------	------------

In spite of continually declining membership, which shows no signs of abating, this Grand Lodge is intensely active in good works. Thus benevolent grants reported throughout the year were A\$74,000, the largest individual grant of A\$2,000 for "care,

education and maintenance of a Brother's four dependent children" and numerous other sizable grants for equally worthy purposes. There were also 10 interest-free loans, several of A\$5,000 for such purposes as "to finance home additions for the installation of dialysis equipment" and "to reduce outstanding mortgage of a widow with dependent son." The Royal Freemasons Homes and the Freemasons Hospital were fully supported (5,274 patients "treated," and 4,390 operations). No less than 50 "Freemasons scholarships" were awarded (there were 222 applications) in addition to 7 other named scholarships, some tenable for 4 years. The Board of General Purposes also approved numerous grants and interest-free loans re specific masonic temple construction or improvement projects.

At the quarterly communication of March the retiring Grand Master, M.W. Bro. Risson, announced a very long list of "promotions", that is, appointment to past rank in 8 different levels, the highest being that of 4 past Grand Wardens to become past Deputy Grand Masters. The list is obviously one of upward flow with continuing service.

Following his installation and before the installation and investiture of other Grand Lodge officers, the new Grand Master, M.W. Bro. James, addressed Grand Lodge. He quoted from Rabbi Sanger:

"Modernism is a kind of idolatry, urging constantly more rights, bigger claims, more services and more protection against adversity. The time has come to restrain private appetites and renew a public ethic — call it a "work ethic," call it "honesty," call it what you will, but we sorely need it."

At the quarterly communication in June, amendments were passed to the Constitution specifying age limits beyond which brethren could not be appointed to the Board of General Purposes or to certain offices, the object being to assure turnover, and advancement of younger members.

The quarterly communication in September includes presentation of the report from the 109th annual general meeting of the Royal Freemasons' Homes of Victoria. There are 620 residents, divided 286 in the "Homes," 201 in "Centennial House," and 133 in "independent units." There were significant "operating deficits," being expenditure "not covered by Government deficit financing," which was substantially covered by Grand Lodge

grants, donations and bequests. A motion to increase Grand Lodge dues from A\$2 to A\$2.50 per half-year was defeated.

The quarterly communication in December saw the re-nomination of the Grand Master for a second term. In his address he commended work of committees on Masonic Temples, on constitutional changes and on public relations. He advocated "happy, friendly, sociable gatherings" after lodge and cautioned against "orators, who usually have nothing to say but cannot help saying it."

One item in the statistics surprised your reviewer — a listing among "exclusions" (i.e. suspensions) of a few brethren who "have been excluded by the United Grand Lodge of Mark Master Masons of Victoria for non-payment of dues and are automatically excluded from their respective Craft Lodges under the provisions of Rule 184A of the Book of Constitutions."

Twenty-two Grand Lodges were reviewed in the Report on Correspondence, some for two years. Canada is not included.

The above statistics are from a summarizing table. A computer is in process of "normalization" in the Grand Secretary's office. The computer's figures do not agree with the above.

There were 4 "special communications", 2 to institute, and 2 to constitute new lodges and 2 "occasional communications" for dedications. Four new lodges in 2 years is a sign of vitality.

Our M.W. Bro. B. B. Foster attended the annual communication.

The outstanding address was given by the Governor of Virginia, Bro. Mills E. Godwin Jr., before presentation to him of the John Blair medal. Here are two excerpts from it.

"Set forth in the Declaration of Independence, one of the foundation documents, is a principle that among man's God-given rights is not happiness but is a pursuit of happiness. The opportunity to seek after it, the opportunity to earn it, the op-

portunity to have it as a part of your life because you are willing to work to want it. But our forbears understood that only the pursuit and not the end product was guaranteed. And happiness we have to achieve for ourselves. It is something that we earn by our own efforts, by the fruits of our own labors, by the devotion to ideals and convictions and high purposes that guide us. No government can guarantee to its citizens happiness at all. It is not a commodity to be divided up if it were even in ample supply. But it is an achievement that can be earned."

"Many of our forebears and forefathers faced social and economic conditions far more rigorous than those that anyone in America faces today. They were beset in those days by the hostile Indians, by the constant and continuing threat of starvation, by land that had to be cleared, by roads that had to be cut, --- by land that had to be set aside and cultivated as it was farmed. And yet there was no thought, as they did so, that acts against the law perpetrated against their number would be forgiven. --- They believed, as you and I believe, that a man ought to be responsible for his own acts, and, for the transgressions of the law, that he should be held accountable and brought to the bar of justice. --- They knew that work was one of the ingredients that would make life successful and make liberty a reality. And whatever happened to the notion, gentlemen, that governments like families live within their means and the alternative thereto was the road to the poorhouse and inevitable bankruptcy. Those early Americans knew well that they had to make ends meet by their own resources, largely by the labors of their own hands and certainly of their own minds."

The Grand Master, M.W. Bro. Delano, emphasized the value of youth organizations and stressed the importance of the public image and public relations of Masonry.

The Grand Master took the unusual step of changing the decision of what, obviously, had been a most difficult Masonic trial. An original expulsion had been appealed and a retrial with change in venue ordered, to provide "an emotional climate unfettered by popular opinion". This retrial ordered a reprimand only. The Grand Master set aside both verdicts and ordered indefinite suspension.

Grand Lodge approved statewide concurrent jurisdiction and permission for collective balloting in lodge.

At the end of 1976 there were 68 guests in the Masonic Home (average cost of \$9,000). There were 4 marriages in the Home during the year. Patient care was 6,466 patient-days, about 80% in the infirmary care centre and 20% in hospital. There was surplus revenue over expenses approximating the Grand Lodge assessment of \$200,000. The endowment capital is over \$7 million.

Fraternal reviews, written by the Grand Secretary, for 41 jurisdictions are in the proceedings. Six Canadian Grand Lodges are reviewed, but our Grand Lodge is not included.

The Grand Master, M.W. Bro. Sandoz, visited 18 lodges and 1 Masonic Club in Alaska in July and returned to Anchorage in February for an "all Alaska" meeting. The G.M. recognizes "Life is a challenge in Alaska and so is Masonry. The transitory population, distances and isolation pose very real problems, but, somehow, they recognize problems as a challenge, and so they work at them and thus their problems become opportunities --- I have a deep appreciation of the indomitable spirit of Alaska Masonry - a spirit that will, one day, culminate in a Grand Lodge of Alaska."

A dispensation was granted to form Adak Lodge at Adak, Alaska, a Naval Station in the far Aleutians. There were 22 charter members. A Masonic Club has existed at Adak since 1943.

There were 5 special communications for laying cornerstones. A past Grand Master of Japan attended the annual communication and the Japanese National Anthem was played and the flag presented with those of the U.S. and Canada.

The Grand Master wrote to a Potentate that the application for "a Class H" (general?) liquor license for a Shrine Club and Temple "exceeded all proper rule of propriety", placed the Temple "on a collision course with the Grand Lodge" and made him "subject to unmasonic conduct". Your reviewer did not find any further reference to the matter in the proceedings.

The Grand Master agreed that funds derived from a "Bingo" at Nome, Alaska could be used in part "to buy Christmas packages for non-Masonic needy families". This was overruled by the Committee on Jurisprudence who held that the Code required use of special funds to be restricted solely for "a Masonic purpose" and that Grand Lodge had previously ruled that "a Christmas party for children" was not "a Masonic purpose". Your reviewer would hope, with respect, that such a narrow view would be modified in the future. The contrast with Florida (*q.v.*) is extreme.

The "Washington Masonic Code" is being rewritten. A draft was published and will be considered next year.

The new Grand Master was installed at a public ceremony just before the close of Grand Lodge.

The Masonic Home endowment is over \$8.3 million. There were 142 residents, average cost \$6,325, and the Home had a surplus of \$190,000 for the year. It is obviously very well run.

There are excellent reviews of "Fratel Jurisdictions". Canada 1976 receives generous treatment with extensive quotations from M.W. Bro. Nancekivell's address and from the report of the Committee on the Condition of Masonry.

The first page of the proceedings is a form for lodge secretaries to acknowledge receipt of the proceedings.

Special communications were held on Independence Rock for bicentennial celebrations and also for laying cornerstones for one church and for one elementary school.

The funeral and memorial services were revised (full texts in proceedings) and now include appropriate wording when cremation is to be, or has been, carried out. The new text was provisionally adopted for one year.

The committee on Fraternal Correspondence and Recognition expressed concern over the masonic situation in Brazil and in Italy. The Grand Secretary used masonic contacts to confirm that

two "kidnapped" children were, in fact, now with their father at his estate in his "South American country." This is a classic case of estrangement and conflicting laws as to custody. The masonic role was merely to confirm that the children were alive and well.

As part of the 6-year Grand Lodge "line," the D.G.M., S.G.W., J.G.W. and S.G.D. are each allotted one-quarter of the state, within which they are the Grand Master's representative. The incoming Grand Master is, by rotation, therefore well acquainted with his whole jurisdiction.

Nearly half the proceedings consists of a complete roster by lodges of all masons in the state.

APPENDIX "A"
ADDRESS BY M.W. BRO. J. C. RASOR
AT THE
GRAND MASTER'S BANQUET
Held in the Canadian Room
Royal York Hotel, Toronto, Ontario
JULY 19th, 1978

THE GRAND MASTER: Eric W. Nancekivell will introduce to you our guest of the evening.

M.W. BRO. NANCEKIVELL:

Most Worshipful Grand Master, distinguished Head Table and my Brethren: At the Conference of Grand Masters of Masons in North America in Washington this last February, the key note speaker was Bro. Jerry Rasor, Grand Master of the Grand Lodge of Ohio. Present at that conference were our Grand Master, Deputy Grand Master, Grand Secretary and myself. We were all thrilled and delighted with his address and unanimous in asking him to be the guest speaker at this Annual Communication, to which he readily and graciously agreed.

I should like to tell you a little about our speaker of the evening. Bro. Rasor is a graduate of Ohio State University where he majored in radio-television speech. He is a broadcaster employed by the Outlet Broadcasting Company and a member of the staff of W.C.M.H.-T.V. Channel 4 in Columbus, Ohio. In other words, he is a communicator and he certainly can communicate.

He was the Worshipful Master of Lockbourne Lodge in 1968 (as recently as 1968) and his father before him was Master of the same Lodge in 1951. In the York Rite he became a Royal Arch Mason in 1962, Royal and Select Master in 1965 and a Knights Templar the same year. In the Scottish Rite he was coroneted Honorary 33rd Degree Sovereign Grand Inspector General in 1976. He is an active member of the Shrine and of other Masonic and attached Bodies. He was installed Grand Master of the Grand Lodge of Ohio in October 1977. You know they have a quarter of a million Masons in Ohio. This is the largest Grand Lodge numerically on this continent and what a distinction that is to be chosen Grand Master from two hundred and fifty thousand Masons. Certainly the pinnacle of a very distinguished Masonic career.

It is as such that I present to you, dare I say it, razor sharp and razor keen, Bro. Jerry C. Rasor, the Grand Master of the Grand Lodge of Ohio, an ardent, enthusiastic Mason, an expert communicator, a charming personality and our guest speaker.

M.W. BRO. J. C. RASOR:

That in itself is a very hard act to follow, its one of the finest obituaries I have ever heard.

I am delighted to be here this evening with you, Most Worshipful Grand Master, your distinguished Head Table and all of the Masons in this room. Its a real thrill to come via Allegheny Airlines to Toronto — and make it. (Laughter).

Yes, I do work in television in Columbus. I work for the National Broadcasting Company at the network affiliate and if any of you follow the ratings you know that NBC is now number three behind CBS and ABC so I'm really not accustomed to microphones such as this. We are down to a tin can and a string in Columbus. But it is a distinct opportunity to be invited here this evening. This is my first trip to Toronto and to this province and I was able to see some of the city coming in from the airport this afternoon. It is a beautiful, beautiful city and I would like to come back at some later date and see more of it. But I am here tonight to tell you something about what we are doing in Ohio in Freemasonry this year. When I was at the Grand Masters' Conference in Washington D. C. in February, Bro. Bob Coley, down there was elected chairman of the entire Conference of Grand Masters of North America. When you saw Bob stand up you can readily see that he is a rather imposing man. I chose that word very carefully my Brethren. He is a very, very imposing guy and a nice guy. A very very gentle person although he is large in stature. We were wondering when he was elected the Chairman of the Conference in Washington how he would address the chair with him in it. (Laughter) — you're way ahead of me my Brethren — and a friend of mine said, "With Bob in the chair I will address it very very carefully." And so we do that.

You know, the theme of that Conference in February, in Washington, D. C. was "Quo Vadis Freemasonry" — whither goest thou Freemasonry. Now I am not a student of Latin and so that caught me a little off base when I was asked to speak to that particular gathering, so I went to a good friend of mine who is a student of Latin. He also happens to be a Catholic Priest. He is a member of the Catholic Hierarchy in Columbus. He is Monsignor

of our largest Catholic Cathedral, St. Josephs. He and I belonged to the Kiwanis in Columbus and he kids me a lot about being active in the Masons and I kid him right back about being a member of the Hierarchy of the Roman Catholic Church. He said, I understand that you are going to Toronto to talk to a lot of Masons. I said that's right, a big audience, maybe a couple of thousand Masons will be in the room the night I speak. He said, "I want to give you a story, Jerry, that you must tell all those Masons in Canada and please give me credit. Tell them that Father Murphy gave you the story. So here's Father Murphy's story, let me try it out on you. It's about a Catholic Priest named, of all things, Father Murphy, a very fine Catholic Priest who was taking an airplane trip and one of his first trips via plane. He got on the plane, sat down in his seat near the window and just before take-off a very hippy looking character came in and sat right down beside the Priest. Now I mean, this guy had the hair to the shoulders, the beads, the ear rings, the whole deal. You know what I mean. The Priest looked at this young man and he thought sometime during this trip I'm going to find an opportunity to talk to him, to say something to him that will perhaps change the manner in which he is living his life. So, the plane took off and you know how it works. The first thing that happened after take off a beautiful stewardess came down the aisle with drinks and she stopped at these two seats. She said, "Father would you like a drink?" He said, "No thank you." She turned to the hippy and she said, "How about you?" And he said, "Yeah, I'll have two double martinis," and he drank them, one right after the other and the Priest looked at the kid and frowned. Next thing that happened another beautiful stewardess came down the aisle. This time with magazines. He said, "No thank you, I'm reading the Scriptures." She turned to the hippy and said, "How about you?" And he said, "Yeah, I'll have the latest issue of Playboy Magazine." He opened it right to the centre spread. Now I've never seen that but I understand it is rather interesting. (Laughter). Sure enough at that moment, the hippy turned to the Priest, frowned and said, "Pardon me sir, do you know what causes arthritis?" And the Priest thought that's not much of an opening but it's probably the only one I'm going to get so I'll take it. So he looked the young man right in the eye and raised his hand and he said, "Young man, I am not a medical man but in my humble opinion, arthritis is caused by filling one's mind with pornographic thoughts, by drinking too much of alcoholic beverages and in general leading a life of debauchery; I think that's what causes arthritis." The kid looked right at him and said, "Hmmmm, say's here in this magazine that the Pope has arthritis." (Laughter).

I've been talking to the Bishop here sitting to my immediate right at the Head Table. I didn't tell him that I live in a very small town in Ohio. A little rural village called Commercial Point. Two hundred hearty souls live in my home town. I've lived there all my life, I love it. But you know Bishop, in my little town we have just one church and we all belong to it. It happens to be a United Methodist Church. We had a young Preacher there not too long ago. — Someone at the head table said, "Amen." Thank you Brother. — We had a very young and aggressive minister who was in our little church and before he moved to bigger and better things, he—we loved the guy, we loved the guy—was very very enthusiastic about his job, but you know in a little church, the Preacher does everything. He led the choir, he played the piano, he ran off the bulletins, he did everything that had to be done. In running off the bulletins, he became a little confused one Sunday and I saved this bulletin as a souvenir. This is true, this really happened. In our little church, we have a group called the "Little Mothers Club". Young married gals belong to it; you know. So in the bulletin one Sunday he wanted to announce a meeting of the club but it came out like this in the bulletin. All those wishing to become little mothers meet the minister in his study right after church. (Laughter).

Also, churches many years ago were very, very conservative — lets face it — but today they are thinking more in terms of public relations. Have you noticed the signs out in front of churches these days — what they say. They don't just say, sunday school at such and such a time, church at such and such a time. They now have catchy little phrases. And one that really got me — driving to the airport this morning — I noticed one near the airport in Columbus, it said if you've given up sin, come right in, and someone had written underneath in chalk, if you haven't call 782-4435! — The laughter is good, but hitting the tables is even better men. I like that back there.

Well, one little story; I love to tell stories to get you in a good mood, and then I would like to talk seriously to you; but a friend of mine recently went through a rather trying experience in his life. His wife had to have plastic surgery on her cheek and they were unable to find skin that would take and finally they called him in and said, "Sir, we're going to have to search various areas of your body to try to find skin that will take on your wife's cheek." And they finally found it on his rump and it worked and they put it on her cheek in an operation and it took. She came out of the surgery, still somewhat under the effects of the anesthesia and she was lying

there in her bed of pain and looking up and there he stood over her bed as she came out from under the anesthesia and he was standing there just smiling. She said, "Dear, why are you standing there over my bed like that smiling at a moment like this?" He said, "Honey, I can't wait until your mother comes in here and kisses you on your cheek." (Laughter)

Well my Brethren, the question seriously, is whither goest thou Freemasonry in 1978. Maybe we're a little arthritic, I don't know. Maybe we're a little aged at this point in time and I think that we must look to new ideas and new approaches and new ways of solving the problems that beset this great old fraternity of ours in 1978. When I was installed as Grand Master of Ohio last October, in Cleveland, I decided that I wanted an invitation installation for the first time in the history of our Grand Lodge. And our Grand Lodge was instituted in 1809. I wanted guests to come and see this beautiful ceremony. I wanted particularly for the ladies to be there, to see the meaning of this beautiful Grand Lodge Installation. But I had a little bit of trouble. Some of the Past Grand Masters weren't too sure that this was proper and that I should do it at this point in time in the history of our Grand Lodge. *We have never done that before.* Some of you have heard that I'm sure. We have never done it before in the history of our Grand Lodge but I was determined that it would be done. We put in a lot of hard work and time and effort to carry it off. My Brethren it was a beautiful ceremony. Nearly three thousand people filled the Scottish Rite Cathedral in Cleveland to see it. And now, thank God, some of those Past Grand Masters are coming to me saying, Jerry, we were wrong, we admit it, it was a good thing, it was good for Freemasonry even though it was new and it was different and it had never been done before.

When I was installed, on that same day, I said to all the Brethren and ladies in that auditorium, that I welcomed the challenge of serving as Grand Master of the largest Grand Jurisdiction in North America. I accepted the responsibility that was placed on my shoulders that day. I said I looked forward to the opportunity of serving the nearly quarter million Masons in our great Buckeye State. But I also said this, and I believe it as much tonight as I did last October, if Freemasonry is going to make strides in the future we've got to use imagination, innovation and invention if we are going to solve the problems that lie ahead. I like to call those the three I's. Imagination, invention, and innovation. If we do that, my Brethren, we can change apathy to enthusiasm, we can change the negative look at our problems to a positive

approach to solving them — that's the name of the game — whether its in Freemasonry, Kiwanis, Lions, Rotary or whatever, a positive approach to solving the problems that are ours. We can, we will, and we shall do it if we but apply ourselves to the task.

Now I'm told that this is the first time in our Grand Lodge history in Ohio that a man in television has been Grand Master. It's a new ballgame. When my bosses say I must be there for the six and eleven o'clock news on which I appear each day, I have to be there. I can't always make the trips that I would desire to make. I flew here today and will fly out of here tomorrow morning at 7:00 a.m. to return to Ohio to appear on television again tomorrow but my Brethren, if a Grand Master is to be successful, and I know these Grand Masters who are seated here at this table come from all walks of life, but if a Grand Master is to be successful, and we all want that — we want that mantle — when we lay aside the duties and responsibilities of this office we want all of you out there to say, that guy, that man, that Grand Master was successful. He achieved the goals he set for himself and for our Grand Lodge.

I can only tell you from my own experience some of the things that have been successful, some of the plans I've laid out in Ohio, new ideas, new thoughts, new approaches. We've got to walk untried pathways if we're going to be successful in 1978.

Let me say this loud and clear, we will never drop the beautiful tenets of our profession or the lessons in the Ritual, they are immutable.

But if we are afraid to try new techniques then the success we want so desperately will elude us. I want to be a visible Grand Master, and I know that each man at this table wants that same title. I want the members of my Grand Lodge to see me. When I was Master back in 1968 I saw the Grand Master once at the reception held in his honour in Columbus and I was in row 37C or something like that; I needed binoculars to see him. That's the only time I saw him. I never touched him, I never shook hands with him, I never chatted with him. Success, my Brethren, is being visible and making yourself a part of all the activities of your lodge if you're the Master; of your Grand Lodge if you're the Grand Master; a functioning part, not a titular head, a functioning head.

Last year when I was Deputy Grand Master, I went to see Chuck Ward and some of you may remember Chuck, our Grand Master, 5' 18" tall. A rather healthy looking chap. I said, "Grand Master, I'm only Deputy Grand Master, I hope that you will

understand what I'm trying to say to you but I want to go out and talk to every Senior Warden in this entire state." He looked at me and he said, "Jerry, we've never done that before." And I said, "I know we haven't but I want to do it. I want to take my programme to every Senior Warden in this state during the spring before the summer recess so that next fall when he becomes Master he will know my plans and he can help to formulate my plans during his year as Master of his Lodge." So we did it. I held a series of meetings and I called them "Let's Plan Together." I went all over the state of Ohio, held regional meetings and met with the Senior Wardens and, would you believe it, they came out to see this guy, who would come out before he was elected Grand Master and lay before them the plans he had put together for his year in the Grand East, and it was most effective. They were excited about the idea that a Deputy Grand Master was out there telling them to "come on men we're going to do it next year and we're going to do it together", we're going to turn this Grand Lodge around. Our Grand Lodge has been losing twenty-five hundred members annually for the last twenty years and still we remain the largest Grand Jurisdiction on this continent. Many of you are in the same predicament. How long can we continue to lose members and still remain a viable Fraternal Organization. John Lloyd, who is now the Emeritus Deputy of the Scottish Rite in Ohio and an insurance man, compiled some facts. Let me tell you this. It's rather mind boggling. He said in a talk recently if Freemasonry continues the downhill slide for the next twenty-five years that its had for the past twenty-five, by the year 1990 the York Rite will cease to exist. By the year 2037 there will be just one hundred thousand Masons left in the entire United States of America. Is this what we want for this Fraternity for which we've worked long and hard?

There's a town in Ohio called Hamilton, down near Cincinnati. A good friend of mine told me that in the 20's the Oddfellows were the greatest Fraternal Organization in Hamilton, Ohio. They had a huge Temple with big marble pillars, hundreds of members. Today you go to Hamilton, Ohio and there is not a temple, its a parking lot and you cannot find one member of the Oddfellows — it is extinct in Hamilton, Ohio, and in many other cities all around the country.

Freemasonry cannot allow itself to fall into this trap. We need, I believe more than anything else, my Brethren, — and whether you agree with me or not—I want to tell you how I feel. Freemasonry must begin to shed that mantle of ultra secrecy which has clouded our image for lo these many years. We've got to get

our light out from under the bushel. We've got to spread the light of Freemasonry and tell all those outside our Temple walls the beautiful story we have to tell.

In Ohio this year it was my desire that to do this we open an old Lodge in conjunction with our historical society. A Lodge accurate in every description from the 1800's. We've done it. In spite of the fact that we had not done that before and there were many of them afraid that we couldn't do it but we've done it and thousands of people, young and old, are going to go through that old Lodge and be told the story of Freemasonry and will be impressed by what they see and hear.

Another way in which we could tell the beautiful story of Freemasonry to those outside the Fraternity and I told you about going out and talking to the Senior Wardens, I gave them four programmes. Let me very quickly tell you what I told them. I said, men I want you to try next year to implement just these four programmes. If you'll do that we can turn Freemasonry around in 1978 and start the uphill climb and not the downhill slide we've been on for the past twenty years. Four programmes. This is the one hundred, seventy fifth anniversary of Ohio's admission to the union. Masons brought our state into the union in 1803 and we're celebrating that fact. We're having a big state-wide celebration sponsored by the Masons on August 19th and the Grand Masters of those Grand Lodges that chartered our six founding Lodges are coming in with us and some of them are sitting here at this head table tonight.

I told them to have a widow's night, and to honour the ladies whose husbands had given so much of themselves to Freemasonry. My mom is a Masonic widow and I know what it would mean to her if she were invited to the Lodge for a night in her honour. Many Lodges have held these nights and I wish you could see the letters I have received from widows throughout our state, thanking me, many saying that it is the first time since their husband's death that they have been invited to the Lodge. Brethren, we can never, ever forget these ladies. And one in particular has deep meaning for me. A night with the Clergy is one of the programmes that I suggested. To invite the Rabbis and Priests and the Ministers into our Temple. Have a night in their honour. Tell them this beautiful story and send them back to their Churches and Synagogues and Cathedrals with a better insight into what this great old Fraternity means. In many areas my Brethren we are being talked down by Ministers and Priests and Rabbis because they don't know who we are. A friend of mine

from the television studio went home for a weekend, went to church and she came back in a state of shock and she said, "Jerry, I heard the most violent anti-masonic sermon from the pulpit this morning I've ever heard — in my home church. This minister did not understand us and what he did not understand he feared and what he feared he talked against."

Another programme and I think this is the most important of all, and men we've had tremendous success with this programme in Ohio. It's called "Lets Get Acquainted". All I did was ask those men who were going to be Worshipful Masters of the Lodges to have a night called "Lets Get Acquainted" to personally invite those quality men in the community who should be Masons but for one reason or another are not, invite them into the Temples, have a programme for them, tell them about Freemasonry, send them away with a good feeling about the Fraternity and let them know that we're not just a little secret society meeting up on the second floor of that building. We're a Fraternal organization with deep roots in the community. I insisted that wives be invited right along with these men.

One little Lodge near Columbus that was having one candidate per year held one of these meetings and at the next stated meeting they had six petitions all of them as a result of that one "Lets Get Acquainted" meeting.

Gentlemen, public relations is my ballgame, and you in all other walks of life I'm sure that each of us does what we can to improve our Lodge. We have a little booklet in Ohio — Judge, we stole it from Pennsylvania and I want to thank you for that — it's called "Freemasonry — a Way of Life" and it is, isn't it. It's a way of conducting our lives. We take good men and we make them better. This little booklet can be shown to anyone at anytime and anyplace and in very concise and easy to understand terms it tells what we're all about. In each of those "Lets Get Acquainted" meetings those little booklets were given to the guests.

I have a public relations committee. They put out a little book called "Sharing Masonry". How to get prints in the newspapers, how to get pictures of your functions in the newspapers. We have a brand new publication and I think this is probably most important, its called a "Mason's Lady", designed specifically for your ladies. You know what these gals tell me? They say, Jerry, my husband doesn't know what to tell me about Freemasonry so he doesn't tell me anything. He's out of the house night after night going to those Masonic meetings, at least that's what he tells me, and I really

have no idea what its all about. I would like to know the things that I can know. This little booklet is designed specifically for that purpose. To let the ladies know the things that they should know about this Fraternity.

We have a film this year for the first time in our history. A public relations vehicle called "A Precious Heritage" — the story of our Grand Lodge intertwined with the history of our state during this the 175th anniversary of Ohio. It's been most successful. It received a gold medal at the International Film Festival in New York. It was produced by Allan Roberts of Virginia. It's in such great demand in Ohio that we can't get it out fast enough. Eastern Star Chapters want to see it. York Rite Bodies want to see it. The Lodges want to see it — it's a tremendous public relations vehicle. Public relations done discreetly and tactfully is something that we have to think about in 1978, something we've got to use because it can do great things for us.

You know, when I visit a Lodge, and I've visited a lot of them and all of us do, when I walk into a Lodge and I see a lot of grey heads I know that that Lodge is blessed with great experience and great maturity but if I don't see any young men I know that Lodge is in trouble. Its future is in doubt. We must in some manner interest the young men in this Fraternity. You know the young men are a new breed of cat. They're not the same as we were, they're not the same as any of us. I'll bet most of you in this room have spent most of your lives in one spot, maybe in a relatively small area of the globe. I read a book not long ago. It said the kids today are probably born in one area, they go to school in another, live in another, have recreation in another. It's a different world and we've got to do different and inventive things if we're going to interest young men in becoming Freemasons. Today's youth doesn't share with you the discipline of the institutions and the people of a single home community. So if he's going to make it, if he's going to promulgate a self discipline, and that's what he's going to have to do to make it in this world, where does he get it? I'll tell you where he gets it. Self discipline is conscience, and what is conscience. Conscience is a core of building guidelines or truths, self discipline a value system, a deeper conscience. If it sounds familiar my Brethren it ought to, because those are the fundamental philosophies and teachings of Freemasonry. Robert Browning wrote that life has meaning and he defined that meaning as "My Meat and my Drink". Young people today are deeply concerned with discovering their own identities. They want to do their own thing.

Jack Nicklaus — greatest golfer who ever lived — is from Ohio. I can say that, he's from Ohio. He's bowing out just a little now but he comes to Columbus every now and then and one of the first places he goes to is the school for the blind. In Columbus, we have a rather remarkable such school. Not long ago Jack was there and this boy came out, a young kid came up who of course could not see and he said, "Jack I want to shake your hand but not only that I've been practicing golf, practicing every day and I can play golf and I want to challenge you to nine holes." Nicklaus said, "Well I'm pretty good you know, I've played this game a long time." The kid said, "Well, I don't care. I've practiced and practiced waiting for you to come. Nine holes is all I ask. Will you allow me to play nine holes of golf with you?" And Nicklaus said, "Well okay, when do you want to play?" and the kid said, "How about eleven-thirty tonight!" (Laughter).

You see they want to do their own thing. They want to discover their own identity. They want to know where they are going. They want to discover life. This above all to thine own self be true and it shall follow as the night the day thou canst be false to any man. We can't make these young men aware of the tenets of Freemasonry unless we make ourselves available to them, and in so doing lead that industrious, self reliant, clean and wholesome life that we talk about. We can't only talk about it, we've got to practice it. We've got to show an example that can be emulated by these young people. If we don't live the teachings of this profession then who will? If the leaders are not willing to lead, then who will?

Today's youth are confused and concerned about their role in this society. They need a meaningful code of ethics and we've got it. We have got to practice it. We have it in Freemasonry like no other organization in the world but we have got to practice it, twenty-four hours a day in and out of the Lodge. You know something and I believe this sincerely, sometimes we put too much emphasis on memorization by rote. Let's not worry about "by rote" up here. Let's worry about by heart — right here — where it counts. I understand the DeMolay Chapters are just beginning to be formulated here in Canada and in this Province. The DeMolay Chapter in Ohio needed help not long ago and they came to me and they said they had all the money they needed — didn't need money. Do you know what they needed? They needed Masons to serve as advisors and you know something, we couldn't find them. We couldn't find enough concerned Masons to serve as advisors to those young men who needed help so desperately. The future of this institution lies in our ability to communicate with these young

men from all walks of life. I think we had better start thinking about Harry S. Truman, Past Grand Master of Missouri and President of the United States. He said, "The buck stops right here." Right here at the doorstep of each of us, who would call ourselves Freemasons.

I want to tell you about one more programme that took place in Ohio this year. A first in our state. During Brotherhood Week, the Grand Lodge of Ohio sponsored a series of Brotherhood programmes, in six major cities, for the first time in history, in conjunction with the Knights of Columbus, and B'nai B'rith, our Catholic Brethren, and our Jewish Brethren. They were tremendously successful. I was made an honorary member of the Knights of Columbus — First Grand Master in our history I am sure who is also a member of the Knights of Columbus. But it's a great thing, ecumenism. You know what ecumenism means don't you. It means that now the Jews can eat pork, the Catholics can eat meat on Friday and the United Methodists can speak to each other in the liquor store. (Laughter). My Brethren, enthusiasm is the key to our success. Henry Ford said that with it there is a great success, unlimited possibilities; without it there are only alibis. I don't intend to offer any alibis at the end of my term of Office because I want this enthusiasm to rub off on every Mason in our state and I want them to know that we're going to do it. We're going to accomplish our goals and we're going to be successful.

Three things stand out in my mind, many more perhaps, but three very memorable moments as Grand Master and I'm sure that every Grand Master at this Head Table could repeat things that have stuck with them.

I presented a seventy-five year pin to a ninety-eight year old gentleman in Zainsville, Ohio. He lives alone, at ninety-eight. He's very stooped, walks with a cane. I went to his home to present the seventy-five year pin. I walked in and chatted with him briefly and I said that I would like to affix this pin to your lapel. He said, "Grand Master, not this coat, I want it to go on my good coat." So he went to the closet, pulled out a rather shabby looking coat — but that was his good one — turned and faced me, dropped his cane, and stood as straight as an arrow and said, "Grand Master I'm ready."

I went to our Ohio Masonic Home to present pins to several older members. One gentleman didn't appear to know who I was or where he was as a matter of fact. I affixed the pin to his lapel and turned to leave. He looked up and said, "Thank you, Grand Master."

We had an all-Ohio Masonic home day this year and nearly five thousand Masons went to our home. We had entertainment and it was a cold day but they wrapped the patients in blankets so they could watch the entertainment outside, and a sight I shall never forget is those patients, wrapped in blankets refusing to leave because it was their day, and the Masons of Ohio made it so.

You know there's a song from Lerner & Lowes' My Fair Lady, the title of the song is "Show Me". When I heard that title I thought that applied to each of us in Fraternity. I want to close with a challenge my Brethren, if you believe in brotherly love, relief and truth — show me. If you believe that faith, hope and charity are not just words but are a way of living — show me. If you believe in the teachings of that book which is open on the Altar of each one of our meetings — show me — and if you're willing to stand up for this great old Fraternity, and work for it, and fight for it, and give of yourself for it, then **SHOW ME AND SHOW ME NOW!**

Thank you very much.

(Prolonged Applause).
